A.B., Depauw University, S.T.B., Boston University, D.D., Depauw University, L.L.D., Rio Grande College.

DEDICATION to our President

Under the guiding hand of President McIntosh, Ohio Northern University has continued to grow and prosper. His diligent, untiring efforts have brought, in his nine years with the University, the Schoonover Laboratory, accreditation to the Pharmacy and Engineering Schools, funds for building and development projects, and scholarships.

In the light of his accomplishments and endeavors, the editor and staff of the forty-eighth volume of the *Northern* feel proud to dedicate this book to our beloved Dr. McIntosh.

Even with his crowded schedule, F. B. McIntosh, takes a genuine interest in every one of Northern's students. He is never too busy or preoccupied to stop and give a cheery greeting to students as he hurries down a campus walk.

Dr. McIntosh is truly a man who loves people and enjoys doing for others. This dedication, then, is not only a tribute to our president but also a token of gratitude and appreciation of hard work and thoughtfulness.

F. B. McIntosh was elected President of Ohio Northern University in June 1949. Up to that time he had pastorates at New Concord, Granville, Westerville, Findlay, and Columbus, Ohio. He also served as a trustee of Ohio Wesleyan University.

At present besides all his official duties as president, Dr. McIntosh is a member of the General Board of Education, Methodist Church; a member of the Federal Council of Churches of Christ in America, a member of the International Council of Religious Education, Secretary of Division of Universities and Colleges, Chairman of Ministerial Training, Ohio Conference; President of the Board of Directors of Pastors' Summer School, Dean of Methodist Youth Fellowship Institutes, and a frequent speaker at college and youth assemblies.

Even a man as busy as Dr. McIntosh takes time out now and then to join faculty members in watching a Northern baseball game.

The Ada Farmers' and Merchants' Picnic was the scene of this informal get-together of Dr. McIntosh and Senator George Bender.

Dr. McIntosh is frequently found hard at work at his desk, planning, preparing, furthering the name of Ohio Northern University.

But much of the time, this office is empty because Dr. McIntos giving personal attention to a specific project or endeavor.

President's Message

OHIO NORTHERN UNIVERSITY
ADA, OHIO

OFFICE OF THE PRESIDENT

PRESIDENT'S MESSAGE

Year by year, with steady stride, Ohio Northern University moves on to greater goals. Your sojourn on the campus comes at a most significant time in our history. You will witness the completion of two new dormitories, the unfolding of a greater campus and we hope the beginning of a commodious social center for students and university personnel. You will see the strengthening of our faculty in every area and academic recognitions of strategic importance.

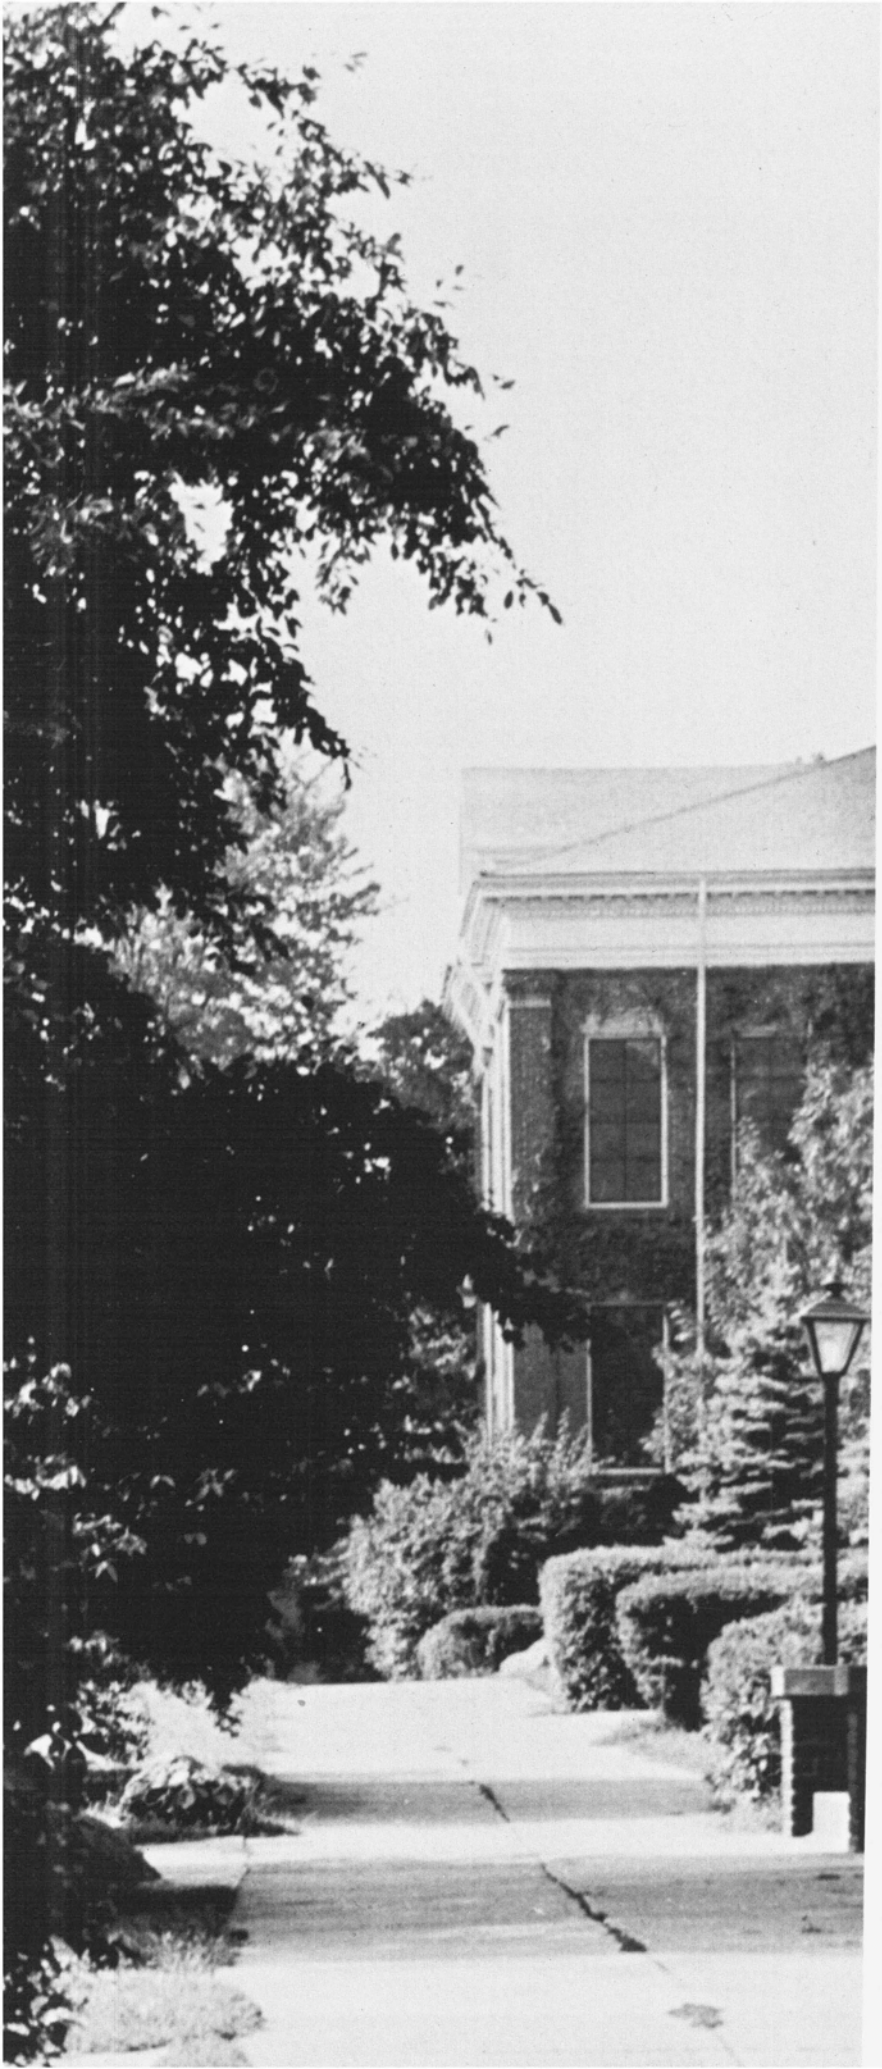

You, personally, will have taken great strides along with the University of which you are a part.

I take this opportunity to congratulate you on being an important part of the enterprise known as Ohio Northern University and to thank you sincerely for the contribution you are making to the on-going development of our University. May God bless you richly in the days ahead.

Very sincerely yours,

J. Bring[illegible] McIntosh
President of the University

Ohio Northern . . .

Four colleges comprise this little University nestled in the heart of Ada, Ohio. Four colleges whose chief aims are to train qualified pharmacists, lawyers, engineers, teachers, businessmen, chemists, and biologists.

Students from all over the United States and the world gather here to learn, to grow, to achieve their goals in life. In the process of learning and growing, they inevitably meet certain crossroads.

Crossroads in studies—in activities—in athletics—in one's own personal life—form a necessary part of an education.

Though some of these crossroads may seem unsurmountable at first, they soon fade into a pattern of progress which signifies growth.

While students go on from day to day working, playing, seeking their goals, the University itself is approaching a crossroads. Accreditation of the Liberal Arts College, construction of new buildings, athletic scholarships, higher pay for the increasing faculty, all represent steps forward for Ohio Northern.

The following pages are an attempt of a pictorial coverage of some of the crossroads—both small and big—one meets in attaining their goals.

Classes over

for another day . . . Another sfep closer to that goal . . .

In the fall a new crop of freshmen are introduced to Northern traditions.

Fall, Winter, Spring . . .

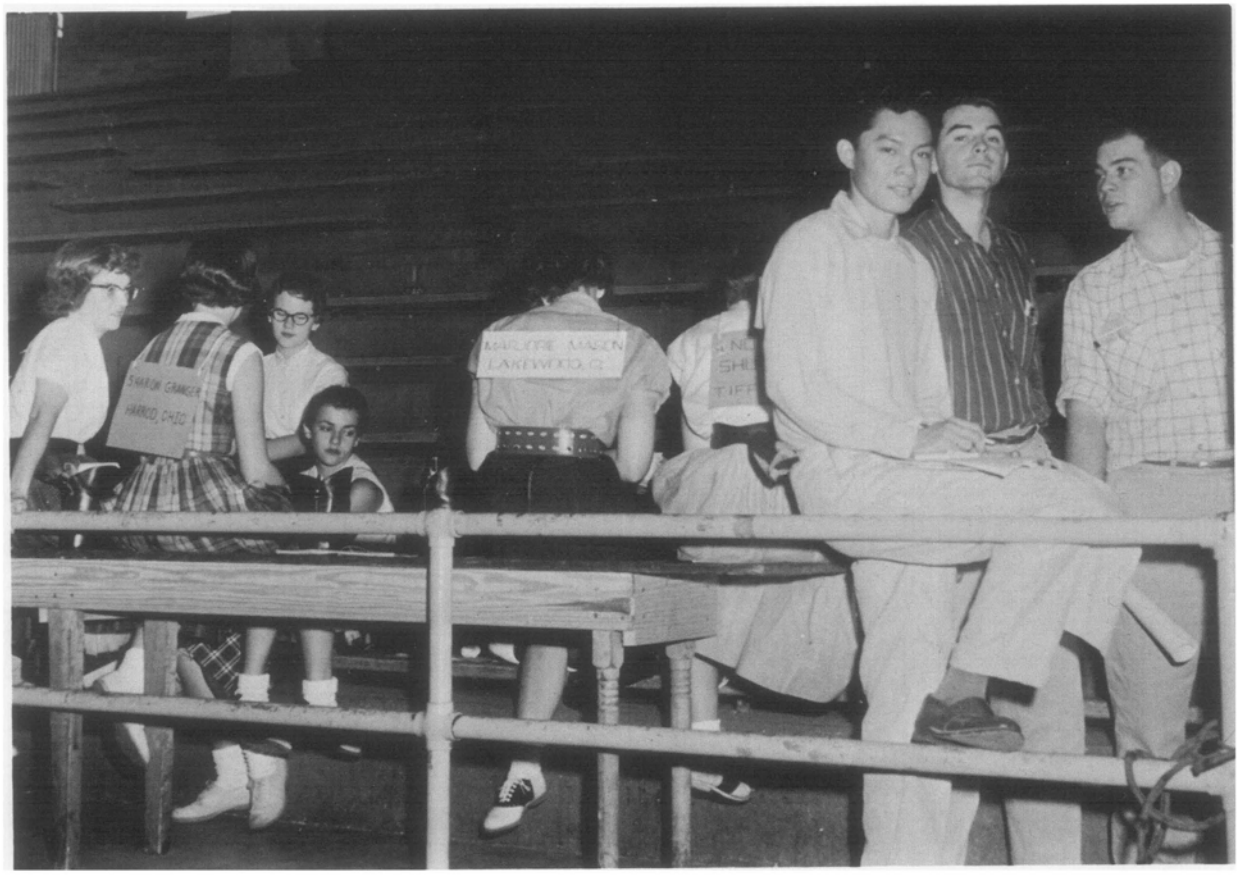

Another year has

fleetingly passed . . .

yet a great amounf

of personal experience

has been gained . . .

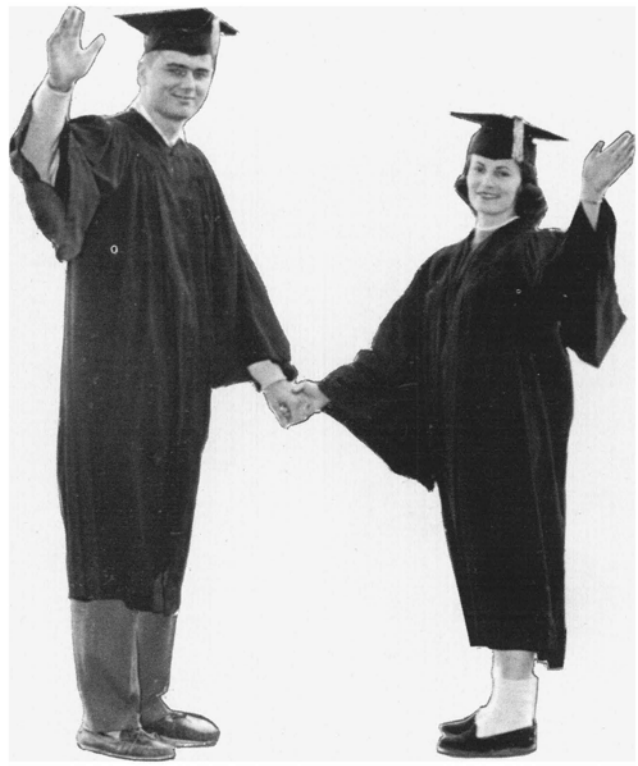

Weary freshmen wait in line as they register for their fall quarter classes.

As winter quarter closes, a weary student packs up her bulky wool garments and heads home.

In looking back . . .
perhaps for the last
fime . . . memories
recall fhe working,
studying, laughing . . . fhe

Perhaps she's dreaming about the week-end ahead. . . mentally planning out the day's activities . . . gazingly sightseeing in Paris or Rome . . . but whafever she's dreaming . . . her fhoughts are all her own.

A relaxing evening by the fireside
brings back many memories . . . memories
which recall a differenf menfal picture
to each person's mind. . . yef fhe
thought is similar. . . soon we'll be
leaving . . . but we'll never forget.

Administration and Colleges

DENT

C. E. Wintringham, A.B., S.T.B.
Vice President, Director of Public Relations

Vice President, Reverend C. E. Wintringham, serves as director of public relations and supervises the publication of all bulletins and catalogs designed for public information. He is Director of Campus Religious Activities and is chairman of the Religious Council. He also serves on the administrative committee and when called upon, acts for the President. All his work maintains close cooperation between the University and the Methodist Church. It is not uncommon to see him with a camera in his hand, for his "hobby" fits in very well with his job.

Administration Works for Faculty and Students

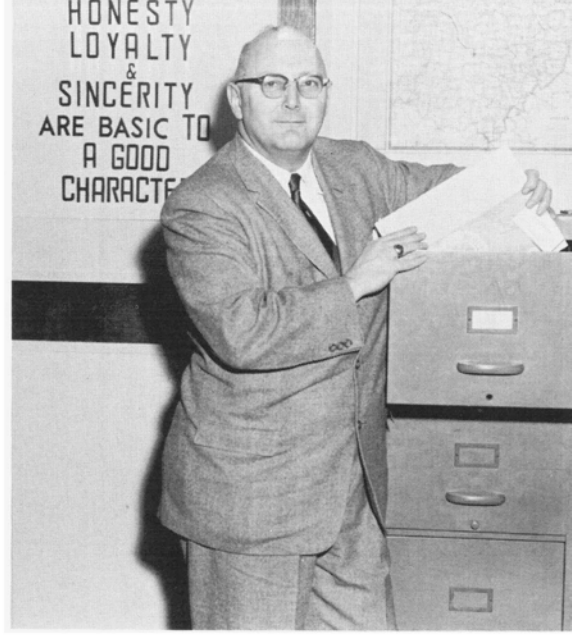

Hildred B. Jones, A.B., A.M., Ph.D.
Dean of the University

Dean Jones coordinates the curriculum and program of the various colleges and the university, and conducts an orientation program for all new faculty members. He oversees the administrative program and such matters as scholarships, grants, loans, warning and probation, or dismissal from the university.

ADMINISTRATION

Mr. Martin is treasurer and Business Manager of the University. He is responsible for the collecting and the proper caring of the income of the school, the University budget, purchasing for every department of the school, and paying of all properly authorized bills. He is also in charge of the maintenance department.

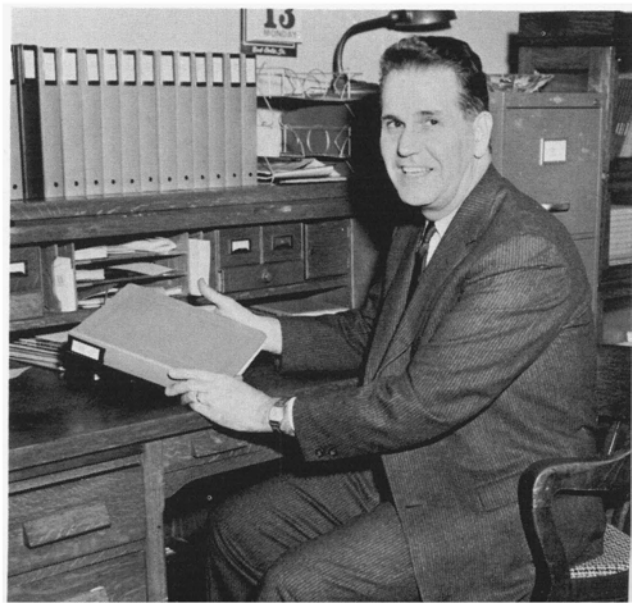

Kenneth F. Martin, B.S., A.M.
Treasurer and Business Manager

James Andrew Woofter, A.B., A.M., Ed.D.
Registrar

Dr. James A. Woofter, Registrar, keeps permanent records of all academic matters, examines qualifications of all students requesting admission to the university, directs the program of the registering of students in classes, and recommends the credentials of all candidates for graduation.

Grover B. Wickenden, B.A., B.D.
Dean of Students

The Dean of Students office handles all details of student personnel. In addition to counselor, the Dean acts as advisor in various campus functions and campus organizations. He is also a member of the Administrative committee, where individual concerns are immediately considered.

The librarians spend many hours facilitating reference work for students of the University. They are on duty at all times to check books in and out and help students in finding information for various assignments.

Genevieve Wheelock, **B.A.,** B.S.L.S.
Head Librarian; Leta Jump, B.S., A.B., A.M., *Assistant Librarian.*

James Dial and Ralph McFarland
Admissions Counsellors

As Admissions Counsellors, Mr. McFarland and Mr. Dial work directly under the Dean of the University. They inform prospective students of the programs of education offered by Ohio Northern. They endeavor to encourage those applicants which they feel can meet the standards of the University both academically and otherwise.

The Director of the Evening Division also works directly under the Dean of the University. His job entails conducting a well-rounded evening program which will provide an opportunity for people who are unable to attend college during the regular session to further their education.

William D. Humphrey
Director of Evening Division

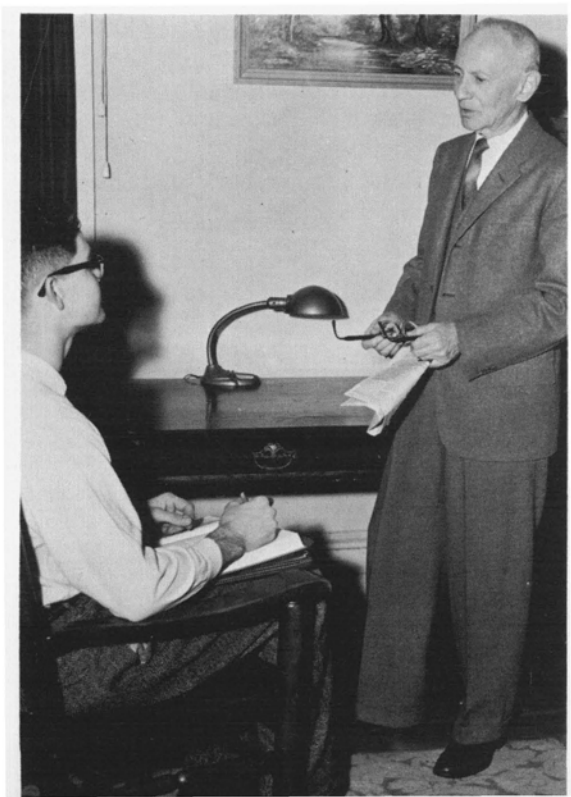

Mr. Schertzer, alumni secretary, is associated with the National Alumni Association of Ohio Northern University and the University administration. The duties of the office are in these major areas: the editing of all alumni publications, the executive officer of the Alumni Loyalty Fund program and the liason person between the Alumni groups and the University.

George W. Shertzer
Alumni Secretary

As the Assistant Dean of Students and Counsellor of Women, Dean Davis is concerned with the welfare of the girls on the campus. The social calendar is also under the authority of Dean Davis, and all campus activities must have dates cleared through her office. The success of this office depends upon the part that each student plays.

Elma Grant Davis, **B.A., M.A.**
Assistant Dean of Students and Counsellor of Women

The Counseling of Freshmen Men is one of the important duties of Dr. Games. Regular meetings with the freshmen regarding their problems of college life and personal life are his concern. Dr. Games makes an earnest endeavor to find solutions to these problems, thus making the freshmen's first year at the college a successful and an enjoyable one.

Otis Games, **A.B., A.M., D. Ped.**
Counsellor of Freshman Men

LIBERAL ARTS COLLEGE

The college of Liberal Arts offers its students a selection among twenty-two major fields preparing them for positions in the sciences, government, teaching, business; for graduate work and professional education.

A well rounded, liberal education with stress on moral and spiritual values is designed to develop in the student poise and perspective with which to meet and evaluate life situations; to fit him for responsible citizenship; to give him a scholarly foundation for further study or professional training; and to afford him a rich and full personal life. These ideas represent the careful thought and planning of many interested persons, both faculty and student. It becomes better equipped each year and exhibits many aids to learning, such as the Heterick Library, Schoonover Laboratory, workshops, and various other labs. It represents the oldest college on the campus, and an ever growing one.

Oscar G. Darlington, **A.B., A.M.,** Ph.D., Dean, College of Liberal Arts

Art

The art department under the head of Mrs. Hazel Yonkman strives to develop within the student an appreciation of the fine arts. Students in the education department take courses in art to enable them to teach art in their classrooms. This introduction to the techniques involved with the media used in creative expression serves to accomplish the purpose of this department.

Hazel M. Younkman, Assistant Professor of Art

Biology

The aims of the Biology Department are to enable the student to understand better the living world of which he is a part, to prepare for the teaching field, to obtain a biological foundation for the study of medicine, dentistry, nursing, and other professional courses requiring a knowledge of biology, and to qualify for admission to graduate work. Besides serving the students of the Liberal Arts College, members of the pharmacy school also are able to use the facilities.

Robert Bowden, Associate Professor of Biology; Richard F. Pannabecker, Assistant Professor of Biology; Roy E. Snyder, Assistant Professor of Biology; Judy Fisher, Laboratory Assistant; Andrew Stauffer, Acting Chairman and Professor of Biology; Paul E. Moody, Jr., Assistant Professor of Biology.

Oscar W. Cooley, Acting Chairman, Department of Economics and Business Administration, Assistant Professor of Economics; Mrs. Harriette Ritz, Assoicate Professor of Business Education.

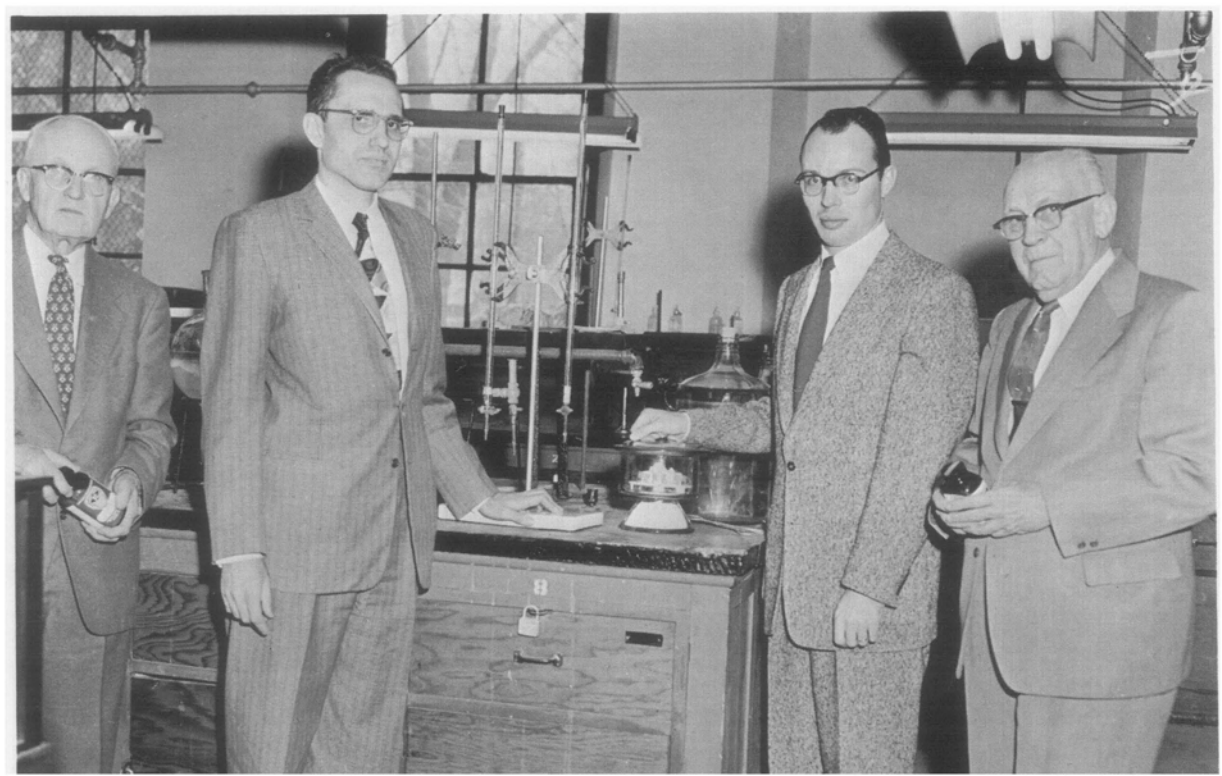

Economics And Business Administration

The aim of this department is to develop a basic understanding of the market economy and to provide an opportunity to learn the fundamental techniques of business administration.

Chemistry

The objective of this department is to give thorough instruction in the fundamental principles and techniques of the science of chemistry, to give adequate preparation for those students who wish to do graduate study in chemistry, to give an introduction to and an appreciation of a natural science to liberal arts students in any field. Because chemistry is becoming a great factor in our everyday life, and there is an increasing demand for chemists, chemistry majors are becoming more numerous on the campus.

Dr. David L. Randall, Professor of Chemistry; Dr. Walter E. Conrad, Associate Professor of Chemistry; Dr. David F. Wright, Assistant Professor of Chemistry; Carl A. Olson, Associate Professor of Chemistry.

First Row: Dr. A. Louise Hastings, Associate Professor of English; Miss Frances Bennett, Assistant Professor of English; Miss Mabel Crawford, Instructor in English. *Second Row:* Craig C. Jackson, Instructor in English; Allen W. Higgins, Instructor in English; Robert P. Price, Acting Chairman, Department of English, Associate Professor of English; Doyle R. Smith, Instructor in Drama and Speech; John Sabol, Instructor in Speech.

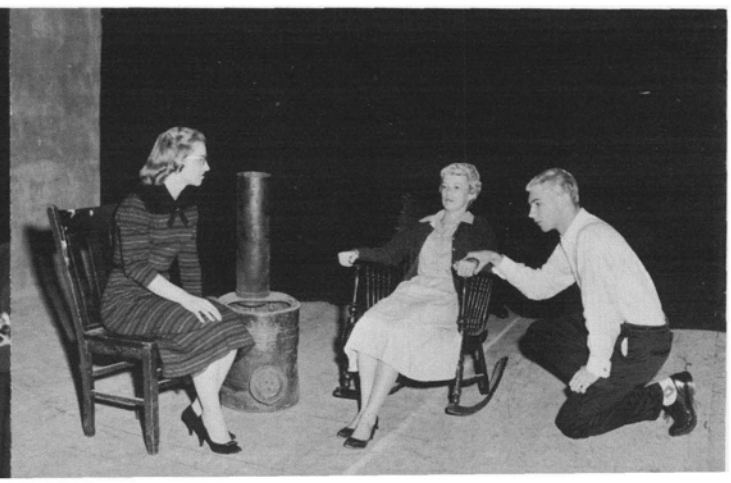

English, Speech, and Theatre

The department of English, Speech, and Theatre in its three fields of concentration has five objectives which it strives to accomplish. Courses are thus designed (1) to develop the student's skill in writing and in oral communication so that he may express his ideas clearly and effectively and thus better participate as an active member in a democratic community; **(2)** to give the student a knowledge of literature so that he may read with cirtical ability, understanding, and appreciation; **(3)** to give the student a fundamental knowledge and understanding of the nature of language; **(4)** to provide the opportunity for the student to experience a variety of speech and theatre activities which may make a direct contribution to satisfactory living.

Students of English, Speech, and Theatre find the Dictionary a valuable aid. Dale Baker is seen taking advantage of this aid.

Ann Jenkins, Rebecca Pancake, and Ronald Powers, demonstrate their proficiency in these fields.

Education

Dr. Carroll D. Champlin, Visiting Professor of Religion and Philosophy; Dr. Hildred B. Jones, Professor of Education; Miss Zola D. Jacobs, Assistant Professor of Education; Dr. Katie Lou Hanson, Professor of Education; Miss Spears, Assistant Professor of Education; Dr. Walter A. Zaugg, Professor of Education.

Seated: Miss Crawford, Mrs. Pothier, Assistant Director of Schoonover Laboratory; Dr. M. F. Mathias Schmitz, head of the department, Professor of Foreign Languages; R. Huffman, Student Manager of Schoonover Laboratory; Miss N. D. Wood, Associate Professor of Foreign Languages; J. Valore, assistant in lab. *Standing:* D. Funk, assistant in lab; R. Grumm, technical assistant.

History and

The aim of the department of history and political science is to guide students in studying the growth of society, the history of various countries, government problems and recent American History. Since our world is growing more and more concerned with the past and future of other nations a good background in history and political science is essential for citizenship.

Throughout the past few years and especially now, there has .been a greater demand for teachers. With this thought in mind the department of education has tried to demonstrate that education is an up and coming profession. The education students study both the methods and principles of education and spend one quarter practice teaching to gain actual experience 'in the field.

Foreign Languages

The language department provides instruction in German, Spanish, French, Italian, and Russian. The value of knowing foreign languages and literatures is to cultivate a greater breadth and comprehensiveness of thought, to arrive at a more thorough understanding of a foreign culture, and to lead to a deeper knowledge of the English language and the American cultural heritage. Also to help students is Schoonover Laboratory which facilitates pronunciation and appreciation through the tape recording mechanism.

Dr. Robert H. Hilliard, Professor of History; Boyd M. Sobers, Instructor in History; Dr. Wilfred E. Binkley, Chairman, Professor of History and Political Science; Dr. Oscar G. Darlington, Dean, College of Liberal Arts, Director, Summer School, Professor of History; Dr. Edgar L. Gray, Associate Professor of History and Political Science; (Not Pictured) Dr. Anthony L. Milnar, Associate Professor of History and Political Science.

Political Science

Industrial Arts

The Department of Industrial Arts offers courses for all students in the University and especially for those interested in becoming teachers of industrial subjects in the public schools, those students interested in preparing for industrial vocations and engineering.

Herbert L. Harris, Instructor in Industrial Arts; Richard D. Kain, Acting Chairman, Department of Industrial Arts, Assistant Professor of Industrial Arts.

Dr. Wilson Lee Miser, Professor of Mathematics; Frank W. Lane, Associate Professor of Mathematics; Dr. Harry Langman, Chairman, Professor of Mathematics; Mrs. Miser, Instructor of Mathematics.

Mathematics

The aim of this Department is to offer courses primarily as part of a liberal education, as requirements for Engineering students and for prospective graduate students in Mathematics and Physics. In all courses the theory developed is followed by application to exercises and practical problems when possible.

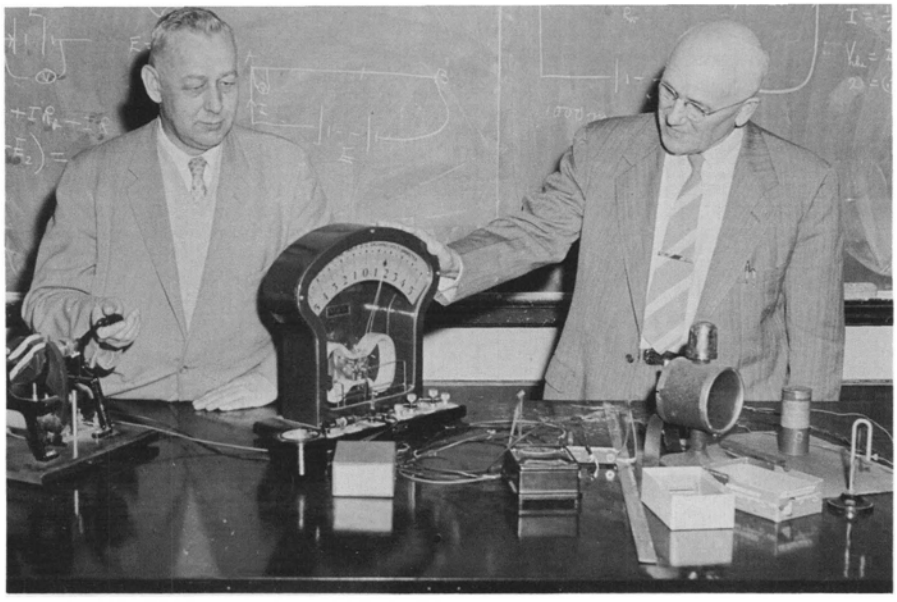

Dr. George S. Barber, Associate Professor of English; Frank A. Jackson, Instructor in Music; Dr. Karl A. Roider, Chairman, Department of Music, Professor of Music.

Music

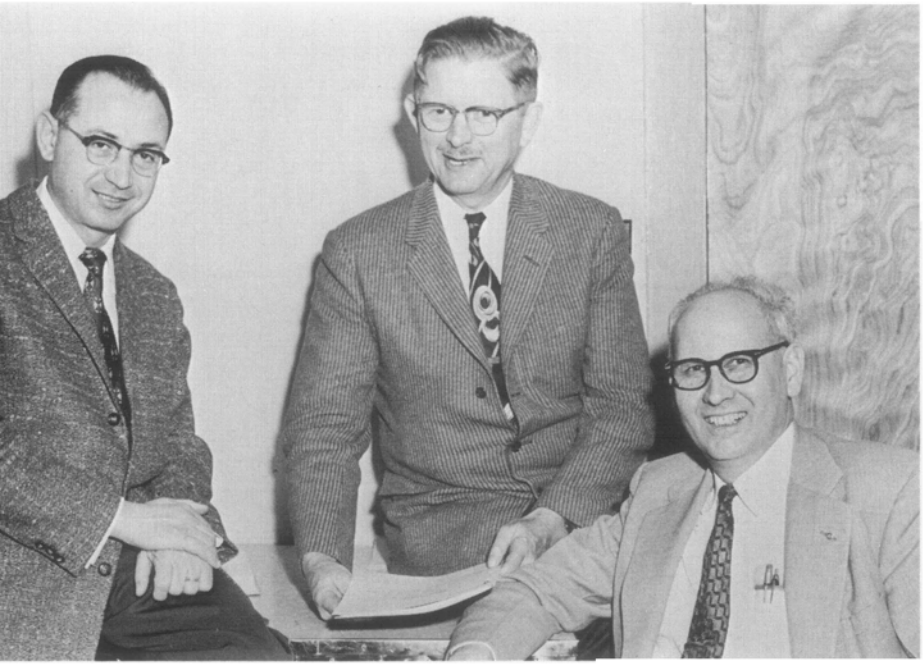

The Music Department of Ohio Northern University contributes a great deal to the life of the campus. Instruction is provided for those who desire to become teachers and supervisors of Music, and an opportunity is afforded to those who wish to devote themselves to the literature of music, and those who desire a background in choosing music as a profession.

Physics

The primary aim of the Physics Department is to offer courses that will stimulate scientific thought, train the student to reason from fundamental experimental facts, further the student's desire to continue scientific investigation, and meet the needs of those students who are interested in physics for its cultural or its vocational value. Emphasis is placed on clear concepts, accurate thinking, and the complementary nature of experiment and theory.

Ernests Abele, Associate Professor of Physics; A. A. Benedict, Professor of Physics, Chairman, Department of Physics.

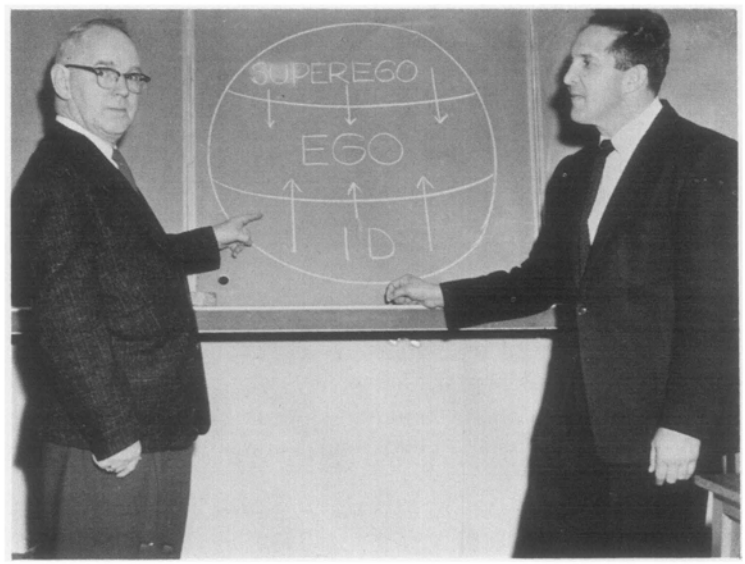

Alexander N. Tsambassis, Assistant Professor of Philosophy and Religion; Marion E. Tinsler, Chairman, Department of Philosophy and Religion, Professor of Philosophy and Religion; Ivan C. Hodges, Instructor in Philosophy and Religion.

Philosophy And Religion

In the religion courses the historical approach to the study of religion is used, presenting to the students the figures of Bible History and Religion as real people in real life situations, facing real problems and finding real solutions through their religious insights.

Psychology and sociology

The purpose of this Department is to give its students an understanding of human relationships, institutions, and social processes; to familiarize them with the nature and causes of social problems; to acquaint them with the facts and laws of behavior and mental life, primarily of man; to enable its students to develop wholesome personalities and to make adequate social adjustments; and to give the students deeper insight into the requirements of intelligent citizenship and useful participation in community life.

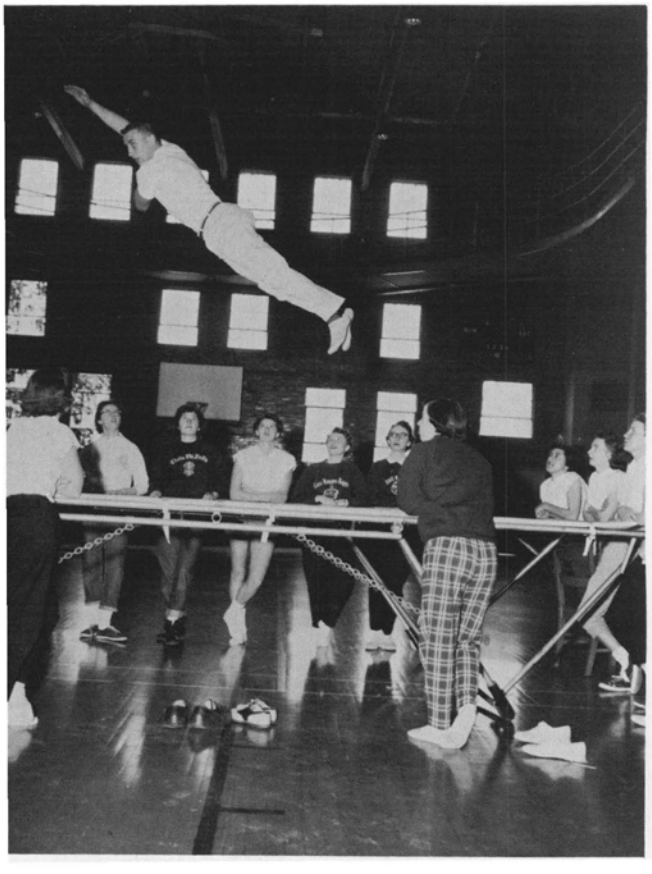

Dr. David H. Markle, Chairman, Department of Sociology and Psychology, Professor of Sociology; Louis A. Barker, Assistant Professor of Psychology.

Physical Educafion

Some form of physical activity is required of all students during their first two years in the University. The nature and amount of work to be taken depends upon physical condition as revealed by a careful examination and by efficiency tests given at the beginning of the school year. A varied program of elective and required activities is provided, which aims to secure and maintain the highest degree of individual and social efficiencyboth during and after college life.

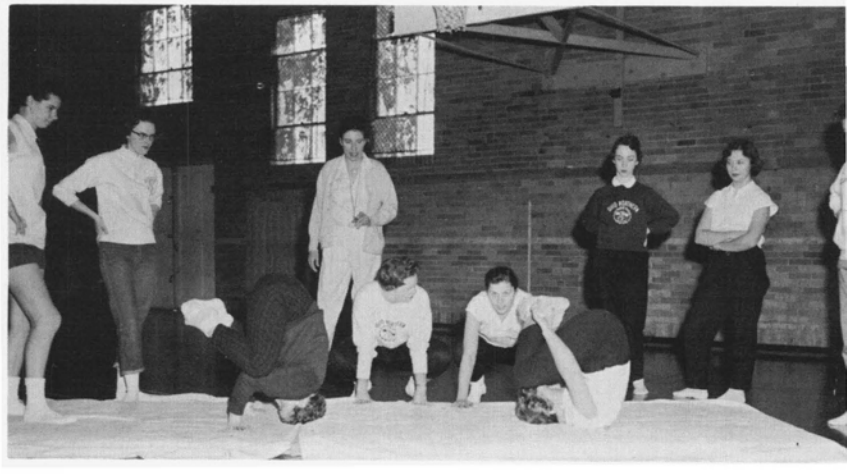

Mrs. Mozelle Pickerinp, Instructor in Physical Education; Clyde A. Lamb, Chairman, Department of Physical Education, Professor of Physical Education; Marvin English, Associate Professor of Physical Education; John D. Nettleton, Assistant Professor of Physical Education.

Don Sanderson, a senior in physical education, teaches trampoline to women's physical education classes for advanced credit.

Mrs. Pickering teaches some elementary steps of tumbling, building up to the head stand and the backward roll, as a basis for trampoline.

LAW COLLEGE

The College of Law is a highly traditional school of the University. It is accredited by the American Bar Association and holds membership in the League of Ohio Law Schools.

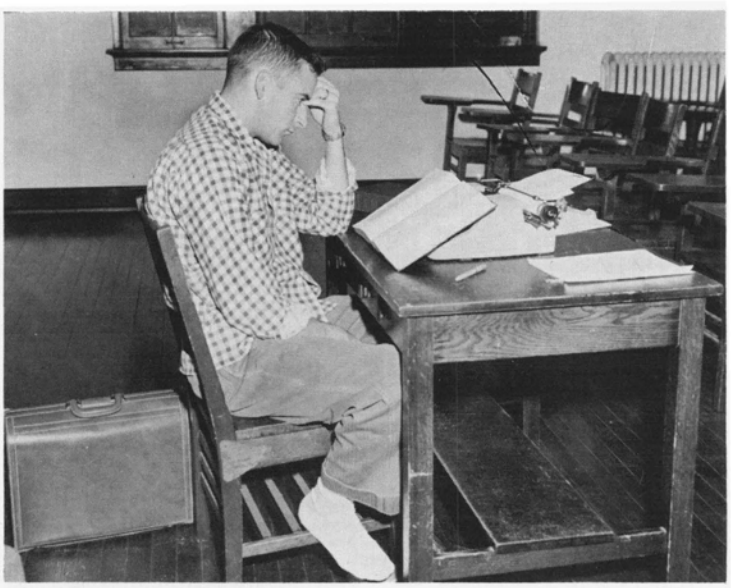

In training students for the practice of law, the College of Law has four chief objectives. One is to inculcate the principles of legal ethics and of the lawyer's public responsibility, so that the student, as a lawyer, may be worthy to take his place as a trusted leader and counselor in his community. Another is to inculcate a systematic and complete grounding in the history and fundamental principles of the common law and statute law including the more important statues and decided cases of Ohio. The third is to develop proficiency in the application of the principles of law to the complicated relations, rights and duties arising in modern society through the training of the powers of analysis, discernment and judgment. And last is to show the place, importance, and aims of the law in society.

Stephen R. Curtis, Dean, College of Law.

Don Pennewitt, Professor Smith, Assistant Professor Fetters, and Robert Beam stage a Courtroom scene.

Law student, Don Pennewitt, seeks the quietude of an empty classroom to relax and study.

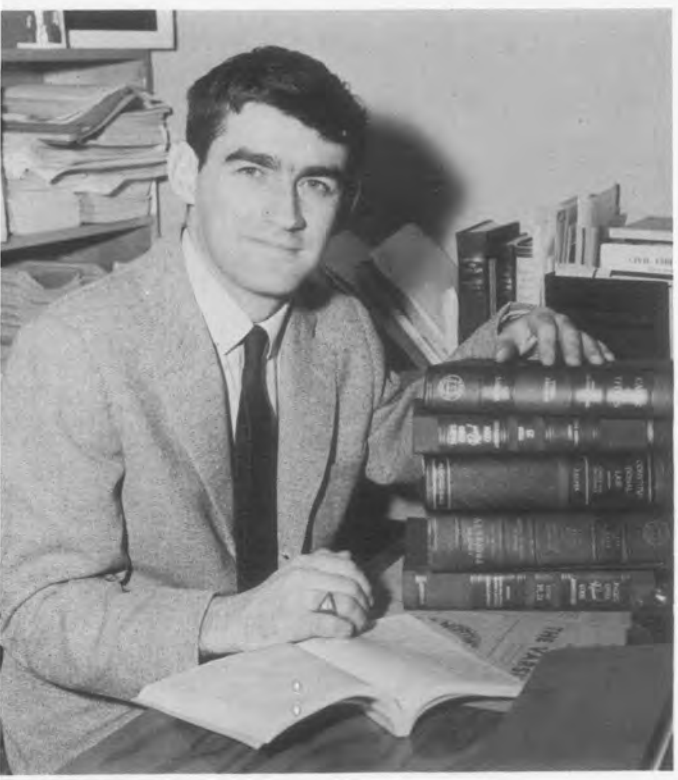

Mrs. Stephen Curtis, secretary to the dean.

The College of Law of Ohio Northern University counts among its graduates many successful lawyers and lawmakers of Ohio and the nation. It presents well prepared candidates for the bar examination with better than average records.

The college offers a three year course leading to a Bachelor of Laws degree, and though its students for the most part represent other colleges in preliminary arts education the pre-legal program of the college of liberal arts is closely correlated with that of the law school.

Eugene H. Hanson, Professor of Law.

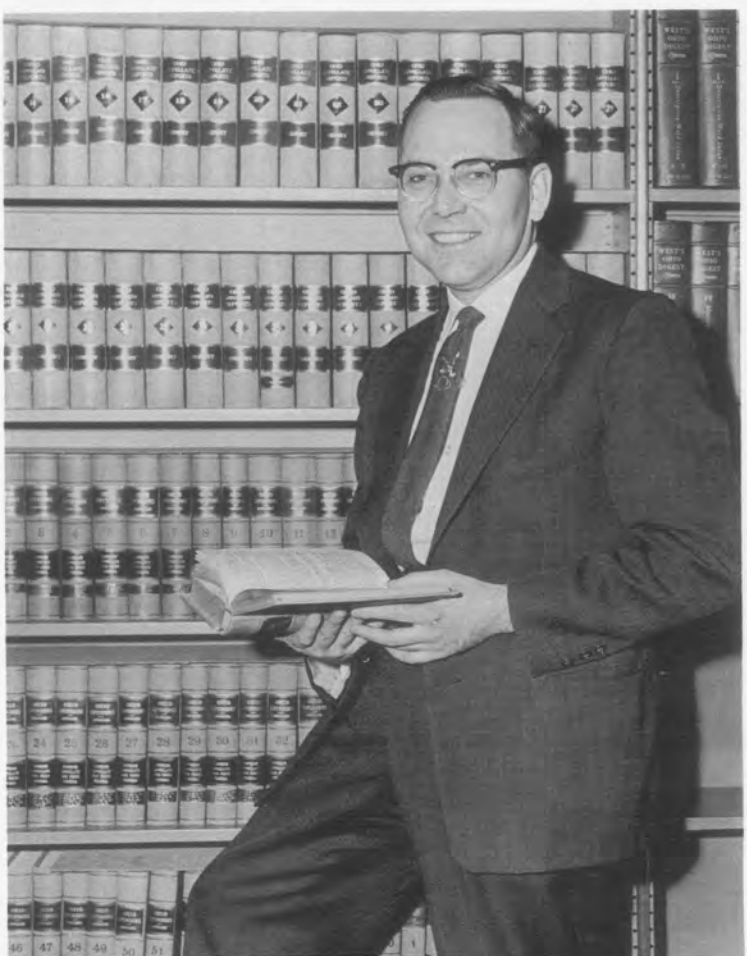

George M. Joseph, Instructor in Law.

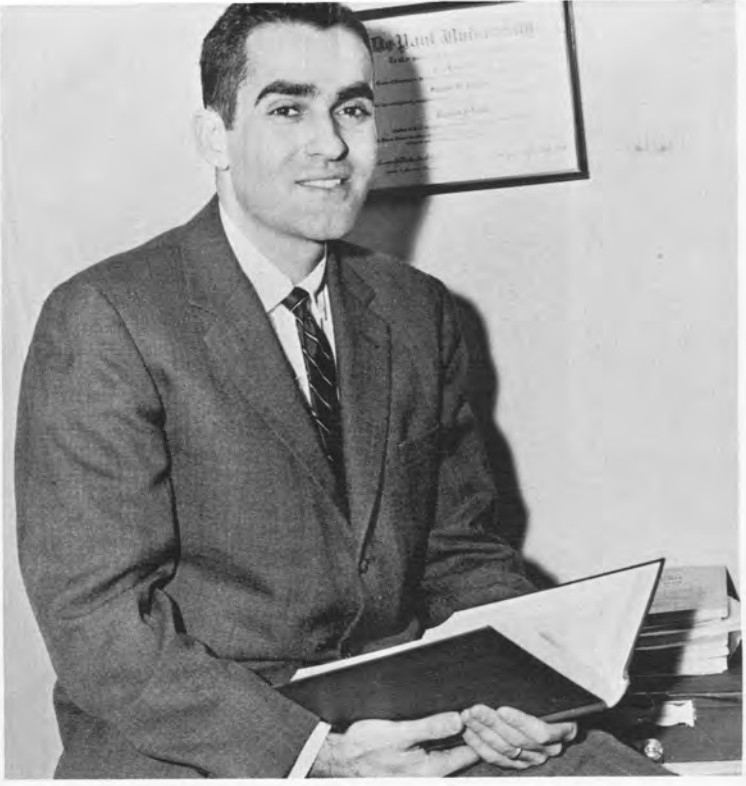

To date, some 2550 successful barristers have graduated from this college. These have gone on to the law practice, but many of them have also entered politics and government and achieved distinction in their chosen fields.

Although the glory of the College of Law has been great in the past, it can only be assured continued success by preparing capable and well qualified graduates for the future. The law graduates hold the responsibility to provide the distinguished senators, governors and lawyers of the future.

College

Vincent C. Immel, Associate Professor of Law.

Samuel M. Fetters, Assistant Professor of Law.

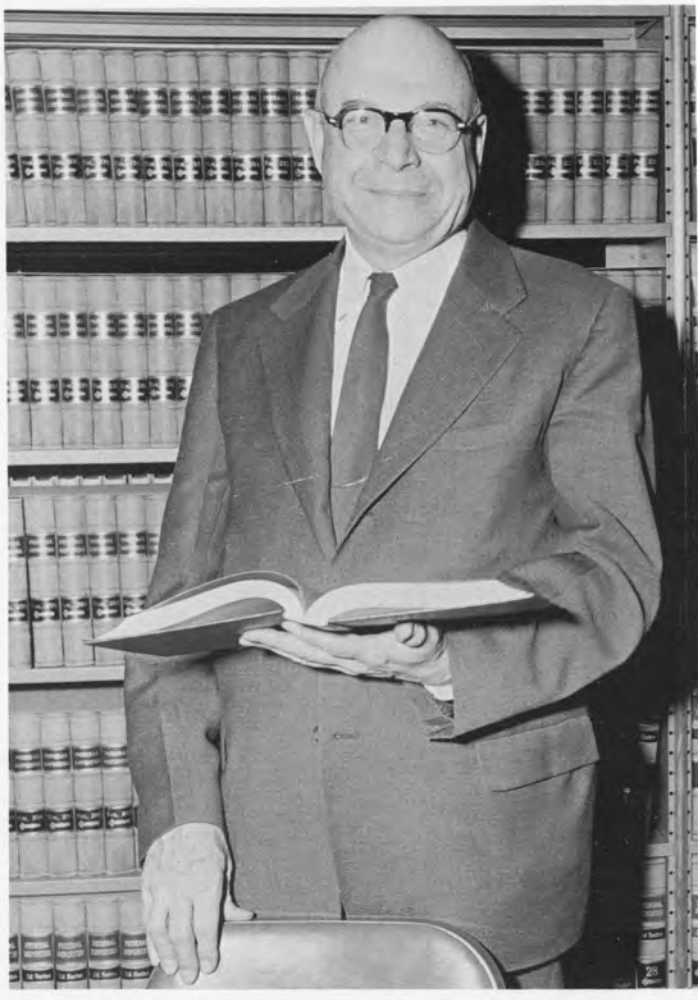

of Law

Albert Baillis, Assistant Professor of Law.

Memorial Law Library

The Law Library draws much of its support from a permanent endowment established in memory of the late Jay P. Taggart, one-time Dean of the College and long-time trustee of Ohio Northern. It is up-to-date, modern, and well selected. The material included in the Library complies with law library requirements of the American Bar Association.

E. Vergon Smith, Professor of Law and Law Librarian.

It contains the reports of the courts of last resort of the State, the United States Supreme Court reports, the Federal reports, the Reporter System, a complete set of English reports, the more important series of standard text books, leading legal periodicals, digests, the leading encyclopedias of law, and other works of reference. The Library is accessible each week day, the students being allowed free access to the books.

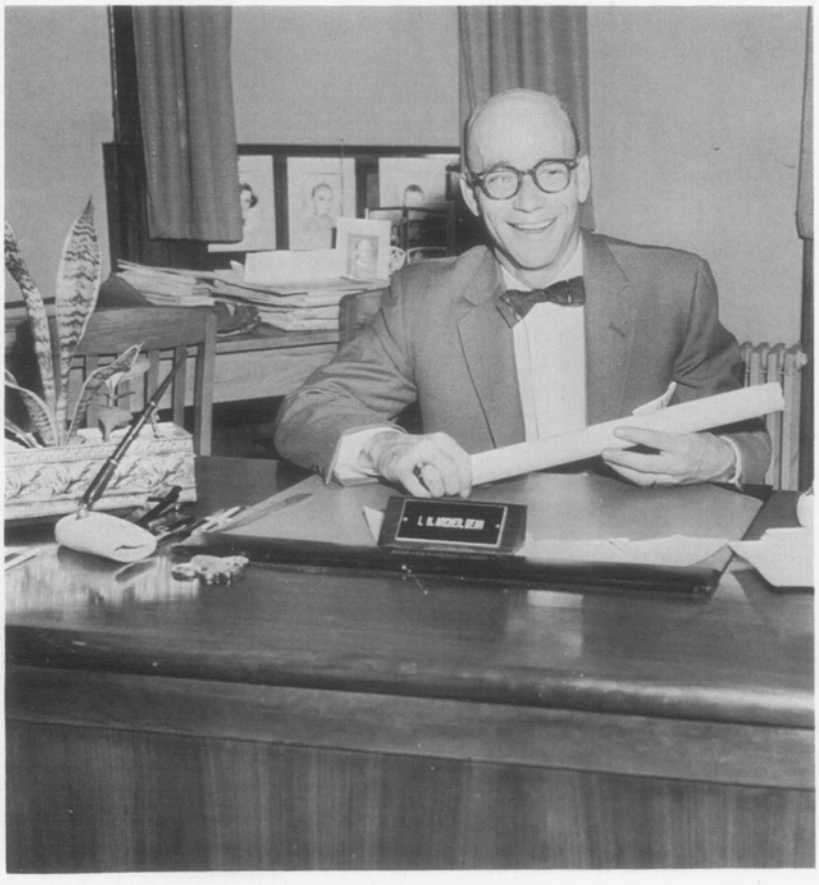

ENGINEERING COLLEGE

The College of Engineering of Ohio Northern University is on the list of approved engineering colleges of the Ohio State Board of Registration for Professional Engineers and Surveyors. All of the departments, Civil Engineering, Electrical Engineering, and Mechanical Engineering, of the College are accredited by the Engineers' Council for Professional Development.

In keeping with the avowed purpose of Ohio Northern University, it is the aim of the College of Engineering to develop in the student a high standard of undergraduate proficiency in the areas of subject matter basic to all engineering together with such technical information and education in the essentials of his chosen branch of the profession as will enable him to meet the highest standards of professional performance and citizenship rightfully to be expected of the engineering graduate.

During the seventy-five years of its existence the College of Engineering of Ohio Northern University has had more than twenty-four hundred graduates.

Lawrence H. Archer, Dean, College of Engineering, Professor of Civil Engineering.

Civil Engineering

Although many of the former divisions have grown into separate departments, Civil Engineering offers greater opportunities than ever before. The Civil Engineer conceives, designs, and supervises the building of the projects, coordinating and utilizing all resources for all types of developments. He works in many broad fields of specialization such as: Structural Engineering, Surveying, Mapping, City Managing, Consultant in Engineering, etc.

The Department is supplied with high grade instruments and appliances necessary for the first class instruction and practice. The laboratories are well equipped, the drafting room large and modern, the scientific library excellent.

The Civil Engineering Department offers laboratory work in Testing Materials, Concrete, Soil Mechanics and Fluid Mechanics, as well as field work in Surveying.

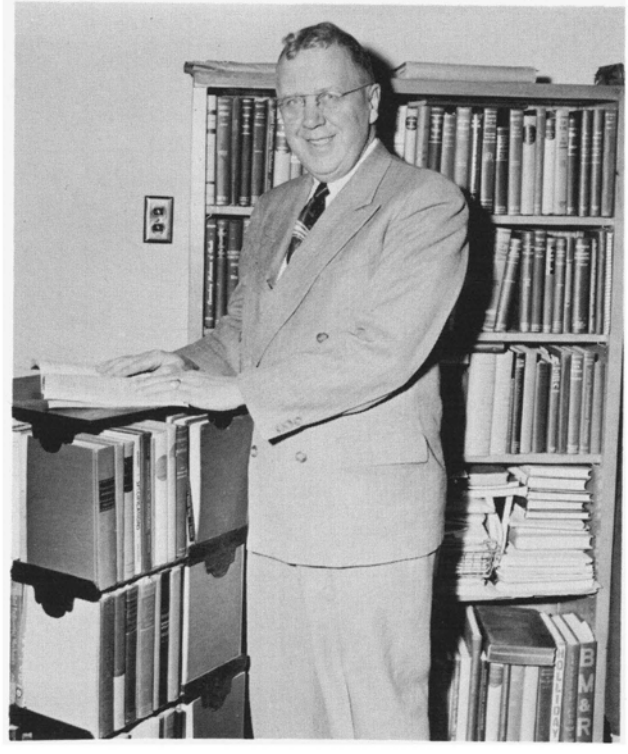

Ralph E. Lindsey, Assistant Professor of Civil Engineering, points out to students (top to bottom): Larry Ocker, Herb Miller, Frank Farrington, and George Rudd.

Alton D. Taylor, Professor of Civil Engineering, Head, Department of Civil Engineering.

The aim of this Department is to give the student a well-rounded engineering education and to instill within the student the idea of knowing how, knowing why, and doing the best engineering job possible for his client for the least amount of money, always abiding by the Code of Ethics of the Professional Engineer.

Matthew V. Pothier, Associate Professor of Civil Engineering.

Archi V. Hillery, Assistant Professor of Engineering Drawing; (Civil Engineering Department).

Mechanical Engineering

In all Civil and Military activities, the Mechanical Engineer is called upon to originate and apply new and useful equipment to human needs. The curriculum in Mechanical Engineering presents basic studies in machine design and the uses of energy that prepare the young engineer to enter a myriad of activities.

The policy of the Department is to stress the fundamental theories and methods in the use of materials, energy, and power. Basic courses in the Mechanic Arts, Mathematics, and Science are followed; on the one hand, by courses in mechanics of materials (Statics and Dynamics) and machine design; and, on the other hand, by courses in thermo-dynamics, heat power, turbomachines, and internal combustion engines, together with laboratory courses wherein the principles are demonstrated.

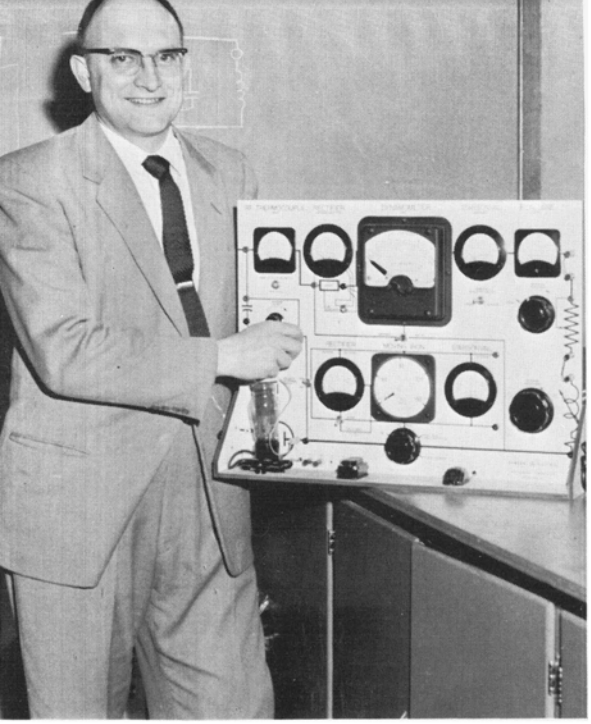

The laboratories are well equipped to supplement the classroom instruction in the fundamentals involving the uses of energy and power. They also provide instruction in the proper procedures and techniques in instrumentation, the development of test and research projects, as well as the development of accurate technical reporting.

Harold M. Jacklin, Professor of Mechanicel Engineering, Head, Department of Mechanical Engineering.

Norman F. Jennings, Assistant Professor of Head Engineering.

James L. Klingenberger, Associate Professor of Electrical Engineering, Head, Department of Electrical Engineering.

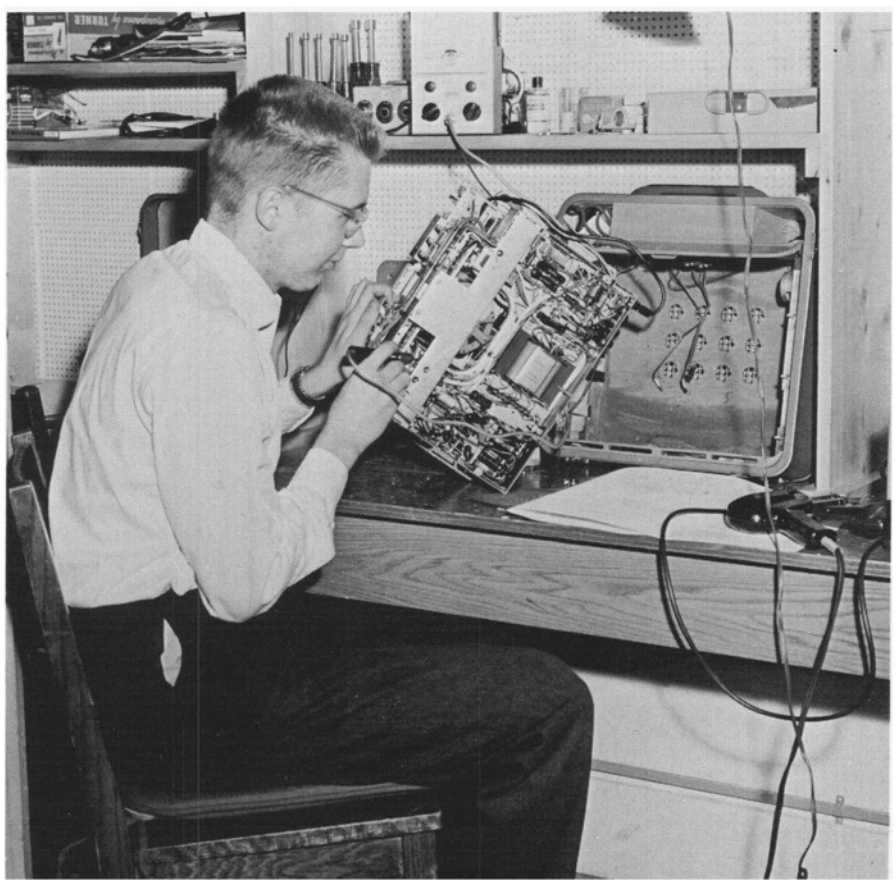

Carroll Alden, Professor of Electrical Engineering.

Electrical Engineering

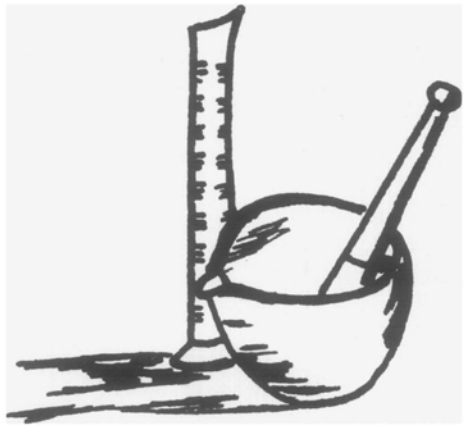

Electrical Engineering is that segment of engineering whose core is built around the science of electricity and magnetism. The science of electricity and magnetism treats of the laws governing the generation, transmission, and utilization of electrical energy in either very large or minute amounts for useful purposes. Among others, the applications may take the form of radio, telephone, telegraph, television, radar, sonar, electric computers, electric control, heating, lighting, and versatile, development of mechanical motion.

The Electrical Engineering curriculum is arranged in a manner to offer a coordinated program of study whereby the student may obtain both a mental understanding and scientific working habits which will enable him to embark upon a successful professional career.

Richard Grumm, a student in Electrical Engineering puts his knowledge to practical use.

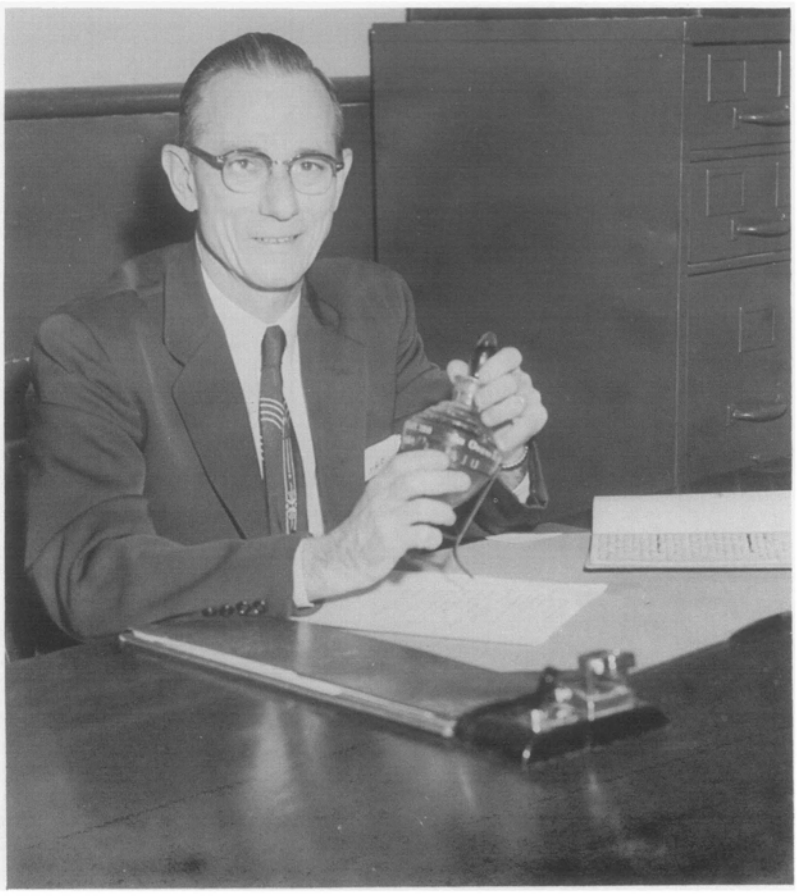

PHARMACY COLLEGE

The College of Pharmacy is an accredited college holding membership in the American Association of Colleges of Pharmacy. The College of Pharmacy proposes the following among its aims and purposes: to prepare its students so that they will be able to meet satisfactorily the professional and cultural demands expected of pharmacists, and to carry their share of the responsibility of public health, welfare, and education in their respective communities.

Moreover, the students of the college are entreated to develop self-reliance, character, and ethics to the end that they will, with confidence and satisfaction, render safe and efficient pharmaceutical service to all who seek it.

Furthermore, they are made acquainted with the need for and value of membership in the local, state, and national pharmaceutical associations and in civic, social and religious bodies of the cummunities in which they live. As students, they are urged also to affiliate with the student branch of the American Pharmaceutical Association and other groups that promote worthwhile activities on the campus.

Dr. Albert C. Smith, Dean, College of Pharmacy.

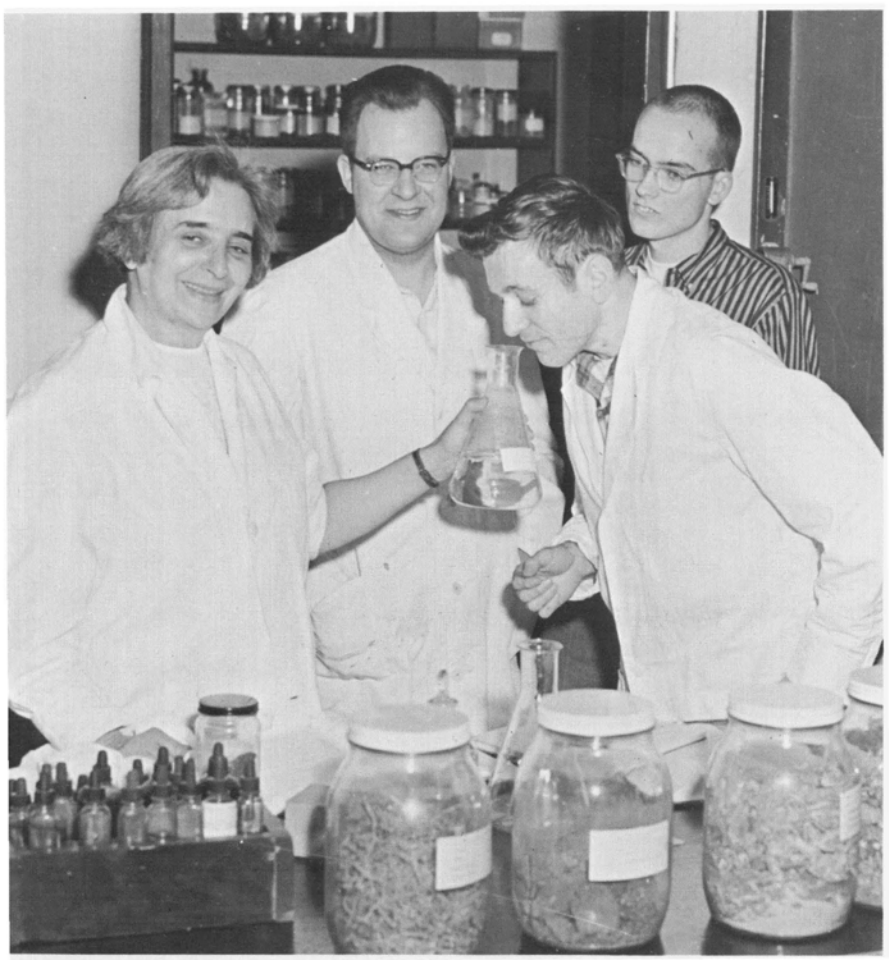

College of Pharmacy Maintains "A" Rating

The Ohio Northern University College of Pharmacy maintains its "A" rating as accredited by the American Council of Pharmaceutical Education. The College also has an active student chapter of the American Pharmaceutical Association which publishes the "Ampul."

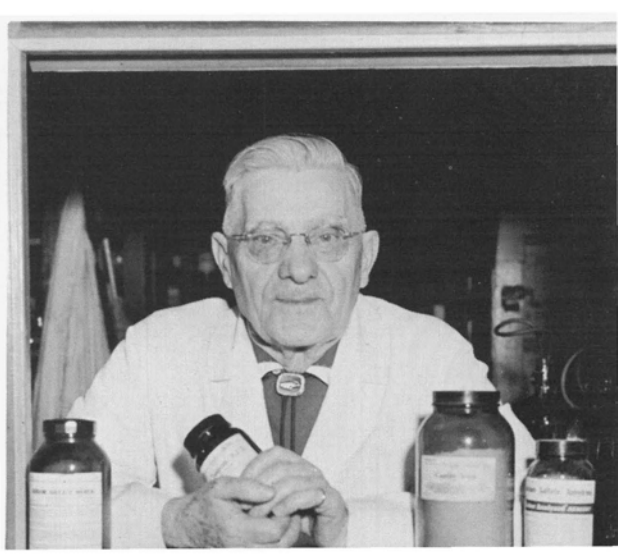

In 1960 the College will join the national plan of a five-year program instead of the present four-year program.

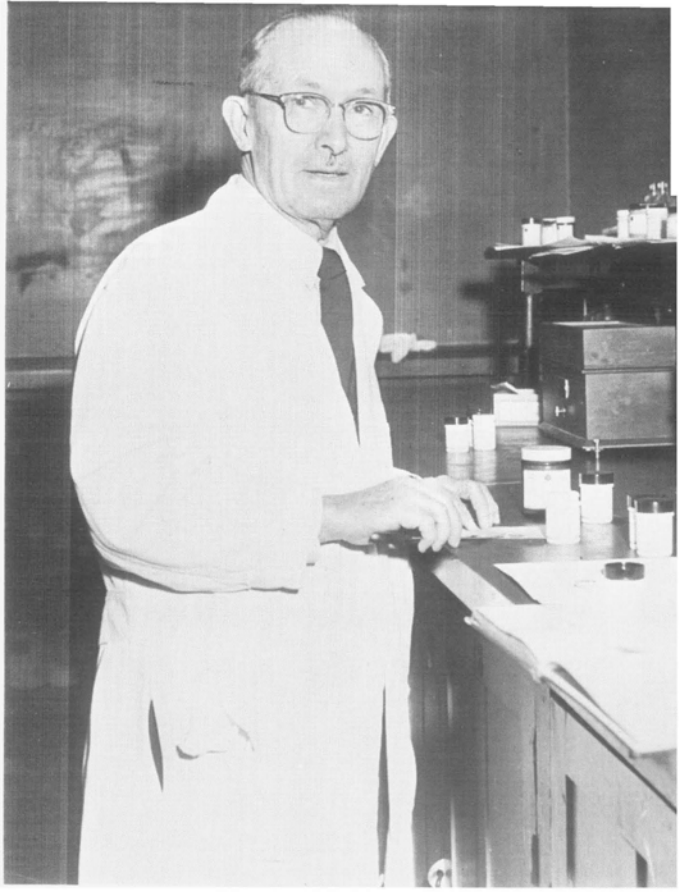

Janet Kuhn, a sophomore in pharmacy, demonstrates the use of the Microscope.

Dr. Anna Koffler, Professor of Pharmacognosy, assists Herman Knodt, Joel Zeichner, Jim Boylan.

A. Binkley, head of the stockroom of the pharmacy department.

Dr. C. O. Lee, Professor in Pharmacy.

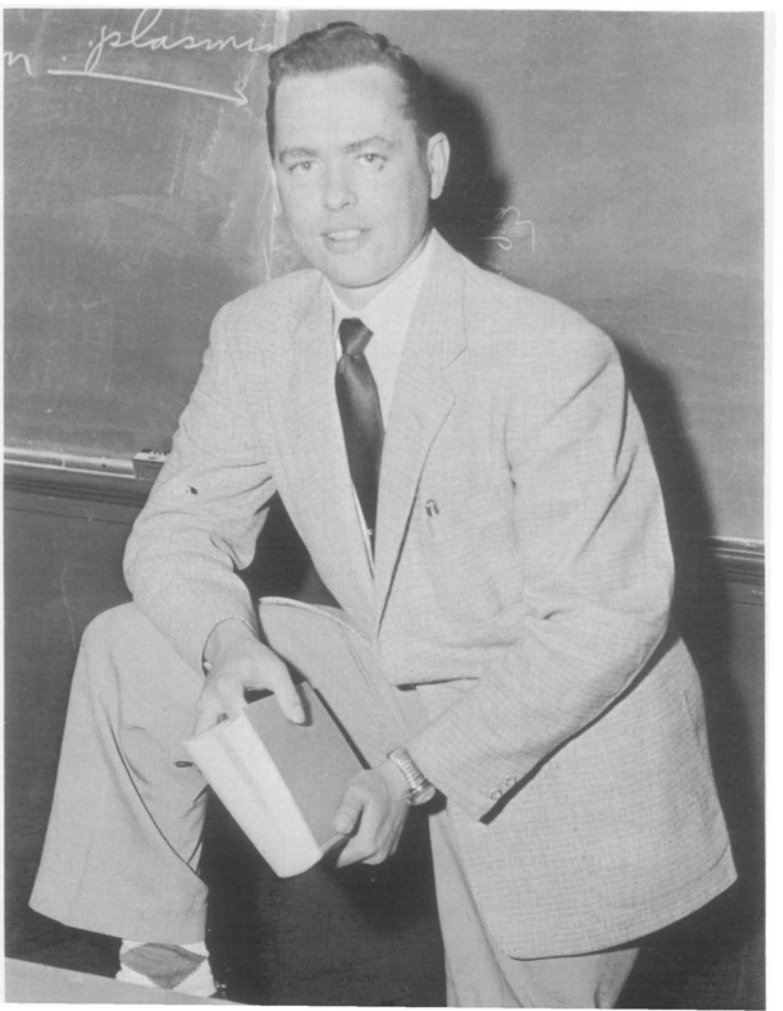

College of Pharmacy

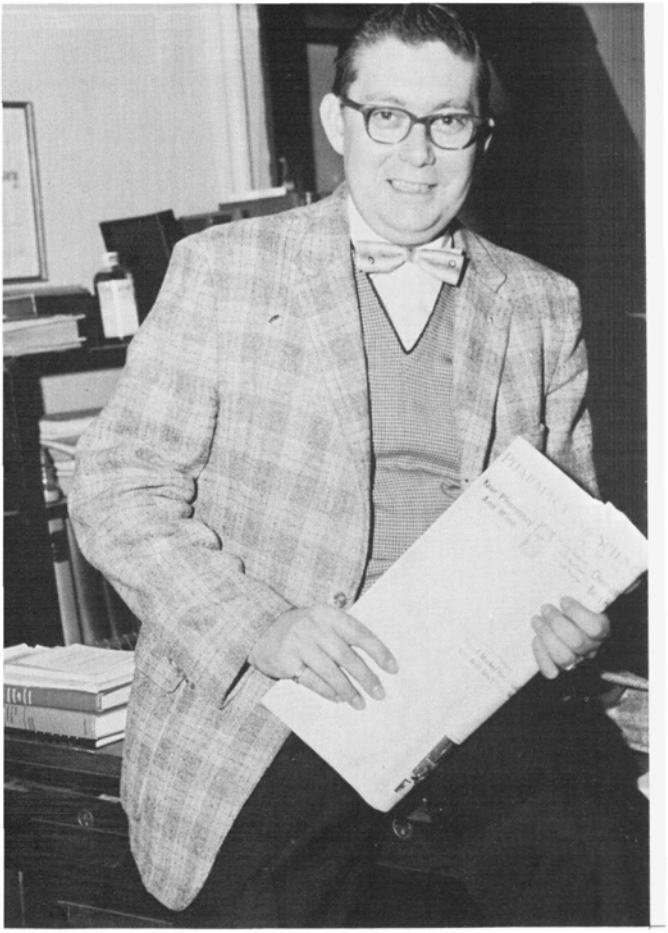

The College of Pharmacy began in 1885, when the catalogue for the year of 1885-86 announced the demand for the study of pharmacy, and the faculty established this as a distinct course. The college is now completing its 73rd year. Many an outstanding alumnus of the college has distinguished this health profession in this state and in the nation.

Pharmacy, one of the health sciences, is a difficult, exciting and exacting program, but in the last few years many young women have graduated from the college and joined the health profession.

Many of the "new" or "miracle" drugs are the results of knowledge gained in the colleges of pharmacy. Today drugs not only alleviate symptoms of disease or after-effects but are known to have curative properties. Students in our classrooms not only learn about these drugs but are taught to observe the nature and action of each so that they too will know about future drugs according to their basic structure and thus aid the doctor, dentist, and veterinarian in his needs in the future. Pharmacy graduates soon learn that the lessons learned in school are a value in the future. They are impressed with the thought that although they have taken the course in pharmacy, they must forever continue their studies and seek new knowledge.

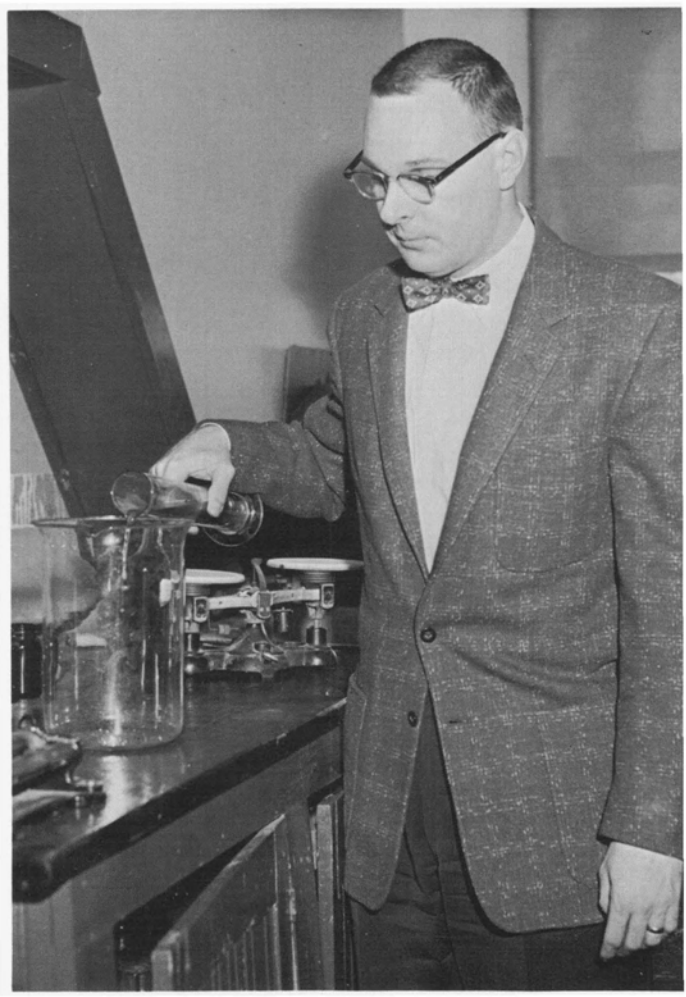

Dr. Barney C. Lepovetsky, Associate Professor of Bacteriology.

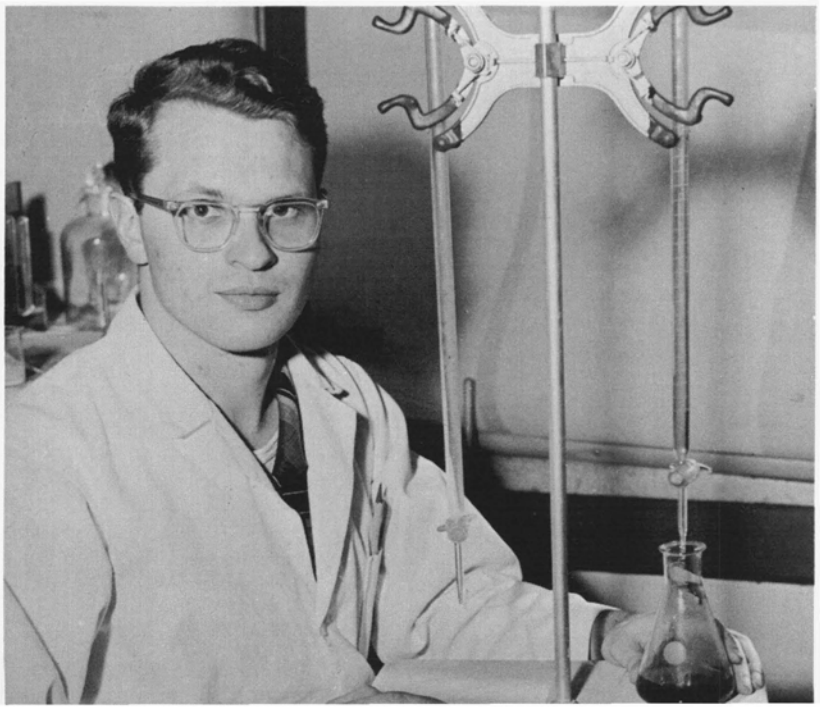

Lewis C. Benton, Instructor in Pharmacy Administration.

Dr. Oscar E. Araujo, Assistant Professor of Pharmacy.

College of Pharmacy

Dr. David S. Yoder, Assistant Professor of Pharmaceutical Chemistry.

Martha L. Miller, Secretary to the President.

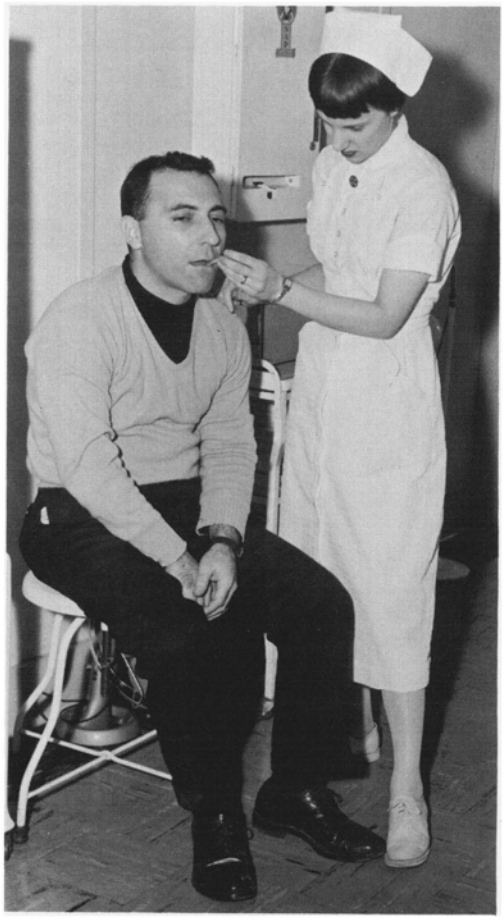

Mrs. Veda McFarland, Secretary to the Dean of the University.

Assistants . . .

Mrs. Phyllis Marshall	Secretary to the Dean of Pharmacy
Mrs. Mary Curtis	Secretary to the Dean of Law
Mrs. Jo Kindle	Secretary to the Dean of Engineering
Mrs. Ann Hampu	Secretary to the Dean of Engineering
Mrs. Clayton (Harriet) Stimmel	Head of the Mimeograph Room
Mrs. Marilyn Smith	Secretary of the Evening Division
Miss Judy McClure	Secretary in the Department of Education
Mrs. Alice Ludwig	Remington Rand
Mrs. Lydia Potter	Clerk in the Registrar's Office
Mrs. Marilyn Heckert	Secretary in the Admissions Office
Mrs. Charlotte Hottman	Secretary in the Admissions Office

Mrs. Barber, R.N. heads the health service of the University.

University Health Service

The University maintains a health service office. A duly qualified Registered Nurse is in charge of this office eight hours a day and is on call for all emergencies. The nurse also makes sick calls to the students' residences and sees that proper medical attention is given whenever necessary. Her office keeps a record of the physical condition of each student and provided instruction in personal health care.

Dr. Kramer, a resident physician, helps administer polio shots to Northern students. Jim Spahr, Barbara Hellwarth, and Pat Yehl are pictured.

Housemothers Make a Dormitory A "Home"

Mrs. Emma Meek, head resident, Lamont Hall; Mrs. May Howell, head resident, Moorman Annex; Miss Mary Ferguson, Lamont Hall; Mrs. "Mom" Maginnis, head resident Terrace Hall.

Cooks Prepare and Serve the Meals for 105 Girls

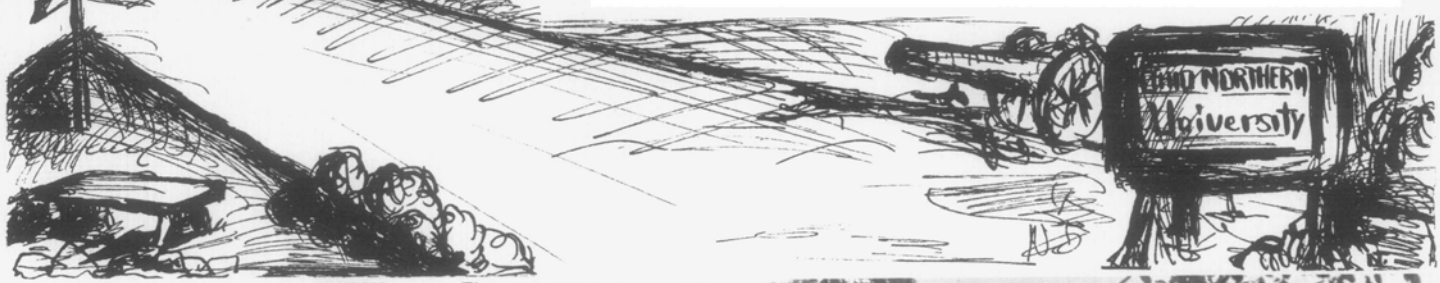

Mrs. Clara Ellison, Mrs. Kathryn Traucht, Mrs. Eunice Scott, and Mrs. Martha Mannik.

DUKES MEMORIAL, located at the south end of the campus, contains the College of Pharmacy and the department of Chemistry.

Our Campus is Our Home

LEHR MEMORIAL, was erected in 1915 and memorializes Henry Solomon Lehr, the Founder of the University. In this building are housed the offices of the administration, the Departments of English and Speech and Psychology, and Lehr Auditorium. The auditorium has a seating capacity of 1237, and provides an ample lecture and concert hall.

HILL MEMORIAL, named in honor of John Wesley Hill, Sr., houses the departments of Physics, Biology, and Mathematics. The clock on the tower is an hourly reminder to students that classes are nearing or ending.

BROWN MEMORIAL, situated at the north end of the front campus, houses several classrooms of the College of Liberal Arts, the Department of Education, and the laboratories and equipment of the Department of Industrial Arts.

PRESSER HALL, bearing the name of Theodore H. Presser, houses the Heterick Library, the Department of Music, and the Schoonover Laboratory.

THE ARTS ANNEX houses the Departments of Art and Foreign Language.

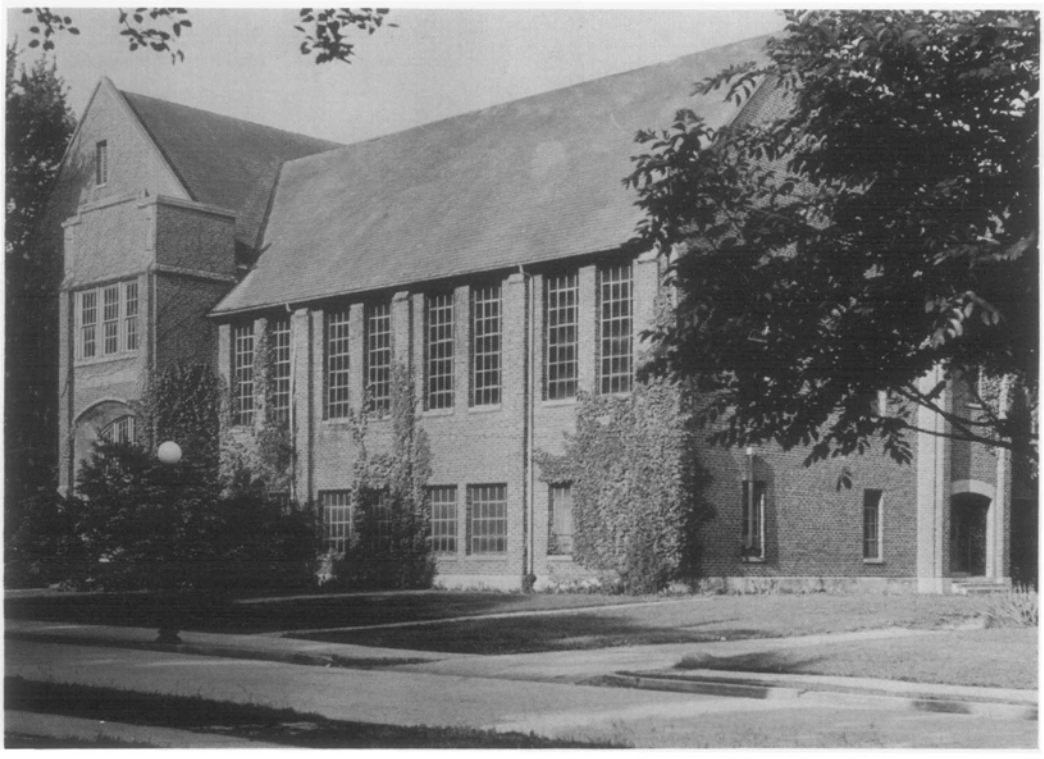

MOORMAN ANNEX, located one block from Lamont Hall, is a residence for freshman women.

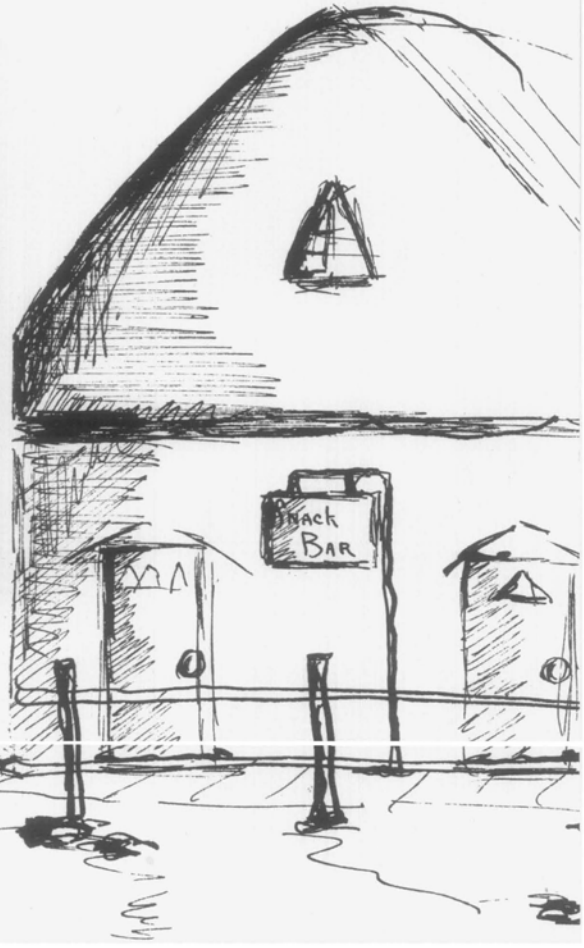

LAMONT HALL, the main dorm, dedicated to Phoebe Lamont, houses over one hundred women. It contains a dining hall, a lounge, kitchen, and laundry facilities. The second floor of Lamont Hall is divided into sorority corridors.

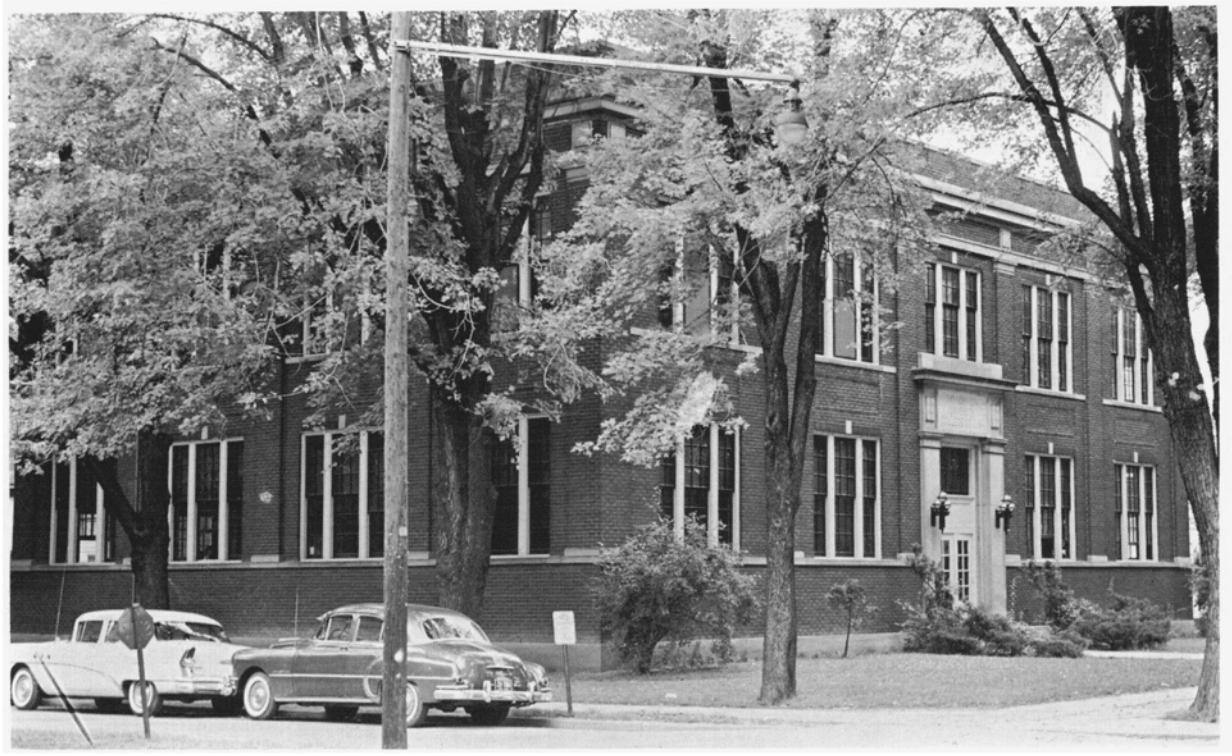

TAFT GYMNASIUM, named in honor of John H. Taft. the principal donor, houses the Department of Physical Education. In addition to the main basketball court with its galleries and bleachers, having a seating capacity of 1800, there are a volley ball court, two auxiliary playing courts, a boxing and wrestling room, examination rooms with first-aid equipment, and a running track.

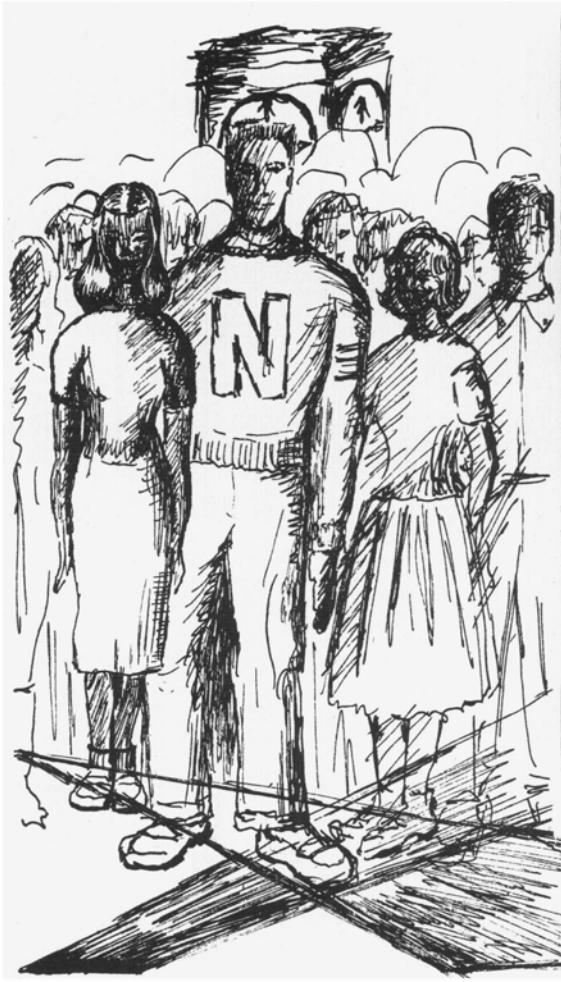

THE STUDENT CENTER offers rooms for recreation and a snack bar. Ping-pong, billiards, dancing, and television may be enjoyed in this student rendezvous. Terrace Hall, located on the second floor, is a residence for freshman women.

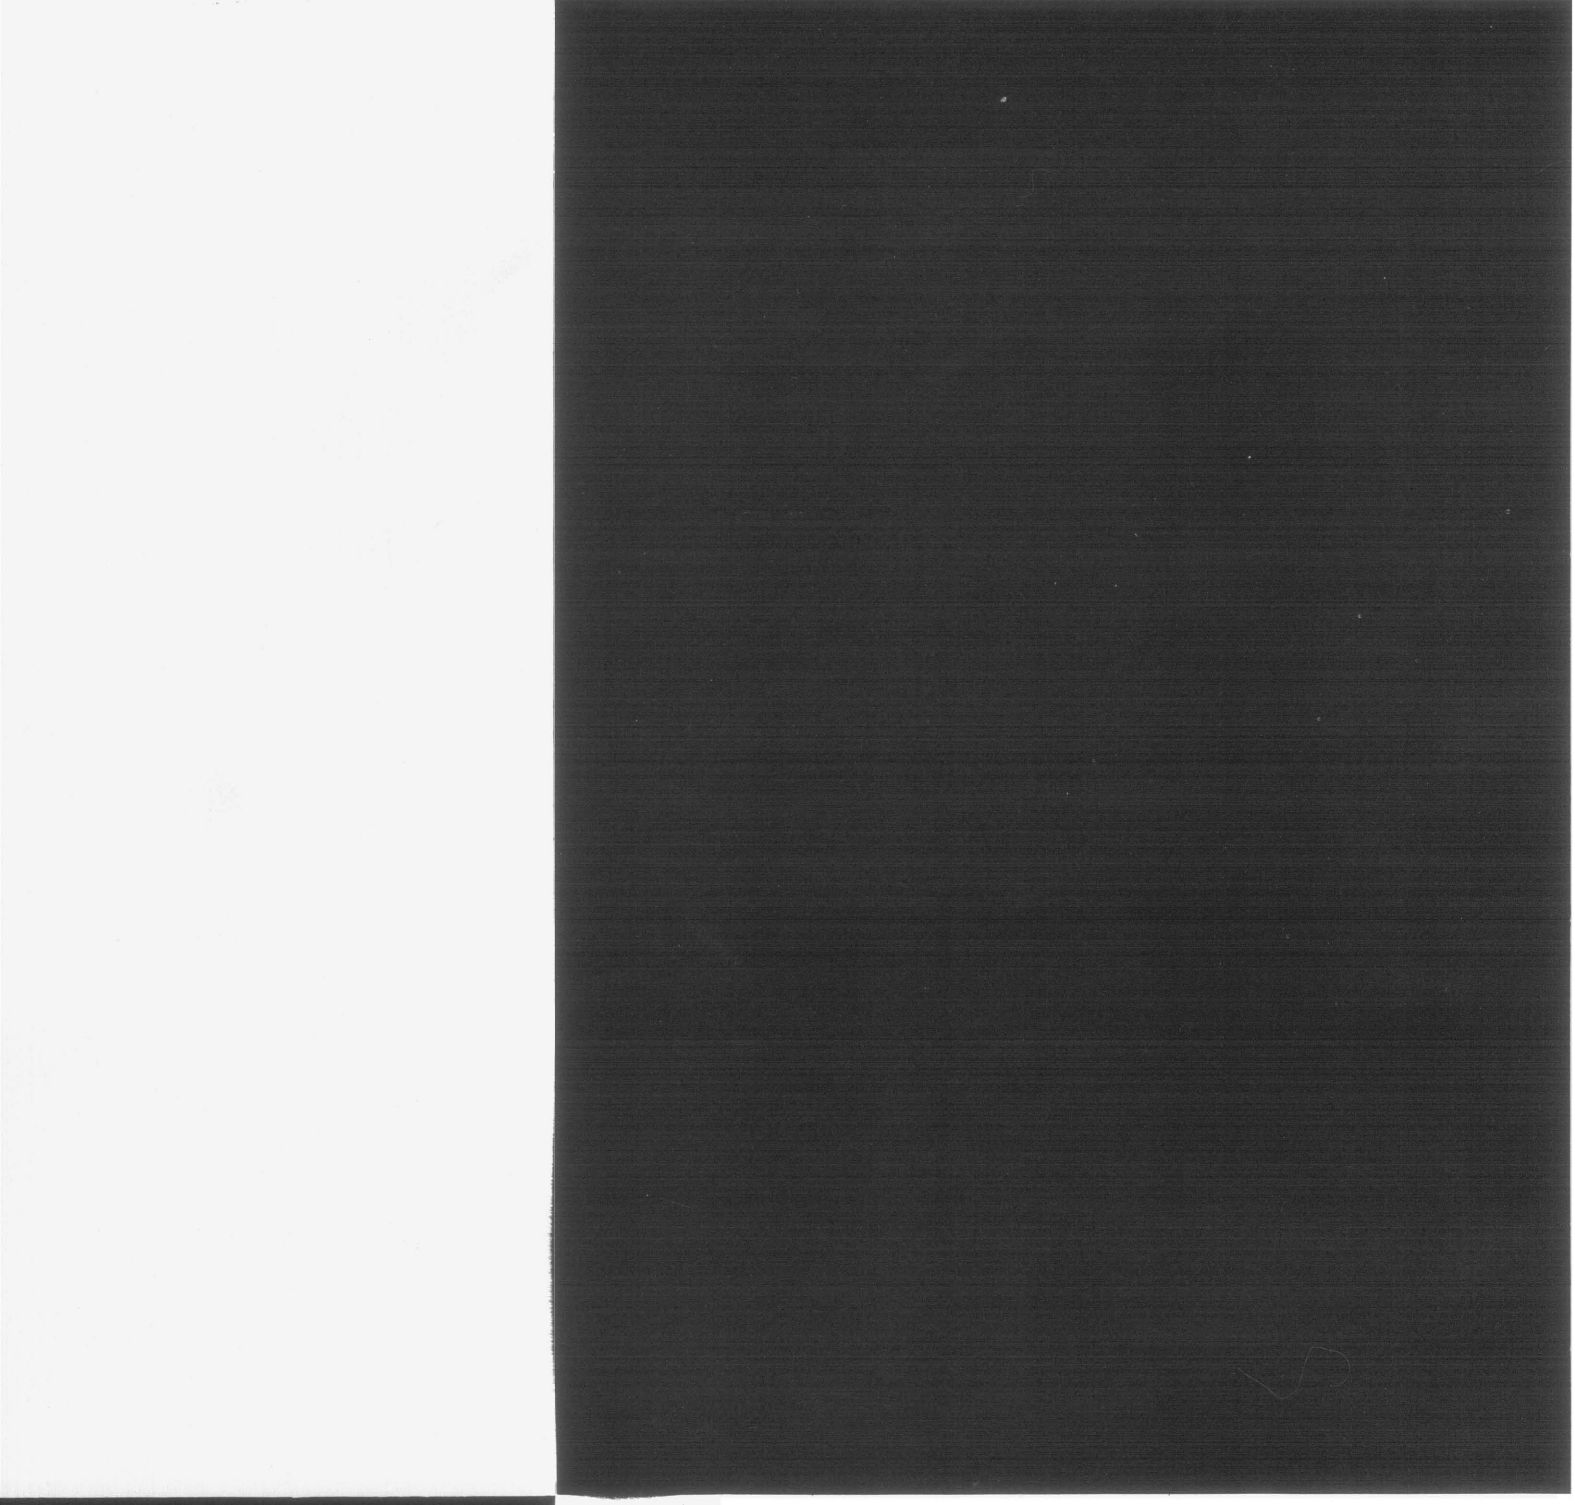

THE COLLEGE OF LAW occupies a building north of the central campus. It contains classrooms, courtroom, and the Jay P. Taggart Memorial Law Library and study room. This building was erected and dedicated in 1925.

THE ENGINEERING COLLEGE is located at the north end of town. It houses the College of Engineering in newly remodeled quarters.

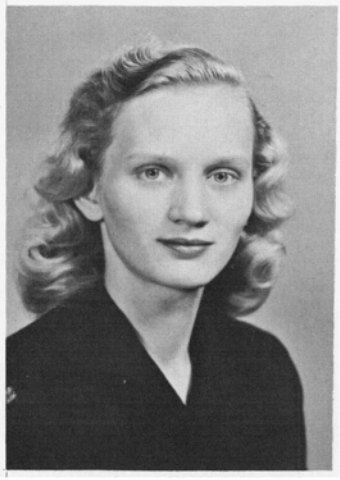

Seniors

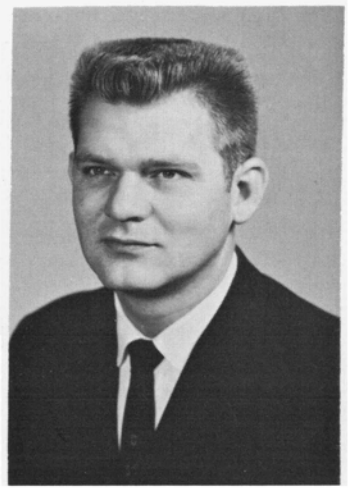

Lawyers, Engineers, Pharmacists, Teachers, Business Folks . . . 193 seniors dream of cars, homes, job opportunities, advancement . . . tempered by the crossroads they have successfully met . . . confident in the merit they achieved, they face the world . . . Lectures, eight-o'clock classes, final exams will be no more . . . Parties, dances, the Inn, now become a memory . . . As they sing the Alma Mater for the last time, there is a lump in the throat and an empty space in the heart.

Senior Class Officers: President, Boyd Schultz; Secretary, Lois Wright; Vice-president, Bob Mathews; Treasurer, Warren Bertram.

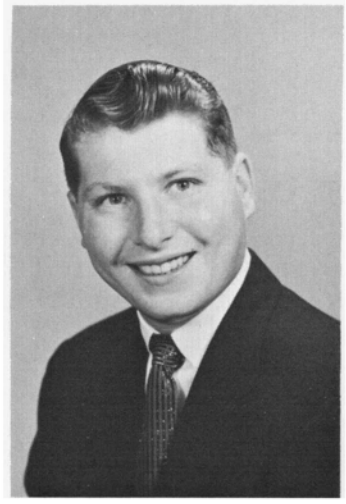

VIJA ABELE

CAMPUS GOVERNMENT

Student Council

". . . to promote fellowship and scholarship; to work cooperatively with the faculty, administration and Board of Trustees for the betterment of the University; and to create a united campus spirit for the social, educational and spiritual advancement of all . . ."

Working to acheive these purposes as set forth in its constitution, the Student Council serves as the governing student body of the University and also as an advisory committee-of-the-whole to the administration.

Meetings, which are held each Tuesday evening at 7:00 in Brown 5, are open to everyone and student and faculty participation are welcomed.

The Council is responsible for the appointment of members to the Board of Governors, Adelphian Society, and "Who's Who in American Colleges and Universities." Its members serve on important university councils and supervises all campus elections. It also plans and supervises with the advice of the Dean of Students, Freshman Week and the Homecoming and May Day festivities each year.

Members are elected annually during the winter quarter and take office during the beginning of the spring quarter. Four representatives from each college as well as four representatives-at-large are elected to serve on the Student Council.

First ***Row:*** B. Schultz, Treasurer; P. Weller, Secretary; W. Lang, President. ***Second Row:*** D. Wier, W. Armes, J. Lowrey, A. Snyder, D. Winstead, N. Johnson, J. Vereni, L. Newman. ***Third Row:*** R. Woofter, G. Morris, D. Bowden, W. Dominick, C. Frye, J. Firstenberger, W. Bertram.

SAC Regulates Student Activities And Establishes Policies ...

Foreground: Advisor *G. C.* Wickenden. *First* **Row:** D. Vermiere, Secretary; B. Lang, P. Weller, J. Verini, Mrs. H. Ritz, Dr. Koffler. *Second* **Row:** Professor Higgins, Professor Snyder, J. Firstenberger, Professor Price.

Student Activity Council

Student Activity Council establishes policies, supervises, and regulates student activities on the ONU Campus. Publications, intramurals, orientation week, Campus Chest, student parking, student discipline, student housing, student health and welfare, and the social calendar are under the general supervision of SAC. This Council also has the responsibility of recommending to the ONU administration budget allotments to all student supported activities.

The chairman of the group is the Dean of Students. There are seven faculty members and seven student members. The group meets biweekly in Brown, Room Number **5,** the first and third Thursday of each month at 4:00 p.m.

D. Weir, P. Weller, J. Lowrey

Athletic Council

The Athletic Council in conjunction with the following faculty members, Chairman Clyde Lamb, Professor Bowden, Professor Benedict, Professor Taylor, Dean Smith, Dean Archer, and Dr. Markle, are responsible for making athletic awards as well as approving athletic schedules for intercollgiate sports.

The Student committee also plans and officiates the annual flagpole rush between freshmen and sophomores at Homecoming and the Tug-of-war contest at May Day.

Student Council Functions

Assembly Committee

Guided by faculty chairman Dr. Markel, the Assembly Council plans and schedules the Tuesday assembly programs which include such assembly programs as the Alumni Association Program, the Engineers' Week program, and May Day and Homecoming skit assemblies.

Also directly related to this council is the function of contracting professional talents for the year's "Artist-Concert" Series. This years' series was indeed an outstanding one including such famous entertainers as the Dublin Players, Varel and Bailly with the "Les Chanteurs," Richard Ellssaser, renowned concert organist, Ballaier William Clauson, and Jean Erdman who presented a concert in creative dance.

C. Frye, L. Newman, J. Verini

Elections Commitfee

Headed by John Firstenberger as Chairman, the Elections Committee is responsible for the supervision of all elections sponsored by the Student Council. These include Class elections, Homecoming Queen and May Day Queen elections and Student Council elections.

The committee also prepares the rules which govern each of the elections, checks all nominating petitions, supervises the balloting, and is responsible for the counting of all ballots cast.

W. Dominick, J. Firstenberger, P. Weller, J. Lowry, P. Gray.

Through Its Committees . . .

Religious Council

D. Weir, A. Snyder, D. Bowden.

The most important function of the Religious Council consists in the detail planning of the annual "Religion in Life Week." Rev. Richard R. Gay, director of religious activities and assistant professor of religion at Ohio Wesleyan University, Dr. Lance Webb of the North Broadway Methodist Church in Columbus, and Rabbi Stephen Shaffer of Collingwood Temple, Toledo, were speakers for this year's "Religion in Life Week" programs. The Council under the faculty leadership of C. E. Wintringham, Chairman, Professor Hanson, Dean Darlington and Professor Tinsler together with local ministers and student personnel plan the Thursday chapel services and arrange for the chapel speakers.

S. Disher, N. Towne, C. Frye, D. Ault, Chairman.

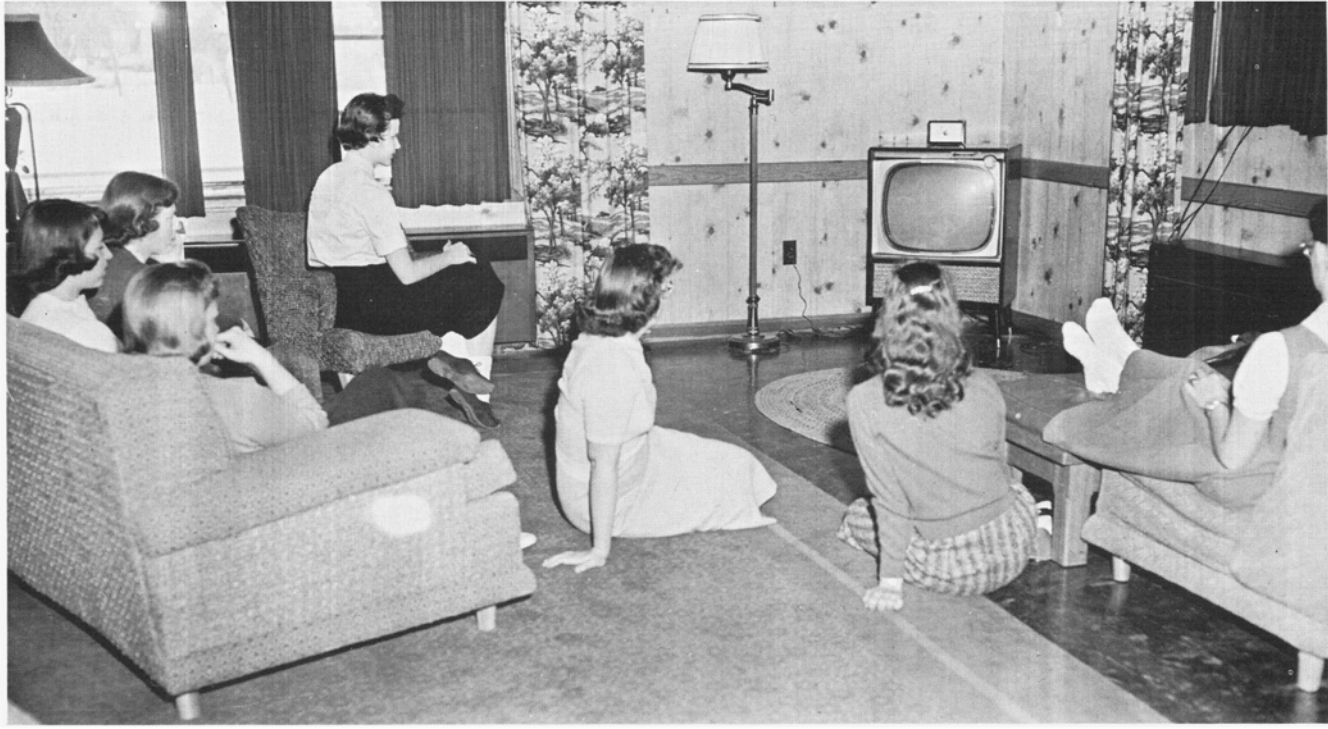

Board Of Governors Regulates Student Center

The Board of Governors is the guiding force of the Student Center. It consists of seven members — four students elected by the Student Council, the Dean of Women and the Dean of Men and the Treasurer of the University.

The Board controls the five-dollar Student Union fee and determines how it is to be distributed. This year new booths were purchased for the Campus Room. The Board also set up the rules for the Student Center and acts as a judicial body to impose infringements upon groups or organizations who misuse any of the facilities of the Student Center.

Pat Weller, Donna Morrison, Bob Mathews, Jennifer Chapell, Bob Koons are enjoying the new booths in the Campus Room. It was through the efforts of the Board of Governors that these booths were purchased.

The girls in the dormitory are enjoying the television set which was purchased through the efforts of A.W.S.

A.W.S. Board Legislative Body For All Women Students

The Association of Women Students is an organization open to every woman attending the University, the purpose of which is to promote the spirit of unity and fellowship among the women of Ohio Northern University.

Activities of the group are planned by the legislative board composed of the officers and representatives from each class. During the year the A.W.S. purchased a television set for Lamont Hall. Then with the cooperation of the administration, a cigarette machine and milk machine were installed. In the spring a farewell dinner was given in honor of the senior members.

Gaham, P. Davis. *Third* **Row:** J. Wyncoop, J. Armbecht, J. Corner, M. Kiebler, M. Franke, E. Koontz, B. Warner, J. White.

Campus Wives

The Campus Wives Club, consisting of about fifty wives of students enrolled at Ohio Northern, originated about twenty years ago. It started as a couple's club but later changed to the wives only as the men had to stay home to study and baby sit. The prime purpose of the organization is to make new friends and to help the students and the University as much as possible.

This year's activities included a bake sale, a rummage sale in McGuffy, a food demonstration at the Ohio Power in Ada, and selling cans of "Stanley'' spray of Christmas snow. We also helped with the advertising of the Bloodmobile and the Campus Chest Drive. Besides our monthly meetings, the members annually enjoy three special events; the Christmas Party, the dinner party for our husbands and the family picnic in May.

The Campus Wives Club hopes to keep growing each year, making new friends and helping the students and University whenever possible.

INDEPENDENT GROUPS

Association Of Independent Men Students

The AIMS are a group of men who choose to remain independent or who belong to a professional fraternity which does not have a house here on campus.

The AIMS were recognized by the school during the last school year (1956-1957). Our constitution states that we are an organization of independent men formed to benefit the male students here at O.N.U.

One of the reasons we formed was to give the independent men a chance to express themselves. Another reason was to give more students an opportunity to participate in the sports program.

This year we are playing in all intramural sports and have several social events planned. One which already has taken place was a dance after the homecoming election.

First **Row:** D. Remick, Treasurer; D. Hall, B. C. Lepovetsky, Advisor; R. F. Wetzel, President; D. Berliner, Secretary. *Second* **Row:** C. Fiocca, S. Arkow, J. Zeichner, P. A. Filaccio, H. Association Of Independent Women

The former Amica club was reorganized and is now known as the Association of Independent Women. The association welcomes all women who are not an active member of a social sorority on this campus.

The A.I.W. has as its purpose to help all independent women to take part in and help in many campus activities. Members are active in a number of campus activities, Girl's Varsity Basketball, Kappa Epsilon, Northern Boosters, and religious groups. A.I.W. was represented in volleyball, basketball, Religious Council, and on the Campus Chest committee.

The association took part in 1957 May Day "Sigolympics." Carolyn Schutze, a third quarter senior, represented A.I.W. on the 1957 Homecoming court.

The Parade for Independent Homecoming Queen Candidate Carolyn Schutze began at Lamont Hall.

LAW GROUPS

Junior Bar Association

The Junior Bar Association is a professional organization comprised of all of the students of the School of Law. Organized on campus in 1933, and a member of the American Law Students Association since 1953, it has served to further the professional training of its members.

This year the Junior Bar Association was active in maintaining an apprenticeship program and a lecture series, both of which were made possible by the cooperation of practicing attorneys in this area. Visits to court trials in Lima and the publication of a Law School Review have also been part of the association's varied activities.

In its lighter but no less important moments, the Junior Bar has not neglected the social scene. Among other things, the Barrister's Ball and the Spring Banquet provided respite from the many weary hours of study.

First **Row:** D. Dove, A. Perez, C. Wern, Vice-president; L. Adelstein, Parliamentarian; C. Sharf, President; F. Long, Secretary; J. Brandt, T. Lowrey. *Second* **Row:** L. Young, R. Parrott, C. Long.

Delta Theta Phi

The Marshall Senate of Delta Theta Phi, in its 48th year on Ohio Northern's campus, continued its position of leadership socially and academically during the school year. Some fifteen men added their names to the roster of the Marshall Senate, and during the school year, eight more men were initiated into the realm of Delta Theta Phi.

Socially speaking, the Delta Thet's have had a busy year. This included the usual fall rush party, plus the get-together following initiations. In November, we journeyed to Lima bringing the wives and girls in "toe" and spent an enjoyable evening of dancing and socializing at the Balustrade Room. In February, we held our annual "smorgasbord" dinner. We had as our guest for the evening, the faculty, alumni, and the District Chancellor of Delta Theta Phi, Brother Al Simmons of Toledo. From all reports, the party was again a huge success.

The Marshall Senate is very proud to have had Brother Claude Scharf serving as the President of the Junior Bar Association. During this past year, he was ably assisted by Brother Frank Long who handled the minutes of the meeting. Scholastically speaking, the Senate was well represented by brothers who maintained high positions in each of the three classes.

The membership of the Senate will decrease considerably with the graduation of twelve of the brothers in June; to these brothers we wish you the best of luck in the coming years. The loss of these members will be a challenge to the fraternity, but we are sure that the spirit and the cooperation which has dominated this year will continue; and that Delta Theta Phi will continue in years *to* come to hold its place of leadership on the campus.

First Row: **A.** Farina, **T.** Hanes, Vice-Chancellor; R. Phillips, Chancellor; W. Dauterman, S. Strausbaugh, R. Hixon. *Second Row:* T. Lowrey, L. Evans, R. Parrott, D. Pennewitt, G. Tzagournis, B. Soter, T. Erlenbach, W. Spike, T. Brenneman. *Third Row:* J. Firstenberger, W. Lang, J. Meredith, J. Rader, O. White.

Sigma Delta Kappa

Sigma Delta Kappa is a National Legal Fraternity. The Si Dekes are devoted to the highest ideals of the legal profession. This is reflected in a program study aid, brotherhood, and social activity. The particular pride of the Si Dekes is its scholastic rating. For rating the past seven quarters it has taken honor with in the College of Law. A fine group of brothers and pledges expect to continue these ideals in the future.

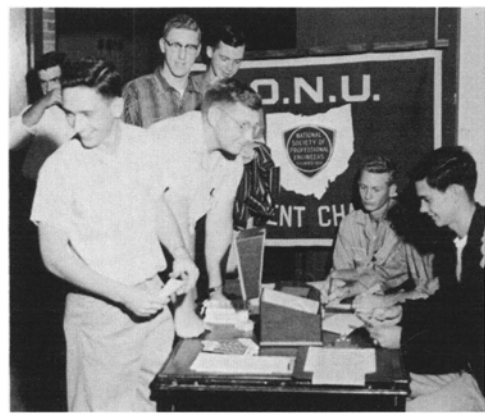

1 ENGINEERING SOCIETIES

Ohio Society Of Professional Engineers

The Student Chapter of the Ohio Society of Professional Engineers embraces all departments of the College of Engineering. The purpose of this organization is to stimulate professional thinking among all engineering students through social contacts, fellowship, and cooperation, to promote interest and understanding, and maintain the ideals of the engineering profession.

Speakers, movies, and discussions in the monthly meetings deal with the professional standards, code of ethics, and the individual's place in the advancement of the profession.

The Chapter takes an active part in the Engineer's Week and is represented in the O.S.P.E. Student Council.

A.S.C.E.

The Ohio Northern Student Chapter of the American Society of Civil Engineers provides the student members with an opportunity to become familiar with the Civil Engineering profession and practices.

Various technical topics are presented by guest speakers at each monthly meeting. The chapter's activities include Engineers' Week, field trips, and participation in the North Central Conference of A.S.C.E. student chapters at the University of Dayton.

A.I.E.E.

The oldest and youngest societies of the engineering college are combined in this organization to provide social and technical recreation for electrical engineering students.

The organization is a joint student branch of the American Institute of Electrical Engineers and the Institute of Radio Engineers. The A.I.E.E. branch, founded in 1912, is the oldest technical society at Ohio Northern and the first student branch in Ohio. The I.R.E. branch was founded in 1957 and is the youngest of the technical societies.

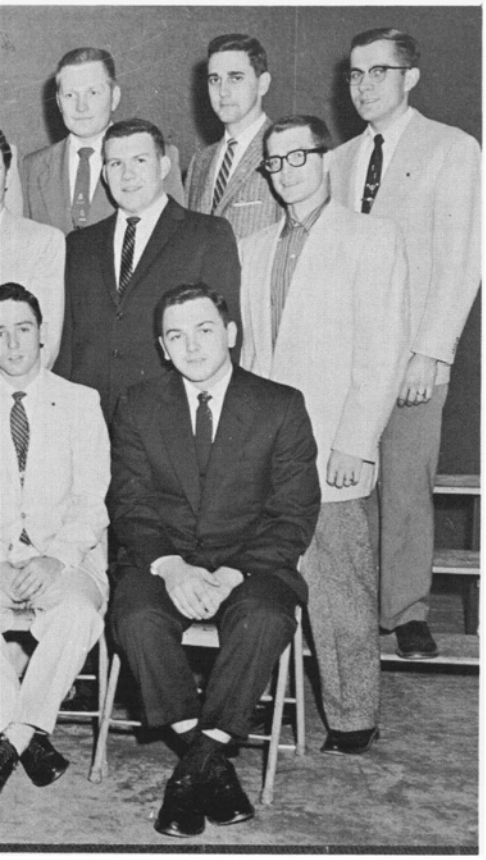

The meetings provide a common subject of interest to all electrical students and usually consist of a speaker who is employed in some phase of electrical engineering. Other activities include field trips and an annual spring picnic.

Engineering Societies Provide Professional Associations For Member Students

First **Row:** C. Leader, Treasurer; H. Miller, Secretary; G. Rudd, Vice-president; N. Smalley, President. *Second* **Row:** R. Wisell, D. Atkinson, E. Purtee, J. Jackson, C. Cullings.

I.R.E.

A.S.M.E.

The Ohio Northern Student Section of the American Society of Mechanical Engineers obtained its original charter in **1922.**After an absence of several years the student section was reactivated during the Spring Quarter, 1955 and has been active on campus since then.

The purpose of the student section is to promote the advancement and application of knowledge of the theory and practice of mechanical engineering, the presentation of a proper perspective of engineering work and the opportunity to become acquaintedwith the personnel and activities of the Society as well as to promote a professional consciousness and fellowship. The society meets once a month and consists of technical reports by guest speakers from industry to supplement the material offered in the regular curriculum. In addition, members of the student branch attend meetings of the Toledo Section A.S.M.E., participate in inspection trips, share in the program during National Engineer's Week, and attend the annual regional conference of the A.S.M.E.

O.N.E.S.A. Seeks To Improve Forensic Ability

First **Row:** J. Hugus, W. Hamilton, M. Geyer, D. Atkinson, N. Smalley. *Second* **Row:** F. Grismore, J. Churchill, **B.** Rebok, W. Cover, R. Messick.

The Ohio Northern Engineering Speakers Association was founded on the campus of Ohio Northern during the Spring Quarter of 1935. The organization has as its ideal the improvement of the members' forensic ability. Dinner meetings are held prior to the professional and technical meetings of the societies of the Engineering College. Speeches are presented, after which the members offer constructive criticism in an effort to improve their speaking ability, and to enable them to gain poise and confidence in public speaking.

Nu Theta Kappa Gives Recognition To Top Notch Engineering Students

Nu Theta Kappa, honorary engineering fraternity, was organized at Ohio Northern in 1915. It is the aim of the fraternity to foster a high standard in academic work in the College, in addition to active participation in other College and University activities. The fraternity gives recognition to Engineering students who have excelled in these categories. Eligible for election to membership is the sophomore with the highest academic standing providing he has an accumulative point average of 3.6 or above. Also eligible are the upper 15% of the third quarter juniors and the upper 25% of the seniors. In order to promote a high standard of scholarship in the freshman class the fraternity each fall awards an Engineer's Handbook to the returning sophomore with the highest academic standing.

First **Row:** M. Geyer, Treasurer; W. Hamilton, Vice President; J. Hugus, President; **A.** Taylor. *Second* **Row:** J. Klingenberger, R. Messick, T. Kennedy, B. Rebok.

1 PHARMACY GROUPS

American Pharmaceufical Associafion

The student branch of the American Pharmaceutical Association was formed here at Ohio Northern in 1949. Membership is open to all pharmacy and pre-pharmacy students who are interested in extending their knowledge of the practical aspects of their chosen profession. Bi-weekly meetings have featured guest speakers from various pharmaceutical houses, as well as other members of the pharmacy and medical field. On Thursday, May 8 we held our annual student-sponsored banquet as a fitting climax to our year's activities. Our main speaker of the eveningwas Dean Lloyd M. Parks of the College of Pharmacy at Ohio State.

It is through the A.Ph.A. that a number of improvements in the pharmacy building are made each year. In the past, the student branch has been responsible for the placing of new lights in the building and the painting of a majority of the classrooms and offices. This year we furnished a new blackboard for one of the lecture rooms. Every quarter the A.Ph.A. publishes its own magazine, the ***Ampul,*** which has a circulation of over 2200 copies.

First **Row:** A. Brysacz, F. Stallman, W. Bertram, President; R. Chalmer, Vice President; D. Wilson, Secretary; A. C. Smith, Advisor; O. E. Araujo, D. S. Yoder, W. Evankovich, Treasurer; J. Spahr, J. Smith. *Second* **Row:** J. Goodman, L. Atkins, A. Wexler, J. Cohen, A. Magalnick, L. Shapiro, S. Arkow, J. Deem, J. Rauschkolb, J. Zeichner, R. Koons, R. Eby, R. Pollard. *Third* **Row:** A. Kiemer, T. Cohn, R. Tolchinsky, M. Deutsch, J. Adelman, H. Garrett, N. Neumann, H. Knodt, K. Woods, E. Ritzman, G. Selover, W. Johnson, D. Worsencroft. *Fourth* **Row:** M. Robins, R. Ratai, W. Factor, W. Lehman, D. Hall, C. Loan, Jr., L. Schmitt, T. Galleher, H. Hiner, J. West, W. Neeley, H. Stavis, J. Aiello. *Fifth* **Row:** J. Boylan, R. Grunder, J. Tallman, A. Mendlovits, L. Heller, R. Keffer, R. Boals, R. Peper, W. Ritchey, D. Perlman, B. Schultz, A. Longert, D. Ault, F. DeDomenico.

Alpha Zeta Omega

The Theta Alpha Chapter of Alpha Zeta Omega was established on the campus of Ohio Northern University in 1954. Nationally, AZO was founded at the Philadelphia College of Pharmacy on December 19, 1919, and today consists of twenty-six chapters. This year Theta Alpha Chapter has grown in membership to twenty-two active fraters.

One highlight for the social year will be a testimonial dinner for a professor in pharmacy who has given much enthusiasm and help to the college and to the pharmacy profession.

We are also well represented on campus. Boyd Schultz is Senior Class President, and Warren Bertram is Senior Class Treasurer and President of the A. PH. A.

Pharmaceutical Fraternities Seek To

First Row: L. Schmitt, Signare; J. Cohen, Excheque; **B.** Tolchinsky, Directorum; D. Perlman, Sub-Directorurn; A. Mendlovits, T. Zeichner. *Second Row:* S. Arkow, L. Shapiro, L. Atkins, A. Magalnick, J. Goodman, J. Adelman, J. Wexler. *Third Row:* W. Bertram, A. Longert, P. Schultz, H. Weiss, J. Cohn, D. Meister, M. Deutsch, T. Kushner.

Phi Delta Chi

To advance the science of pharmacy and its allied interests and to foster and promote a fraternal spirit among its members is the prime purpose of Phi Delta Chi.

The Alpha Upsilon Chapter was recognized at the Ohio Northern University campus on March 2, 1955, and is one of the youngest chapters affiliated with the Phi Delta Chi Fraternity, which was founded in 1883 at the University of Michigan. Today, there are 39 active chapters in the Phi Delta Chi Fraternity with a total membership of over 15,500 brothers. Each year the Alpha Upsilon Chapter gives the Scholastic Achievement Award to that student in the school of pharmacy who shows the greatest improvement in his point average. Located in the Dukes Building is a showcase housing professional displays which are changed every month or so. Movies of interest to pharmacy students are sponsored by the fraternity.

To highlight the year's activities the Annual Founders' Day Banquet is held each year in March.

This year the fraternity was fortunate in getting Dr. Oscar Araujo as faculty advisor. Dr. Araujo is a graduate of Purdue University and is a new member of the ONU Pharmacy School staff.

Pharmaceutical Fraternity For Women Installed This Year

Kappa Epsilon

On December 4th, 1957, the Psi chapter of Kappa Epsilon National Fraternity for women students of pharmacy, was officially installed here at Ohio Northern.

A banquet was held and attended by many officials of the university including the faculty of the Pharmacy College.

Immediately following the banquet the twenty-one women students were installed in a private ceremony in Alumni Hall.

The primary purpose of this professional organization is the unification of the women pharmacy students with the realization that by helping one another they will ultimately become a greater asset to the College of Pharmacy, the university as a whole and the entire pharmacy profession. Kappa Epsilon upholds the principles and ethics of the pharmacy profession.

Psi chapterwishes to thank the administration of the University and Dean A. C. Smith of the College of Pharmacy for their encouragement and cooperation. Special gratitude is given to Dr. Anna Koffler, advisor of the group, for her untiring efforts and assistance.

Kappa Epsilon is a sister organization of Kappa Psi Pharmaceutical Fraternity for men.

DEPARTMENTAL GROUPS

Special organizations many of them chapters of national organizations, are active in the College of Liberal Arts. Members of these groups meet at fortnightly intervals to discuss topics of interest in their respective areas.

Debate Squad Reactivated

Students interested in improving their forensic ability form the membership of the debate squad. They participated in local and regional debates this year. Veteran teams from Case, Calvin, Pittsburgh, Purdue, and Oberlin were their opponents, and the newly reactivated team gave creditable performances.

H. Schmitz, President; P. Craft, B. Foulkes, Treasurer; R. Ramsdell, J. Sabol, Advisor; N. Roberson, A. Melkerson, Secretary; J. Shroyer, Vice-president.

Business Organizations Further

Ohio Northern Business Women

The Ohio Northern Business Women was organized for girls in business with a three fold purpose in mind: 1.) to study the opportunities of women in business, **2.)** to learn the requirements for business positions opened to women, and **3.)** to learn of some of the community services to which they can give their time and talents. These purposes are accomplished through study programs, speakers, and visits to business and civic organizations.

This organization has hopes of becoming affiliated with the National Fraternity for business women, Phi Gamma Nu, before the year is completed. However, they must be organized as a club for a year, and have at least ten members.

First **Row:** J. Wolfe, Treasurer; J. Horner, President; H. S. Ritz, Advisor; T. Taggart, Vice-president; S. Franks. *Second* **Row:** J. Reed, **C.** Messick, R. Laman, D. Fly, G. Hughes, T. Spitzer. *Third* **Row:** P. Neidig, **D.** Fisher, R. Dieckmann, J. Lawhead, R. Messing, J. Braden, L. Minion, R. Holmes. *Fourth* **Row:** G. Solomon, R. Mason, J. England.

Understanding Of Business Operations

Future Business Leaders of America

The Future Business Leaders of America was organized on this campus in 1949. It is a National organization which provides additional insights to the operation of business to students of Business and Economics. The purposes are: 1.) to further understanding of business operations through field trips, speakers from business, films, and discussion groups. 2.) to promote better cooperation among the members through social hours and two annual parties—one at Christmas, and the other honoring the seniors before Commencement. 3.) to promote leadership abilities of the members by encouraging their participation in club activities and in other organizations on the campus.

The club has had as their guests at different meetings business and professional groups of Ada, students of Business from near-by colleges, and business students of high schools in our vicinity. It has taken an active part in work of the State organization.

J. Ruggles, R. Price, W. **Lusk,** L. A. Barker, Advisor; J. Thomas, A. DeMeo, J. Jacobs.

Ohio Northern Psychological Association

The aim of the O N P A is to provide a group to which students interested in psychology may refer for the pursuit of extra-curricular activities in the field. In accomplishing this aim they secure the cooperation of authorities not connected with Ohio Northern, promote psychological research at the University, and meet as a body for the purpose of correlating their theoretical and objective conclusions.

American Chemical Society

P. Plaum, J. Caskey, **I.** Mencis, Vice-president; D. Wright, Advisor; D. Oberer, V. Abele.

Chemistry majors and others interested in this field have an opportunity to hear speakers and to discuss various topics at meeting of the student affiliate chapter. Speakers are faculty members from Ohio Northern University and surrounding universities, and representatives of the chemical industry. The chapter also sponsors field trips to points of interest.

Ohio Students Education Association

The Ohio Student Education Association has six main purposes. The first is to develop among young people who are preparing to be teachers an organization which shall be an integral part of state and national education associations. Another is to acquaint teachers-in-training with the history, ethics, and program of the organized teaching profession. To give them practical experience in working together in a democratic way, and to interest the best young men and women in education as a career are also a part of O.S.E.A. And finally O.S.E.A. encourages careful selection of persons admitted to schools which prepare teachers, and seeks through higher standards of dissemination of information and through higher standards of preparation to bring teacher supply and demand into a reasonable balance.

This years activities have included various teas and special programs with speakers from the teaching profession. The O.S.E.A. sponsored Dr. Thomas L. Hopkins as speaker for a special conference in the Fall. The members have attended Ohio State Education meetings regional O.S.E.A. meetings and other college chapter meetings. Dr. Katie Lou Hanson is Advisor to the group.

O.N.I.A.C. Promotes Wide Interest In The Profession . . .

Ohio Northern Industrial Arts Club

The Ohio Northern Industrial Arts Club was organized in 1948 for all students majoring in the field of Industrial Arts Education and for students who plan to enter Industrial supervision. The objective set forth in the constitution of the Club embodies the promotion of wide interests in the profession, to provide an opportunity for the exchange of ideas and opinions, and to enable the prospective teacher to become fully acquainted with the field he expects to enter.

Group meetings are held on the first Wednesday and the third Tuesday of each month of the academic school year. The meetings serve to unite all students of the department for the purpose of planning extra-curricular activities in the several areas of the Industrial Arts field. Following the business session of every meeting, various types of programs are planned to correspond to the interests of the group. Speakers are engaged to head discussions on views of professional and industrial topics. Appropriate films are shown and visits to industries make up some of the activities of the club. At the end of the academic school year a trip is taken through one of the large manufacturing concerns where fabrication and mass production processes of the product are observed. Many of the group members are also members of the Mid-Western Ohio Industrial Arts Teachers Association. They also attend these meetings each month of the school year.

Professor Kain acts as sponsor of the club.

Seated: M. Lewis, R. Mirman, Sports Manager; S. Stahl, President; J. Ruggles, Vice-president; D. Pond, Secretary. *Standing:* B. Lyle, H. Copeland, J. Moody, K. Bowers.

W.A.A. Board

The W.A.A. Board is composed of the officers of the association, and the sports managers of each intramural team.

Besides its customary duties, the Board attempts to further the interests of the association by recommending new measures to the association for approval.

The purpose of the Women's Athletic Association is cooperation with the department of physical education for women in promoting interest in sports and gymnastic activities as a means of creating physical efficiency, athletic accomplishment, scholarship, and good sportsmanship.

Under the direction of our advisor, Mrs. Pickering, the organization carried out a varied program of activities.

The program for this year included the regular intramural tournaments in the major and minor sports, a Round and Square Dance in honor of the football players, special point-nights, a dance revue, and a Sports Banquet for the football and basketball players.

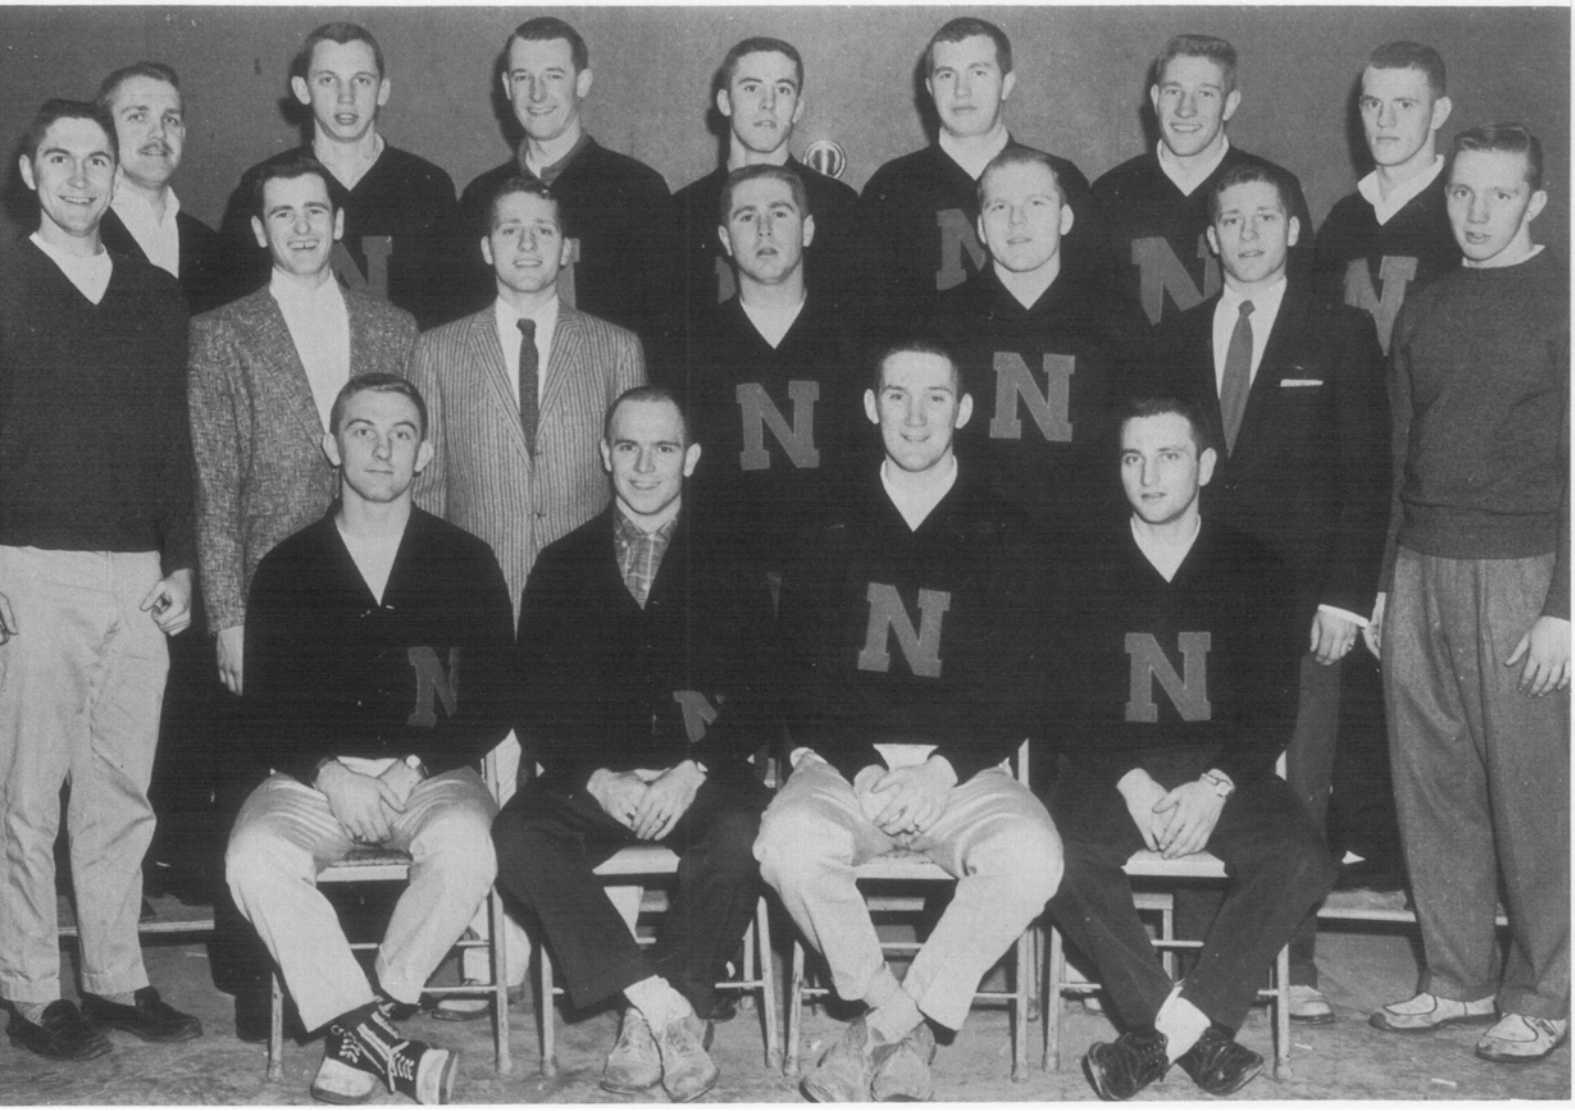

Ted Fackler's Orchestra played and called for the round and square dance given in honor of the football players.

N- Men

Ohio Northern's "N" Men's Club is presently an inactive organization. All varsity letter winners at Northern automatically become members.

In its last year of active status, the club handled concessions at the local athletic events, using the earnings to buy jackets for its members. The "N" Men met bi-weekly.

First **Row:** C. Kline, C. Fulmer, President; J. Bullis, J. Knoch, G. Pryer, M. Castle, Vice-president; J. Evans. *Second* **Row:** R. Jump, J. Ricketts, R. Millisor, B. Cunningham, H. Fleming, H. Physical Education Club

The physical education club was organized at Ohio Northern in 1956 and was re-organized again this year. In 1957, as a project, our club purchased for the physical education department a trampoline and we were considering other projects for this year.

The purpose of this organization is to cooperate with the physical education department in promoting interest in the field.

First **Row:** D. Schertzer, J. Anspach, Secretary; J. Marshall, S. Buehrer, J. Butcher, B. Lyle, D. Sanderson. *Second* **Row:** J. Davis, Mrs. Pickering, Grady, R. Ebersole, R. Hadding, J. HOBBY CLUBS

Hockey Club

Ice Hockey literally forced its way onto the Ohio Northern campus for the second successive season.

This year, under the leadership of General Manager Hazen Deckrosh, the Student Hockey Club became a part of Ohio's first intercollegiate hockey league—the Ohio Intercollegiate Hockey Association. The OIHA also includes teams from Ohio State University, Fenn College, Dayton University, Dennison University, and Case Institute of Technology. Basic principles of the Student Hockey Club are to give more ONU students a chance to participate in athletics; to increase the publicity for ONU; and to give students and faculty of the University the opportunity to get acquainted with the fastest, but by no means the roughest, sport of all.

First **Row:** J. Boylan, Secretary; J. Ganz; J. Deem, Assistant General Manager; H. Deckrosh, General Manager; T. Gnidovec, H. Koval. *Second* **Row:** Coach K. Woods, D. Berliner, Treasurer; W. Kaser, C. Jackson, T. Leyton, D. Lehman, R. Hole.

First Row: P. Weller, Treasurer; S. Allen, Secretary; J. Valore, President; B. Hellwarth, Vice President. *Second* **Row:** R. Laman, N. Heintz, M. Smith, N. Allen, D. Fly. *Third* **Row:** J. Deckrosh.

Northern Boosfers Stimulate School Spirit

This year the "Northern Boosters Club" has attempted to promote more school spirit on campus. Besides adopting a constitution and electing officers the club held monthly meetings to plan and organize acrivities during the school year. During the week of homecoming they held a pep session around a bond fire which was followed by a snake dance. A torch parade, pep rally and dance started the basketball season off to a roaring start. A trophy was also offered to the fraternity, sorority, or independent group presenting the most school spirit.

The Northern Polar Bear aids in stimulating school spirit.

Aura Perez, senior law student from Puerto Rico, and Burin Wongsanquan, liberal arts sophomore from Thailand, direct freshman Ernest Chok of Indonesia on a campus tour during Freshman Week.

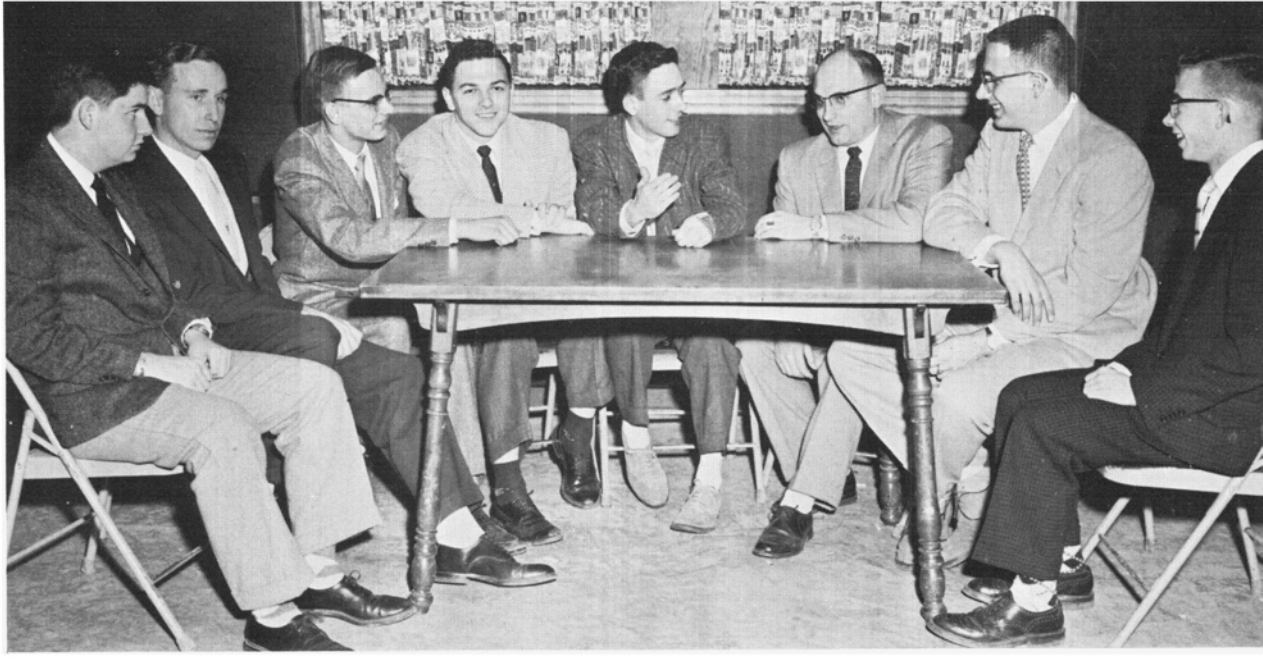

International Club Promofes Understanding Of Foreign Affairs

The International Club was founded to promote understanding in the field of foreign affairs, especially among foreign and American students on campus. The membership is composed of students, faculty members, and other persons connected with the University. The club meets the first and third Sunday each month. The programs this year included an all campus dance, a Christmas Party, a Valentines Party, a panel discussion in courtship and marriage, and several guest speakers. Among the lecturers we had Dr. Alexander Tsambassis who spoke about the Middle East; Dr. Anna Koffler who talked about her travelling impressions of Europe; and Mrs. Matthew Pothier who told us about life in Japan. Club members in turn have spoken to many organizations in Ada and nearby towns.

First Row: H. Knodt, Vice President; A. Perez, Corresponding Secretary; M. Heckart, Recording Secretary; V. Abele, President; A. Koffler, Advisor; R. Lacayo. *Second Row:* A. Brysacz, O. Cooley, R. Gandron, R. Lindsey, A. Farina, T. Balanos, E. Tutelian, I. Mencis.

Hum Club Members Make Contacts Throughout The U. S.

K. Ryan, P. Wischmeyer, D. Nelsch, W. Esser, T. Grismore, J. L. Klingenberger, Advisor; D. Karle, S. Bartley.

CQ, CQ, CQ — This is the call sent by every radio amateur as he tries to contact a "fellow ham." This call is sent from Ohio Northern each week as members of the Ham Club talk to many radio amateurs throughout the United States.

The purpose for this organization is to provide facilities for students who are, or who are interested in becoming, amateur radio operators. Present equipment includes a private building, small transmitter, receiver, test equipment and facilities for building and servicing radio equipment. Future plans include a larger 400 watt transmitter which is presently under construction.

Jazz Club Newly Organized

First Row: R. Powers, **B.** Lyle, C. Congos, H. Schmitz, R. P. Price, Advisor; A. Nichamin, G. Solomon. *Second Row:* R. Mason, W. **Lusk,** P. Craft, J. Ruef, P. Neidig.

The Ohio Northern Jazz Club was organized this year for the purpose of promoting jazz in all its phases by providing opportunities for learning about the development and history of jazz, for acquiring an understanding and appreciation of jazz and for hearing and enjoying jazz.

The officers of the Jazz Club are President, Patrick Neidig; Vice President, James Cramer; Secretary-Treasurer, Carol Conos; Faculty Advisor, Professor Robert Price.

1 RELIGIOUS GROUPS

Newman Club

Newman Club started the year with a picnic to greet the Catholic Freshmen during Freshman Week. Meetings are held on the first and third Wednesday of each month during which time we have a speaker on various topics of interest to the college student.

Elections of officers was held in January and the formal installation on February 5, 1958 at the annual Banquet held at Clemen's Hall in Lima.

A Shrove Tuesday-dance was held for all campus participation. This is a dance held as a climax to the pre-lenten season and is held annually on the day before Ash Wednesday.

The past year has been quite successful and we are hoping for an even better year next year.

Upper Room Fellowship

Upper Room Fellowship is open to all those who feel an exuberance or an outlet to Christian relations, or feel the need of Christian fellowship in a group.

This group has consisted mainly of pre-theology students and those entering full-time Christian service. However, this group welcomes anyone who cares to join us any Wednesday noon in Brown 5 for a fellowship meeting, which includes different and various programs to make worth while each person's precious time. Included in the program are such things as program planning, and future planning for the group. In our meetings we sing, have prayer, and have either a short message by our chaplain or someone else designated by him or discuss some view points on our Christian life and churches.

In our other activities we also have a monthly evening meeting. We usually invite some noted person or speaker from outside of our immediate group to come and relate his or her Christian experiences. There is a dinner at the College Inn preceding having a speaker for the evening. We also combine with the Wesley Fellowship Group to play intramural basketball. We might mention that last year we presented a religious float in the May Day parade festivities. Our Upper Room Fellowship is usually the time in the middle of the week thought of as a chance to take a break from our busy school duties to add to our spiritual needs.

Those having ministerial charges while attending school are: Harold Stafford, Oscar Burdette, Howard Heilman, Richard Davis, Morris Morgret, John Parish, Robert Pitts, Dave Bowden, and James Elzroth.

MUSIC GROUPS

Chorus-Choir

The Choir, under the direction of Dr. Karl Roider, had an extremely active year giving concerts in many cities of Ohio, as well as going on an Eastern Tour and on a Tour to Chicago. The Choir sang in Toledo, Rossford, Lima, Mt. Victory and at the Wapakoneta Country Club, as well as giving concerts for the Alumni in Dayton and in Lima, and singing for the Farmers Exchange in Ada. The highlight of the Choir's activities was the annual "Choral Cabaret" with this year's theme of "Show Storm." On March **23,** the choir left on its Eastern Tour, using a 1957 Air-ride Greyhound Bus. The first concert was given at Marion, Ohio, and then the Choir continued Eastward singing at Ashtabula, Buffalo, Hudson Falls, and Poughkeepsie in New York State, as well as in Franklin, N. H. and in New York City. The members of the Choir were the guests of families in all eastern cities, but stayed at the Hotel Wellington in New York City. Returning to O.N.U. on March 30, the Choir gave its last major concert on campus when they presented "the Seven Last Words" on April 1st. On April 19th, the Choir left for Chicago where they sang at St. Paul's Methodist Church, Hyde Park Methodist Church and the People's Church, ending their tour with a concert at the Chicago Temple at the Methodist Ministers Convention. The last presentation of the entire Choir took place at the commencement exercises of the Senior Class.

Dr. Karl Roider is shown with members of the M.E.N.C. Seated at the piano is J. Maxim. Standing are R. Patton, M. Williams, J. Shroyer, M.J. Basinger, and D. Smith.

Pictured above are the seventy members which comprise the Ohio Northern University Chorus-Choir. The choir sings at chapel services, for area engagements, and on the annual spring tour.

Chorus-Choir Sings Its Way To New York and Chicago

On the spring tour, which takes place during Lent, the choir sings in this impressive formation. The men form a cross of white with the background formed by the girls in their black dresses.

During spring quarter final's week a group of choir members participated in the Van Wert Peony Festival by representing O.N.U. in the Peony Parade with musical selections.

Bob Shepherd, drum major, Sherrill Bowers, and Nancy Hammond, Majorettes, led the O.N.U. Band to Memorial Stadium for the annual Homecoming football game.

Band Makes First Appearance At Homecoming

Dr. Barber, director, led the band in fight songs during the game.

O.N.U. Band Prepares For Annual Concert

Kappa Kappa Psi Recognizes Outstunding Members In Insfrumental Groups

Kappa Kappa Psi is a national honorary band fraternity founded at the University of Oklahoma in 1919, and now has chapters throughout the country. Sigma Chapter at Ohio Northern was established in 1923, by members of the University band who sought to recognize outstanding members of the instrumental groups on campus, and aimed to promote and improve the quality and performance standards of band music in colleges and universities throughout the United States. The brothers of the local chapter, though few in number, are serving the band director with administrative details, thus permitting him to concern himself chiefly with musical problems.

T. Cohn, R. Gorden, D. Howard, President; R. Shepherd, Secretary; D. Weir, Treasurer.

THEATRE GROUPS

Northern Players

Northern Players Present three Major Productions and several one-act plays . . . . .

The 1957-1958 season was one of the most successful in the history of the Northern Players.

This year the Northern Players have started a touring group which gives a program consisting of scenes from various plays and several musical selections.

The program is a variety program and has traveled to Lima and the surrounding communities with members of Northern Players participating. In addition to this program the Northern Players present one Major production each quarter plus several minor productions.

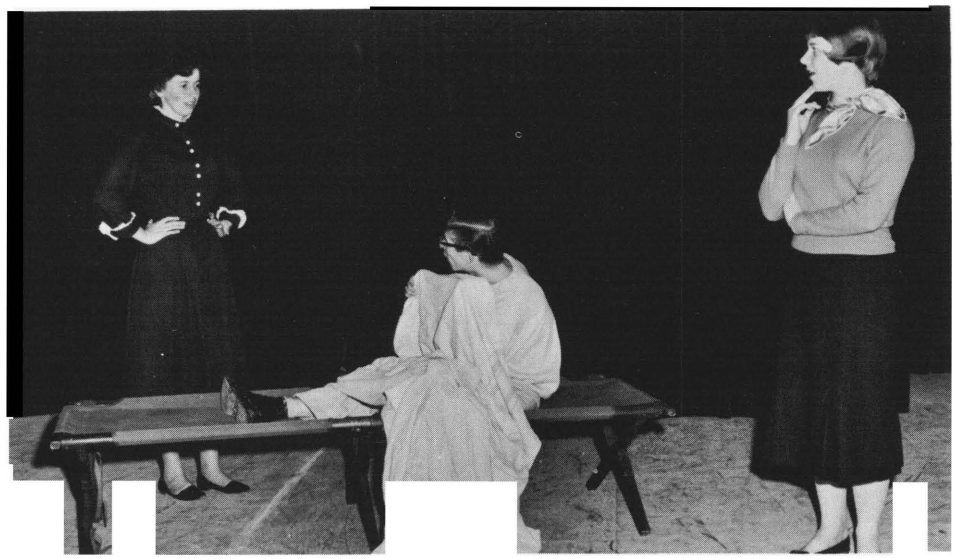

The Northern Players' membership is not limited to just theatre majors and Liberal arts students but is open to any student who is interested in theatre arts of any form.

First Row: P. Gray, P. Tanner, Treasurer; D. R. Smith, Advisor; D. Funk, President; E. Hubner, H. Schmitz. *Second Row:* N. Johnson, J. Niehausmyer, M. Gerstenfeld, R. Pancake, N. Allen, L. Webb, J. Wolfe, S. Meyer, P. Whitmer, M. Lewis. *Third Row:* R. Patton, G. Solomon, J. Kaufman, P. Yehl, B. Foulkes, K. Bowden, S. Allen, B. Lyle, J. Moore. *Fourth Row:* F. Uveges, R. Mason, R. Yelinek, J. Chandler, R. Powers, D. Fisher, T. Mitchell, J. Ruef, E. Tutelian, K. Martin.

"Quiet Please"

Right: A "hillbilly" (Wayne Reeves) is caught off guard by an unexpected visit from Mattie (Betty Jane Foulkes) a member of the Sunnyville Christian Society, and Catherine (Nancy Johnson) who portrays a social worker hopelessly stranded in "them thar hills."

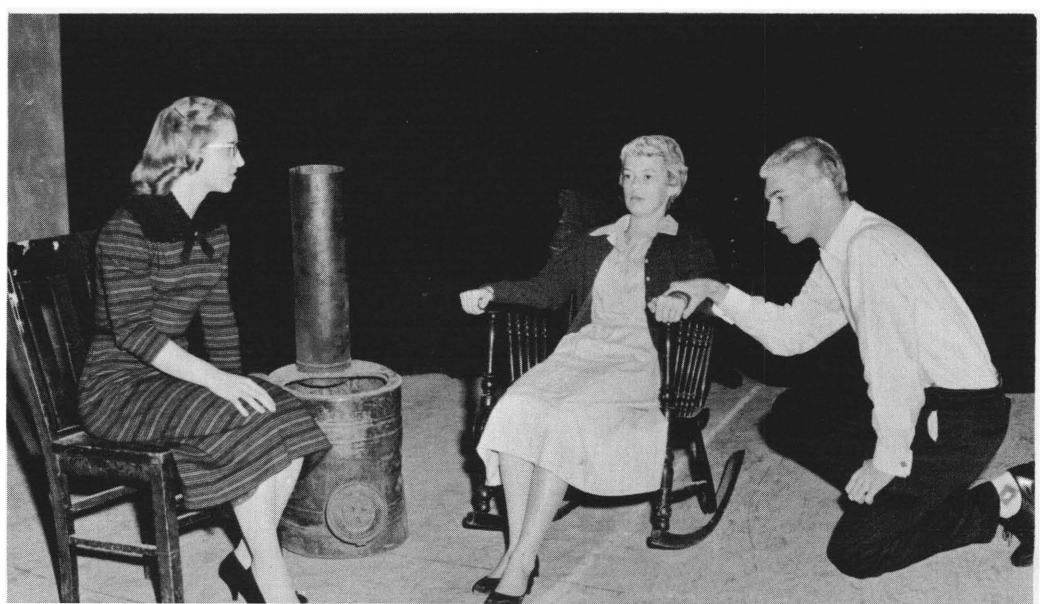

"Trysting Place"

Left: "Surprise" seems to be the understatement of the year, when Lancelot Briggs (Joe Uveges) learns that his beloved Mrs. Curtis (Nancy Allen) is a "Mrs.". Also on the scene, from left to right, are Jessie Briggs (Karen Bowden), Mrs. Briggs (Emily Adams), Mr. Ingoldsby (Phil Tanner), and Rupert Smith (Glenn Solomon).

"Which Is The Way To Bosfon?"

Right: "Shock" dominates the scene, as we find Mary (Ann Jenkins) and her father-in-law John Harvey (Ron Powers) witnessing the sudden and ironical death of Martha (Becky Pancake).

Seated: E. Hubner, *S.* Franks, J. Wolfe. *Standing:* E. Tutelian, D. Funk, Vice-president; R. Yelinek, P. Gray, President; J. Moore, C. Frye, G. Solomon.

Theta Alpha Phi

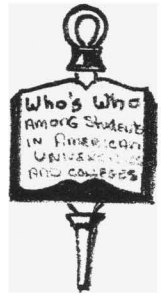

Theta Alpha Phi is a National Honorary Co-Educational Dramatic Fraternity. It gives honor to people who have contributed generously to educational theatre on college campuses.

The fraternity holds alternating regional and national conventions, at which students can exchange chapter ideas and gain more knowledge of theatre in general.

Ohio Epsilon's activities are divided into four groups: The Alumni Committee, The Publicity Committee, The Scholarship Committee, and The Touring Committee.

Twenty-Two Seniors Elected To Who's Who Among Students In American Colleges And Universities

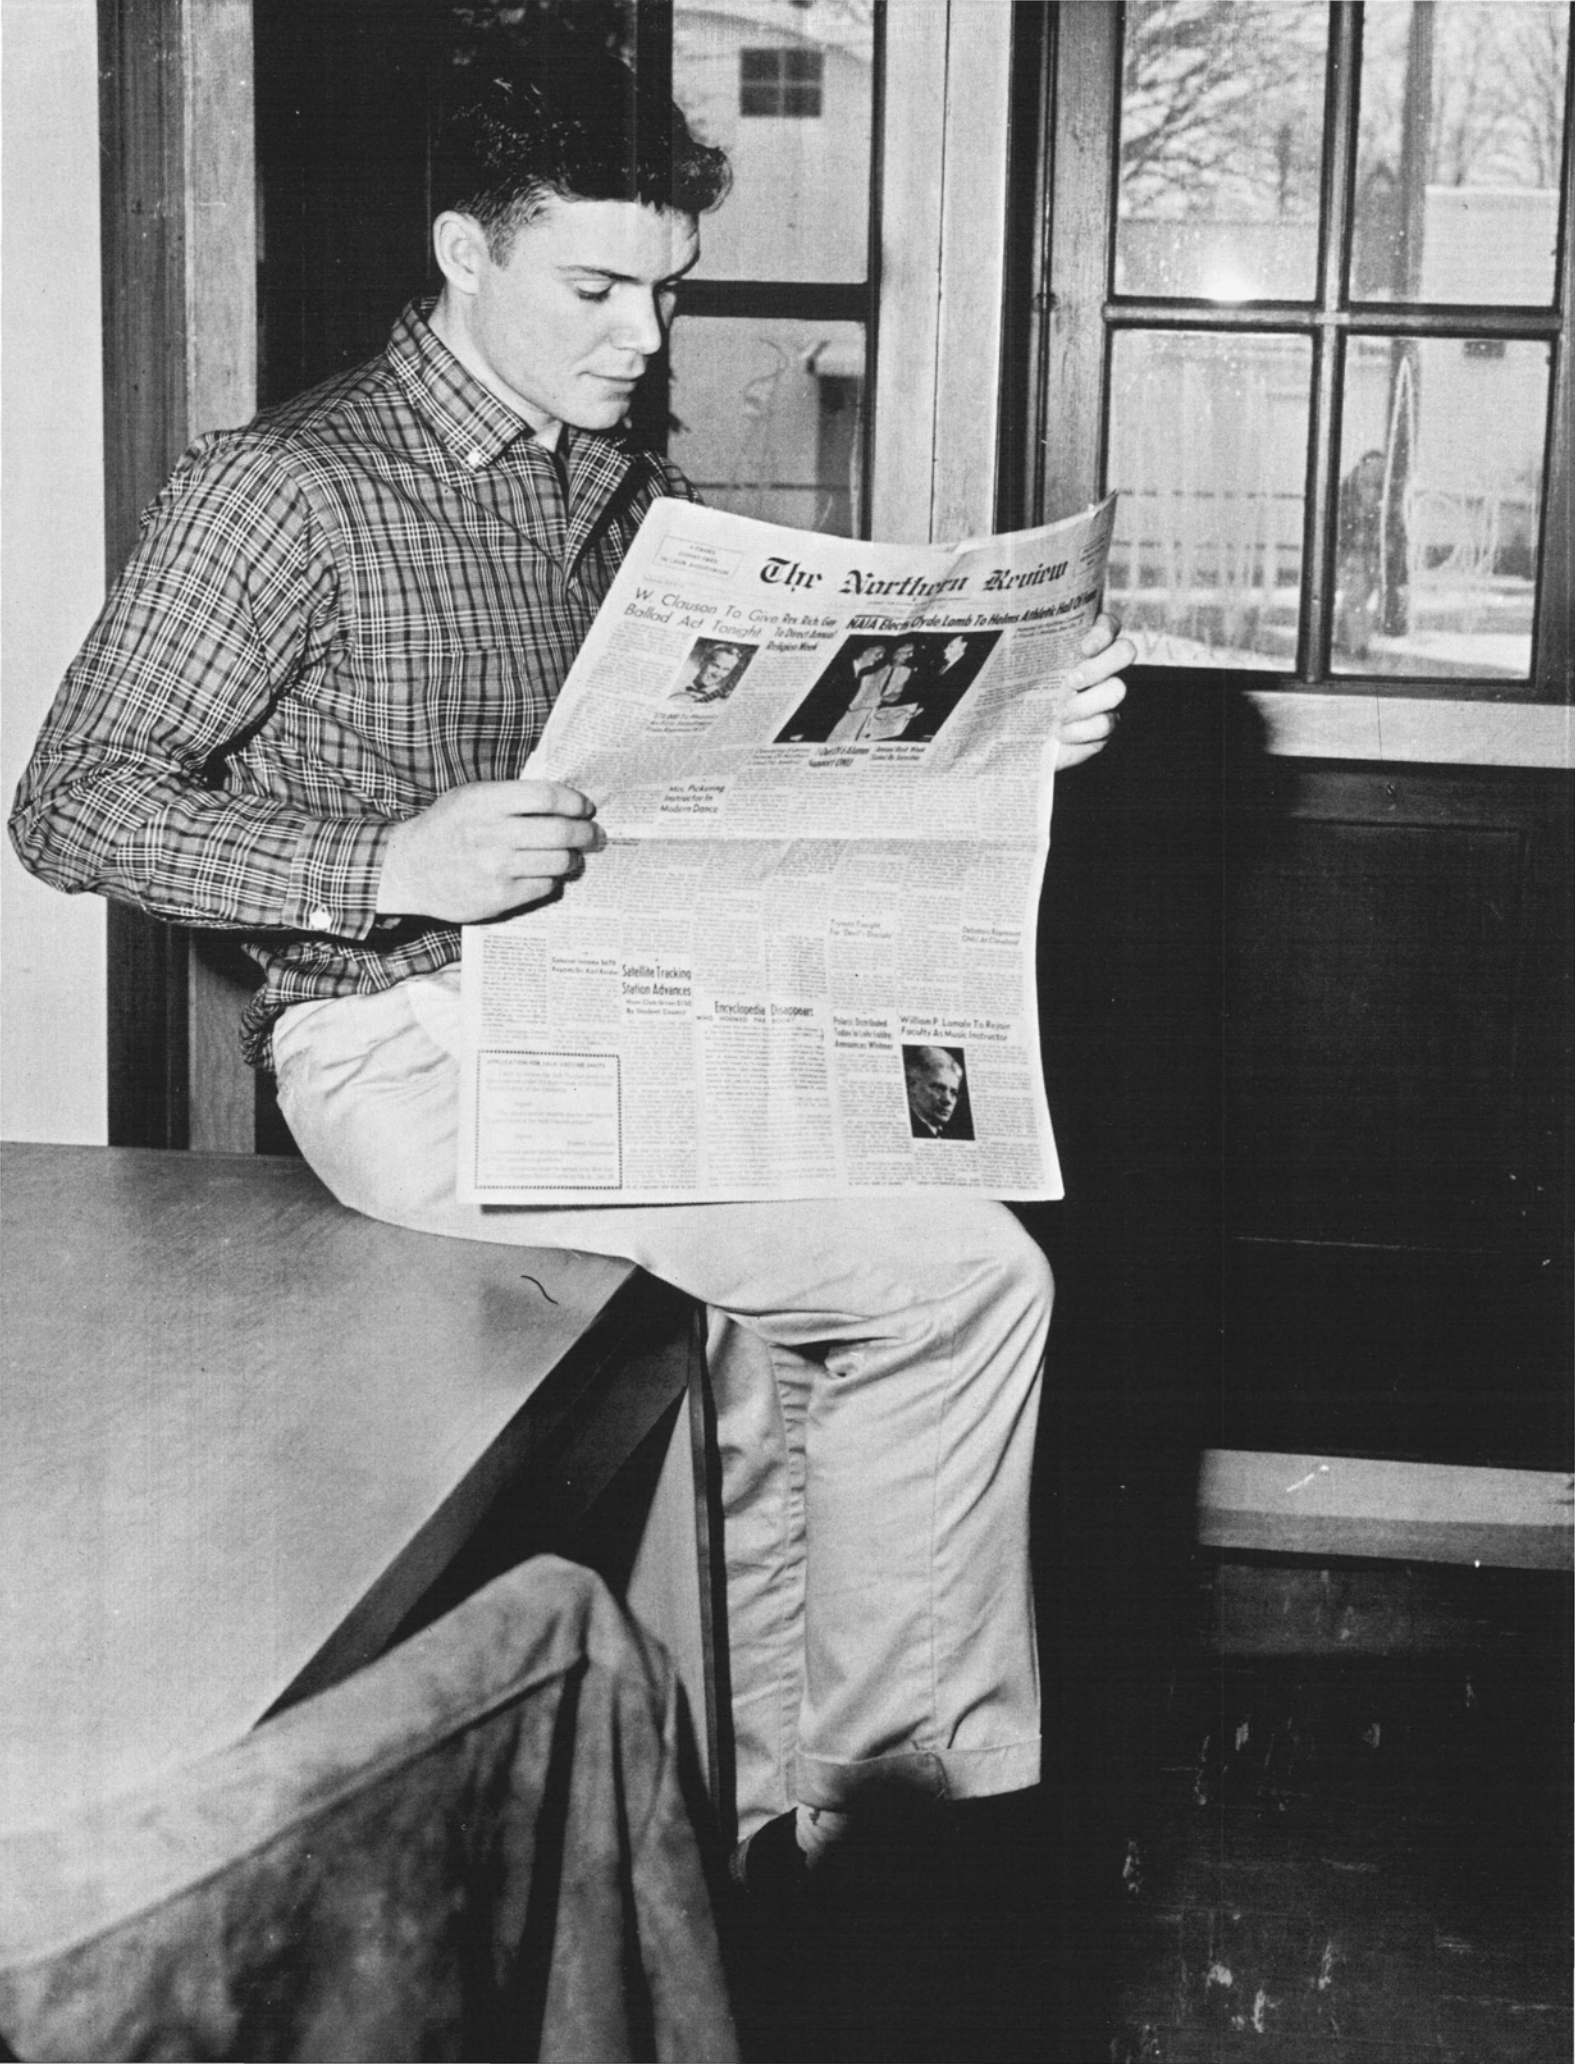

Each year a group of outstanding students are selected to represent Ohio Northern in the annual volume of "Who's Who Among Students in American Colleges and Universities." Nominations are made through the combined efforts of the administration and the Student Council on the basis of scholarship, participation in extra-curricular activities, leadership on the college campus and promise of future usefulness. This year each college of the University is represented. There are five from the Engineering College, five from the Law College, seven from the Liberal Arts College, and five from the Pharmacy College.

Seated: Boyd Schultz, Manvel Geyer, Vija Abele, Marilyn Young, James Hugus, Fred Grismore. *Standing:* Bruce Rebok, Don Funk, Robert Beam, James Spahr, Wayne Hamilton, Frank DeDomenico, Herman Knodt, Warren Bertram, James Krouse, Philip Gray, Robert Huffman, James Abercrombie, Ralph Phillips. *Not pictured:* Lawrence Huffman, Peggy Michael, and Barbara Smith.

of 1958 Annual

TYPING STAFF. R. Laman, P. Yehl, J. Wolfe, M. Williams, D. Fly.

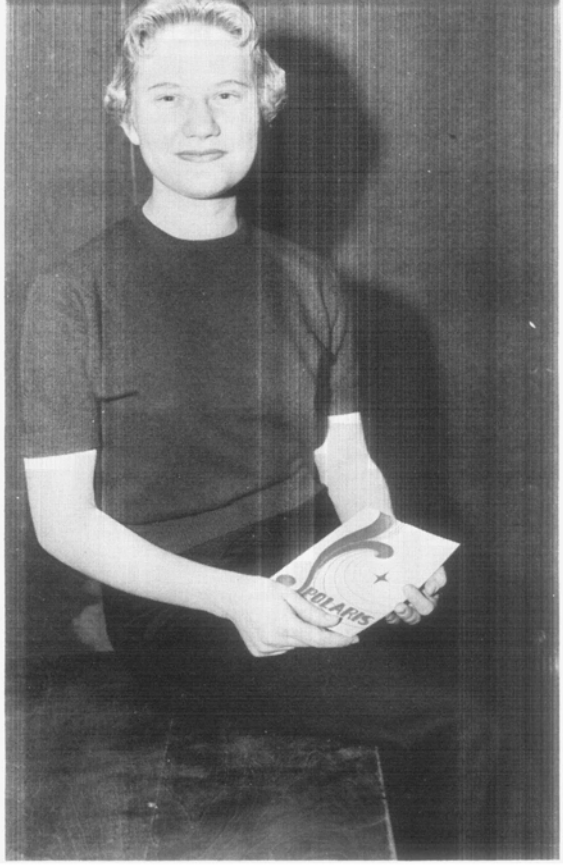

William Hughes, Business Manager.

Another year and another yearbook takes its place on the shelf. The staff has worked hard to produce a book the school will be proud to claim. In the past three years the *Northern* has received two first class and one second class rating by the Columbia Scholastic Press. This year the organization of the book was changed and the number of pages was slightly increased. The main photography for the yearbook was done by Apeda Studio, however Coach Clyde Lamb, Reverend Wintringham and Clayton Stimmel also made some excellent contributions to the book in photography.

Business Manager William Hughes discusses the advertisements with his assistant Tom Coe.

Patricia Whitmer, Editor

Literary Magazine, added to O.N.U.'s Publications . . .

Polaris, the campus literary magazine, entered its second year of publication under Patricia Whitmer's editorship. Created to furnish an outlet for students' poetry, essays, short stories and plays, the second and third copies of *Polaris* appeared in 1958. Alan Herriman, assistant editor, Henry Schmitz, Glenn Solomon, and Janet Vannorsdall served on the Editorial Board, which aided Miss Whitmer's selection and revision of the students' contributions. Ruth Washburn and Merle Stratton served as business managers, while Dr. George Barber and Allen W. Higgins advised the group.

THE NORTHERN LIGHT

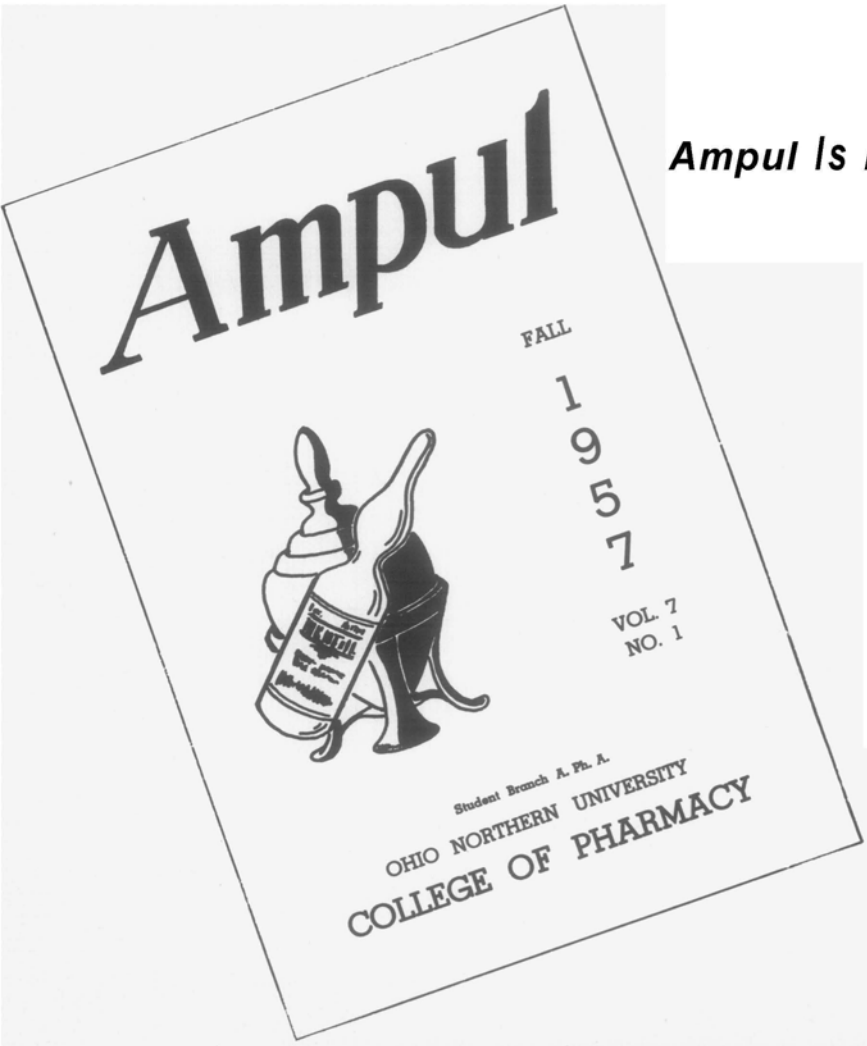

Student Handbook Now Under Student Publication . . .

The Student Handbook was published this year under the direction of Alpha Phi Gamma, the National Honorary Journalistic Fraternity. Henry Schmitz was the Editor with Saundra Disher serving as Assistant Editor. Included in the Handbook this year were humorous stories such as: "How not to be popular," "Lost your Weekend?," and "Looking for a Book-worm?" These stories proved to be very helpful not only to the freshmen students, but to the upperclassmen as well. Clever art illustrations, which were done by Nancy Towne, also added to the readability of the handbook.

First Row: M. Lewis, Editor H. Schmitz, Advisor A. Higgins, Assistant Editor S. Disher, S. Andrews. *Second Row:* J. Bumbaugh, P. Whitmer, J. Ruggles.

Ampul Is Edited By Pharmacy Students

The Ampul is a quarterly publication of the Ohio Northern University Student Branch of the American Pharmaceutical Association. It is sent to every person who has ever graduated from the Ohio Northern College of Pharmacy. The Ampul is published by students with faculty supervision.

It contains feature articles about the profession, fraternity and sorority news, alumni news, and editorials. The Ampul is received by more than 2000 pharmacists three times a year and serves to keep students abreast of the profession, and alumni in contact with the school.

Alpha Phi Gamma Gives Recognition To Students Working on Publications

Alpha Phi Gamma is an honorary co-educational fraternity consisting of members who have achieved high standards in the field of journalism. Its purpose is to aid and further any and all of Northern's publications. Alpha Phi Gamma in co-operation with the Annual Staff held a banquet for Miss Northern and her court as well as members of Alpha Phi Gamma. The organization edited and produced *The Northern Light* for the second year with Henry Schmitz and Saundra Disher again serving as editor and assistant editor respectively, with a staff of members and pledges of Alpha Phi Gamma.

Greeks

Pan-Hellenic Council Coordinates Sororities . . . .

Pan-Hellenic Council is composed of the presidents and vice-presidents of each of the three sororities. The officers of the council are selected on a rotation system with each sorority having an officer of Pan-Hellenic Council at regular intervals. The purpose of this council is to further active cooperation and understanding among the sororities, between sorority and non-sorority women, and between the sororities and the University.

Always working for the good of the University, Pan-Hellenic Council strives to promote fine intellectual achievement and scholarship, to maintain high social standards, and to promote worthy projects on the campus. All regulations concerning rushing and pledging, as set up by our constitution, are enforced by this council. The procedures of pledging are explained to eligible rushees preceding each quarterly rushing period, after the council has determined the quota for each sorority. The quota is determined through the help of Mrs. Elma Grant Davis, Assistant Dean of Students, who is our council advisor.

Organizations are not complete without a certain amount of social activity. This year the council sponsored a spaghetti supper and netted more than $150. Another project of the council was a card party featuring a style show. This, together with the supper, tremendously aided our goal of furnishing the tri-sorority house. The biggest social event of the year was the Tri-Sorority Formal which took place in April.

Seated: Nancy Hummon, Treasurer; Sharon Stahl, President; Mary Jo Basinger, Secretary. *Standing:* Barb Herr, Lois Wright, Donna Morrison.

Gayle Heidrich and Marge Mason enjoy the informal atmosphere of the Phi Chi's "Soiree."

Rushees were taken to a "Swiss Haven in the Alps" for an evening's entertainment.

Rush Parfies Are Highlight Of Winfer Quarter For Sororifies And Rushees

T.K.'s transported their rushees to Holland for a "Holland Holiday."

Rushing begins the third week of the second quarter. This delayed rushing system has been found to be the best, as each girl has a chance to make up her own mind and is not rushed into joining one group without knowing any of the others. The sororities, too, have a chance to get to know the girls better. A girl must have completed one quarter's work with a point average of two quality points. Each sorority is allowed to pledge one-third of the eligible Freshmen rushees.

Informal chatting helped the Theta's and rushees to get better acquainted.

The Phi Chi's entertained their rushees in the tri-sorority house.

PHI CHI

Phi Chi sorority was founded in 1909 by Mabel Howell Griffiths and they have been active in campus affairs ever since.

This year they started off at a high point by winning all the honors at Homecoming. The winning pushmobile was an original design by Carole Bennett, an engineering student, and the Homecoming festivities were presided over by Queen Marilyn Young. The Alumni dinner held after the big game was one of the largest and best attended in the past years. The rush party, held in January during Rush Week, was decorated to give the atmosphere of an evening lawn party on a Southern plantation and appropriate entertainment was provided. In February, the high spot was the annual Winter Formal. It was held in the Conservation Club and the Northmen provided the music.

Last spring in conjunction with the Campus Chest auction we "purchased" the services of the Alpha Epsilon Pi fraternity to clean our rooms and in turn the sorority cleaned the Delta Sigma Phi house.

In the intramural sports program sponsored by W.A.A. the volleyball championship for the third year in a row went to the Phi Chi's.

The remembrance of the rush parties . . . Pledging and the many hours of work. . . The chores of becoming an active. . .That final weekend of being a pledge. . .And then the badge of achievement . . . the pin . . .

Kay Bowers, Nancy Heintz, Bertha Truxell, Lois Wright and Judy Reed reminisce while looking through last year's annual.

TKK portray "Kismet" for their May Day float entry.

TAU KAPPA KAPPA

Tau Kappa Kappa, founded in 1900, is the oldest sorority on campus. Since its organization, it has made rapid progress in all phases of college life.

Last spring quarter the T.K.'s won the Spirit and Greek Sing trophies, and this fall the group was proud to win the scholarship trophy. The group had two attendants on the May Day Court, Nancy Heintz — freshman and Sally Allen—sophomore.

The first dance of the school year was the "Polar Party," honoring the freshmen. This was followed by the pledge dance, "Autumn Frolics." At Christmas time, the sorority advisor, Mrs. A. C. Smith, entertained the T.K.'s and their dates with a party. The rush party, "Holland Holiday," was next on the agenda, after which the sorority acquired seven pledges. The winter formal, "Snow Fantasy," was held February 8, at the Ada City Hall.

The T.K.'s have purchased curtains for the tri-sorority house.

THETA PHI DELTA

Theta Phi Delta opened the year by honoring the Freshmen at the "Pink Elephant Room." Right after the social whirl of Homecoming, the Theta's got busy on a new and different project. So it was on a rainy beggar's night before Halloween, the Thetas canvassed the town in a door to door calling; asking for canned goods and clothes for the Robin Rodgers School for Mentally Retarded Children. "Rhythm and Blues" was the last dance of the quarter, as the Thetas joined with their brother fraternity, Sigma Phi Epsilon, and engaged Bob Edwards, Findlay disc jockey, to spin the records.

The Student Center was transformed into a "Haven in the Alps," where we entertained prospective pledges as the regular rush season began. After pledging, the Theta's were proud to claim fourteen eligible rushees as future Theta's. Also during this quarter was the winter formal, and the pledge dance.

Trophies added to the trophy case were Greek Skit, 1957 and 1958; May Day Float, 1957; Scholarship trophy. Spring quarter 1957.

Sister Donna Morrison was an attendant to the Homecoming Queen. Sister Nancy Towne was chosen "Miss Northern" by Perry Como, with Sister Saundra Disher as one of her attendants. Sister Bette Jeanne Weintz reigned as queen of May Day, 1957, with Sister Saundra Disher as her junior attendant.

Inter-Fraternity Council—One Of the Key Governing Bodies Of the Campus

The Inter-Fraternity Council, which is composed of one member-from each fraternity, strives to create a closer bond of brotherhood among the eight fraternities.

Its specific duties consist of regulating rushing and pledging, settling disputes between member fraternities, and co-ordinating all fraternity group functions and activities.

One of the outstanding social events of the year, the I.F.C. Ball, is sponsored by the council. The council, in conjunction with the Pan-Hellenic Council, also sponsors the popular Greek Skit and Greek Sing Night.

From its beginning the I.F.C. has worked with the university to help and encourage the fraternity man to become a better campus and world citizen.

Rushees gathered in the dining hall for a bit of entertainment.

Fraternity Smokers

The rushees enjoy refreshments while watching the skit at the Kappa Psi Smoker.

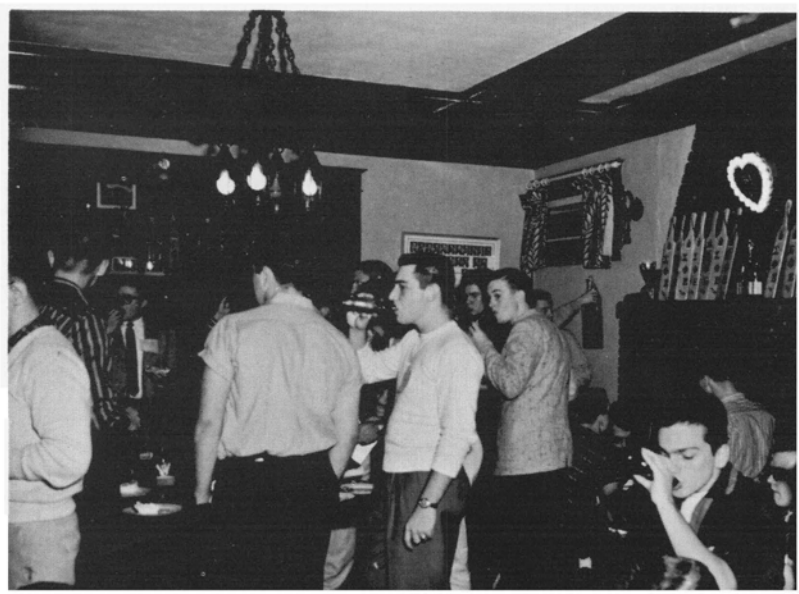

During the month of November the eight social fraternities on campus hold their Smokers to get acquainted with the Freshman men. These smokers are regulated by the Inter-Fraternity Council, and are held to introduce the new men on campus to fraternity life and fraternity men. Bids are sent out just before Thanksgiving vacation.

Several rushees gather in a corner to eat, relax, and talk.

In November

Helping themselves to the refreshments are the Sig **Ep** rushees.

ΑΕΠ ALPHA EPSILON PI

This past year has been quite an eventful one for both the actives and pledges. Homecoming found us stuffing the house decorations just before our big weekend affair. Tradition has not been forgotten, because the corned beef that was left over was missing the next morning.

Tragedy struck in the middle of winter quarter when the fire department made two trips to the house in one night. The damage was not too great but we were very much inconvenienced by it. Our winter quarter was not a total loss, as our Winter Formal in Cleveland was a great success, even though there were a few cases of measles.

Perhaps the fullest quarter was spring quarter. This quarter found us busy with Parents Day, May Day, our Spring Formal, and the I.F.C. Ball. The I.F.C. weekend was planned by the pledges and a great time was had by all.

We are very proud that Boyd Schultz and Dave Bartlett were elected presidents of the senior and freshman classes respectively. The Fraternity is also active in the Student Council, I.F.C., ONU football team, band, choir, A.Ph.A., Booster Club and various other campus organizations. We would like to give thanks to our executive board for the fine work they have done. Also a word of thanks to our faculty advisor, Dr. Barney Lepovetsky, and to Dean Lawrence Archer, who have assisted us greatly in the past year.

ALPHA SIGMA PHI

OFFICERS

President	Merrill Castle
Vice-President	Jack Huston
Secretary	Nick Mastorides
Treasurer	Donn Wilshaw

Alpha Sigma Phi Fraternity was founded at Yale University on December 6, 1845, and is a charter member of the National Inter-Fraternity Council. The Sigs have been active during the past year in practically all campus activities, especially journalistic, dramatic, athletic, and musical. In intramurals the brotherhood won the 1957 All-Sports trophy, 16 Fraternity and all campus trophies, and are right on top in the race for the 1958 All-Sports trophy. Members have won positions on Northern's football team, basketball team, both Varsity and J-V baseball team, and the tennis team, besides holding the president of the choir and band, editor of the Northern Review. Many members are on the Student Council and hold membership in other campus activities and clubs.

As usual many repairs have taken place in the house of Cardinal and stone on Gilbert Street. The rest of the old stairs have been replaced and the Brothers' room has been completely redecorated from ceiling to floor. The Alpha Sigs started the Sig-Olympics this past year. This is an afternoon of field events for the women on the campus. This is held on May Day and last year's beautiful trophy went to the Phi Chi Sorority. Membership of Alpha Sigma Phi numbers 41 actives and 21 pledges. The new pledges are spirited and have done much to improve things around the fraternity house.

The dances, parties, athletics, and other social functions have made this past year fun, helpful, and fulfilling.

Foreground: Sig. *First* **Row:** N. Mastorides, J. Huston, M. Castle, D. Wilshaw, W. Jones. *Second* **Row:** J. Woodward, J. Butcher, W. Reeves, G. Plate, R. Patton, E. Tutelian, R. Chandler, J. Evans, J. Jacobs.

DELTA SIGMA PHI

The Delta Sigma Phi International Fraternity was founded at the City College of New York in 1899, and the Ohio Northern chapter, Alpha Eta, was installed in 1920. In February we had a total of 45 active brothers and pledges. The faculty members who are brothers in our bond are Dean Lawrence Archer of the College of Engineering, Doctor Karl Roider, and Doctor Robert Hilliard of the College of Liberal Arts.

Each year the social calendar is dotted with certain regular events. As a social fraternity, the usual house dances were held as well as the annual Bowery Brawl, Sailor's Ball, Winter and Spring Formals, and Alumni Banquet. The Delta Sigs have been active during the past year in nearly all campus activities, and are very strong contenders in all clubs and organizations.

Like all other fraternities, Delta Sigma Phi proposes to give its members that intimate, beneficial fellowship with good men which is necessary for their full development, and a supplement to their cultural and professional education.

KAPPA PSI

OFFICERS

Regent	James L. Spahr
Vice Regent	Robert K. Chalmers
Secretary	J. Richard Grunder
Treasurer	William Factor

Kappa Psi Pharmaceutical Fraternity was founded in 1887 and for 38 years Gamma Delta has been an active chapter here at Ohio Northern. Kappa Psi leads in the number of alumni when compared with other pharmaceutical fraternities throughout the country. Nationally, Kappa Psi is a sponsor of many academic awards for students working on the development of pharmacy, and is prominent among the leaders of the various pharmaceutical organizations.

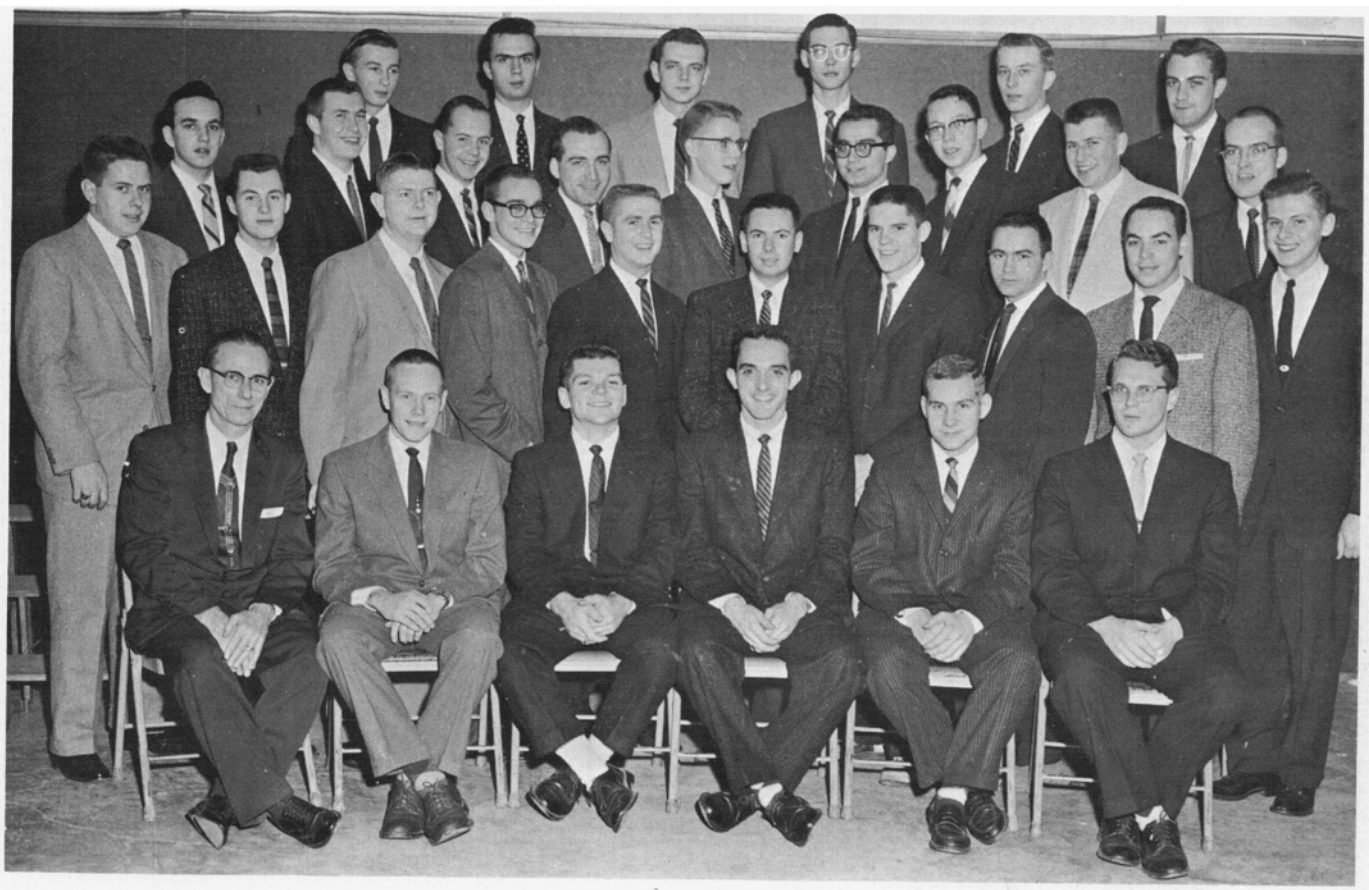

This year Kappa Psi and its sister sorority Kappa Epsilon sponsored a coffee hour for Freshman pharmics. The hour was planned to better acquaint the students with the facilities of the Pharmacy building and the Pharmacy faculty. During the year Gamma Delta sponsors a display for National Pharmacy Week.

During the year each class presents a dance or social function which is climaxed by the Spring Formal held at Indian Lake.

Kappa Psi was prominent in campus affairs this year. Our regent, Jim Spahr, held the office of Inter-Fraternity Council president.

Dean Smith, heading the College of Pharmacy, and Dr. David Yoder, professor of Pharmaceutical Chemistry, are active members of Gamma Delta. Dean Emeritus Rudolph Raabe is a revered graduate member of our chapter.

First **Row:** A. C. Smith, R. Grunder, R. Chalmers, J. Spahr, W. Factor, D. **S.** Yoder. ***Second* Row:** H. Garrett, T. Galleher, R. Ratai, J. Hochadel, J. Deem, J. Rauschkolb, E. Ritzman, J. Wills, W. Lehman, D. Hall. *Third* **Row:** C. Loan, K. Woods, G. Selover, J. Aiello, H. Hiner, J. Popoff, L. Heller, A. Craigo, J. Boylan. *Fourth* **Row:** J. West, J. Tallman, R. Keffer, R. Peper, R. Boals, W. Ritchey.

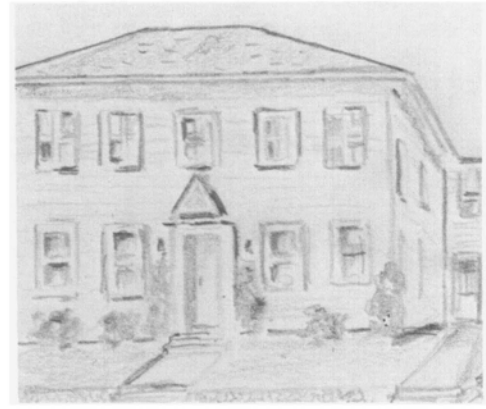

PHI MU DELTA

Phi Mu Delta's social season began with the "Campus Rock" dance, with the music furnished by a Bowling Green combo. During the winter quarter the annual "Monte Carlo Party" was held. In the spring the annual formal was held at the Findlay Country Club. Among the other dances of the year the Mombo Italiano spaghetti supper was a highlight.

In campus organizations the brotherhood has been very active. The Student Council contained three brothers, with another as a member of the Board of Governors. Brother David Weir served as president of the Junior class and president of ASCE.

The Mu Beta Chapter of Phi Mu Delta was founded at Ohio Northern on March 15, 1926. The national fraternity was founded at the University of New Hampshire on March 1, 1918.

Membership of Phi Mu Delta consists of 35 active brothers and 19 pledges. Professor Ernest Abele of the Physics Department and Professor Rex Loman of the Industrial Arts Department serve as advisors. Brother George Schertzer, Alumni Secretary, is also a member.

Ron McQuown gets the shaving cream treatment.

A taxidermy is about to be performed on Mr. Coon.

Phil Tanner, Danny Kohli, and Bob Dorsey model the latest fashions in hats.

Before long we will take our place in the world . . . Competing with other men. . .

A brother from another school. . . But a product of a similar background . . .

Seeking a similar road and meeting similar crossroads . . .

Tanyce Spitzer and Bill Lang, pinmates, are enjoying a moment of relaxation after a trying week.

Tom Cole, president of the Sig Pi's, calls the meeting to order.

SIGMA PI

OFFICERS

President	Tom Cole
Vice-President	Bob Diekmann
Secretary	Jim Day
Treasurer	Phil Tanner

This is the forty-sixth year for Zeta chapter of the national Sigma Pi fraternity on Ohio Northern's campus. Zeta is a social brotherhood and was established to fulfill five ideals:

1. To establish a brotherhood.
2. To establish and maintain an aristocracy of learning.
3. To raise the standards of morality, and develop character.
4. To diffuse culture and encourage chivalry.
5. To promote the spirit of civic righteousness and quicken the national conscience.

Sigma Pi participates in all interfraternity functions at ONU, and the brothers are all closely associated with several extra-curricular activities. Bill Lang, a law student, was this year's Student Council president. Jim Day, from the school of Pharmacy, is an active participant in the rocket activities at ONU. One of our representatives from the engineering college is Bob Diekmann, while Phil Tanner and Phil Gray, theatre majors, more than adequately represent the fraternity in the Liberal Arts College. The biggest accomplishment of the fraternity was obtaining the highest group scholarship on campus for fall quarter.

First **Row:** R. Dieckman, B. Lang, T. Cole, P. Tanner, J. Day. *Second* **Row:** S. Bassett, J. Kendall, J. Rickhart, M. Farrett, T. Best. *Third* **Row:** P. Gray, J. Ruef, D. Kiern, J. Uveges.

SIGMA PHI EPSILON

Sigma Phi Epsilon was founded at the University of Richmond on November 1, 1901. The Ohio Alpha Chapter at Ohio Northern University was founded February 18, 1905. This Chapter House at 821 South Gilbert Street was built in 1916-17 by the brothers themselves. It was also the first fraternity house built as such in the state of Ohio.

Nationally, Sigma Phi Epsilon is the second largest social fraternity, chapter wise, with 145 chapters and over 52,000 alumni and active members. The Sig Eps are the largest nationally, and the oldest continually active fraternity on this campus.

The social calendar for the year was very successful under the auspices of Jim Schneider, social chairman. Some of the highlights were the buffet dinner for the freshmen women, the winter formal, the pledge Bacchanalia dance, the Daisy Mae dance, the spring formal and the dinners held for the sororities each spring. Also, several successful sweater dances were held, as well as an active participation in T.G.I.F.

Sigma Phi Epsilon was well represented in campus activities by winning the 1957 May Day float contest and various intramural trophies. Over 830 members have been initiated since its inception in 1905. Faculty members include Dr. Wilfred Binkley, Dr. Matthias Schmitz, and Professor Robert Bowden, chapter counsellor.

The "Artists and Models" Dance is one of the many dances held by the Sig Eps.

THETA KAPPA PHI

OFFICERS

President	Robert Huffman
Vice-President	Emil Straub
Secretary	Dick Stigliano
Treasurer	Richard Dudek

The 1957-58 year at Zeta Chapter of Theta Kappa Phi was one of the most successful ever completed. During the year a new annex was remolded from our brick garage, this being accomplished by the active chapter during Freshman Week.

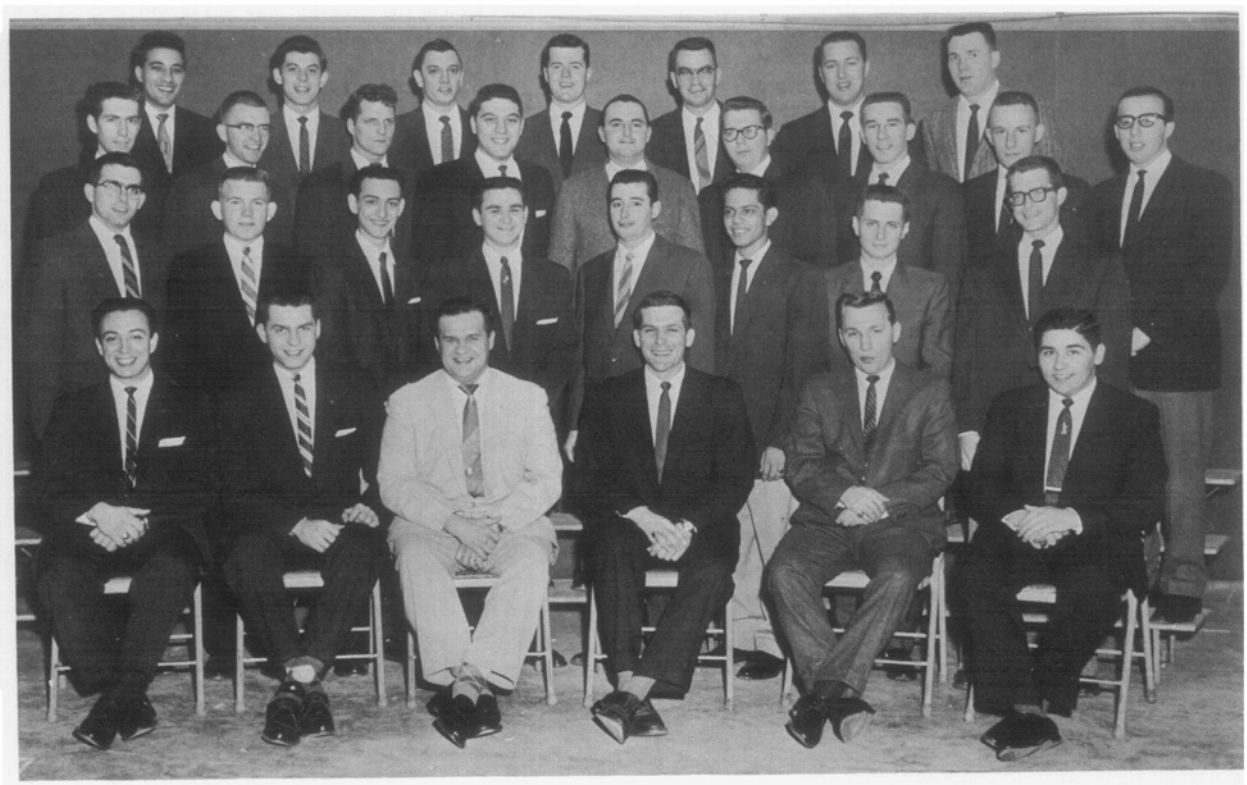

Socially, this year was a great one. It included the annual Turtle Hop, Pledge Dance, Homecoming, and Spring Formal.

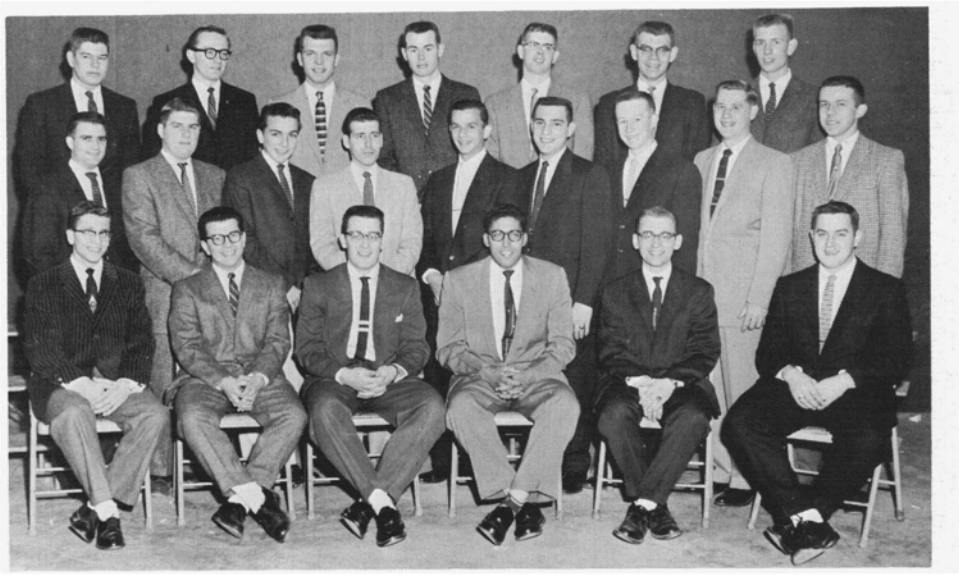

Zeta Chapter of Theta Kappa Phi, a national fraternity for Catholic men, was founded thirty-three years ago on the campus of Ohio Northern to bring students into brotherly relationship; promote the spirit of good fellowship; encourage the attainment of high scholastic standing; and to offer each and every member a congenial home to spend his four years here at college. The fraternity offers a unified Catholic atmosphere, maintaining the Catholic standard of morality while providing all social, educational, and athletic advantages.

The "House on Irish Hill", as Zeta Chapter is known, has many members active in campus organizations. Among these are the Newman Club, the Pre-Law Club, the Young Republicans Club, Pep Club and many others. In sports we have members on the football team, basketball team, and golf team.

Our advisor is Professor Vincent Immel of the College of Law and The Reverend Francis X. Schweitzer is our spiritual advisor. Zeta has an active membership of thirty-three brothers and twenty-eight pledges.

First **Row:** T. Carsone, N. Barry, E. Straub, R. Huffman, J. Gurin, J. Anthony. *Second* **Row:** W. Fleck, G. Repas, P. Cardiero, L. Vacca. *Third* **Row:** J. Schiavone, E. Murphy, N. Kennedy, J. Cioffi, J. Heiman, S. Vavro, D. Degli, J. Mathew, J. Valore. *Fourth* **Row:** V. DiPietrio, S. Vidman, S. Runco, P. Feehan, T. Denson, V. LaMarco, J. Sherman.

PLEDGE **CLASS.** *First* **Row:** R. Muia, R. Sementelli, L. Farnelli, T. Leyton, J. Hripko, J. Spiker. *Second* **Row: A.** Stiggi, W. Youngless. G. Pascador, **A.** Bodia, P. Rios, J. Vince, T. Gnidover, P. Suidock, J. Grubenhoff. *Third* **Row:** F. Lane, B. West, T. Fry, M. Gould, C. Shoemaker, D. Smith, J. Goecke.

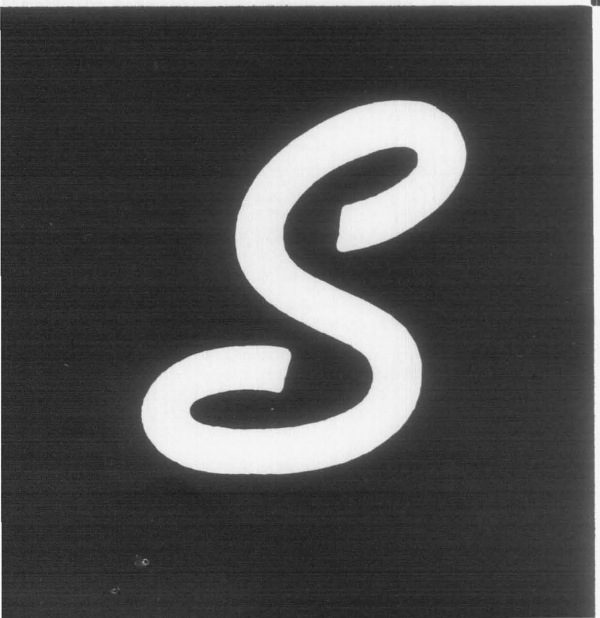

In looking back . . . It is all these things . . . Working together . . . Playing together . . . Struggling together . . . That have prepared the graduating senior to commence building a successful life . . .

The Theta Kaps held their annual Homecoming dinner and dance at Sarno's in Lima.

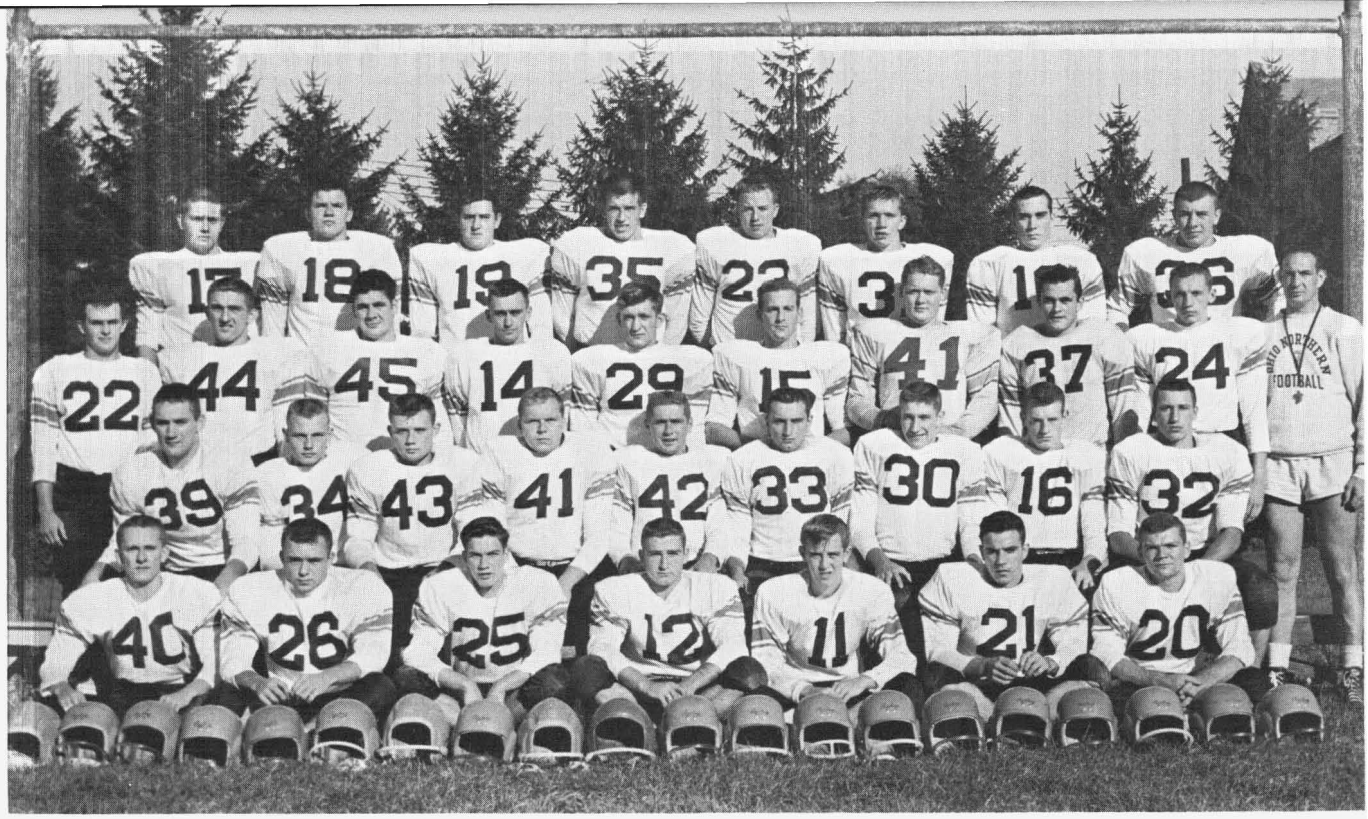

The brothers worked many hours on the project of turning their garage into a living quarters.

COACHES. Line Coach, Marvin English; Head Coach, John Nettleton; Backfield Coach, Clyde Lamb.

Polar Bears Win One Lose Seven . . .

Ohio Northern's Polar Bears showed slight improvement over last year as they posted their firstvictorysince the 1955 campaign. In his second year as head Coach John Nettleton saw his team score in all but one game. The squad was made up largely of freshmen and sophomores, as it has been for the past few seasons.

Dave Staley | Boyd Schultz | Don Winstead | Dean Worsencroft | Bob Chalmers

Four-Letter Men Receive Recognition

DAVE STALEY, Tackle from Greenville, a four letter man in football. Dave has been one of the few big men in Northern's line. BOYD SCHULTZ, Halfback from Cleveland. "Pinky" was Co-captain of this season's team and a real spark plug as he ran, passed, and kicked his way to a third varsity "N." DON WINSTEAD, Guard from Findlay, Don was co-captain during this his second year as a regular. DEAN WORSENCROFT, Guard from Poland. For the second straight year Dean has been one of the ablest and steadiest middle linemen. BOB CHALMERS, Guard from Kent, is playing his second year as a varsity lineman. Bob has given valuable service in both offense and defense, dispite his comparatively small size.

Manager Wayne Wachtel and Coach Nettleton stand by helpfully as Roger Ebersole receives first-aid.

Rundown Of The

OTTERBEIN: Ohio Northern's Polar Bears opened the 1957 grid campaign against Otterbein at Lima Memorial Stadium. Otterbein struck pay dirt early in the first quarter but failed to convert. Both teams played excellent defensive ball until late in the third quarter. Then Al Zimmer recovered a fumble deep in Cardinal territory and Tom Tilton scored Northern's only TD to tie the score. Otterbein scored twice in the last quarter while holding the Polar Bears scoreless for a 19-6 win over O.N.U. . . .

WILMINGTON: The first conference game of the season proved to be the brightest spot of the year for Northern. The Polar Bears took to the air to down Wilmington for their first win since 1955. Tom Tilton passed Al Zimmer for the first score and Boyd Schultz hit Jack Maxim with a short pass for the second. Dick Hole kicked one point after the touchdown and passed for the second. The Quakers also scored twice but failed in both conversion attempts.

Football Season...

Jack Butcher and Cliff McCormick were the defensive stand outs for Northern in bringing the Wilmington offense to a hault, a Northern victory 14-12.

FINDLAY: In their first road-game of the year the Polar Bears fell victim to a powerful Findlay eleven. The Oilers scored early and often; the third quarter ended 40-0 in favor of Findlay. Northern's lone touchdown came in the fourth period when defensive ace Jack Butcher jarred the ball loose from an Oiler back and recovered the fumble on Findlay's 14 yard line. Boyd Schultz moved eight yards off tackle for the score. The single touchdown proved too little, too late, however, as Findlay defeated ONU 47-7.

ASHLAND: The Bears fared no better the following week against Ashland. Trailing 7-0 at halftime, Northern managed to tie the score late in the third quarter on a Schultz to Zimmer pass. The Ashland team bounced back in the fourth quarter and scored three times in succession to assure victory. Sonny Hicks passed for Northern's final TD of the game and Dick Hole kicked his second conversion of the day. Final score Ashland 31- Northern 14.

. . . Shows Polar Bears Spirit And

BLUFFTON: The Bluffton Beavers captured the Mid-Ohio league title in defeating Northern 58-14. The championship team lead all the way to the delight of an Ashland Homecoming throng. Jack Maxim and Sonny Hicks both scored for the Polar Bears but their efforts were to no avail as Northern lost its third in a row.

DEFIANCE: Defiance provided ample competition as the Bears lost their Homecoming game in the closing seconds of play. Jack Maxim scored a first quarter touchdown but Northern missed the point after. The game was highlighted by fine defensive play on both sides. Neither team scored in the second or third period. With a few short minutes remaining in the game the visiting Yellow Jackets took over on the ONU 36 when **a** Northern kick fell short. Defiance then scored their only touchdown of the game and converted the all important point after. The game ended 7-6 with the Bears again in possession.

Endurance Greatly Improved

DENISON: The Big Red wave of Denison piled up a four touchdown lead in the first quarter as they dealt Northern its worst defeat of the season. While the Denson defense proved impregnable their offensive unit rolled up a total of 71 points. The route was nearly identical to the beating the Polar Bears suffered last year at the hands of Denison. The loss was ONU's final road game of the year.

ALMA: Northern's final game of the 1957 season gave the scant crowd little to cheer about. The fourth quarter began with the score 26-0 in favor of Alma. Jack Maxim scored both of Northern's touchdowns in the final period on runs of 15 and 85 yards. Hicks and Hole each made one point after to complete the season's scoring for ONU. The year ended with sophomores Zimmer and Butcher turning in a fine defensive performance. They were ably assisted by freshman Joel Spiker and Tom Geschwind. Alma also scored twice in the fourth quarter and Ohio Northern's Polar Bears closed the season with a 40-14 loss. The season record. . . one win, seven losses.

We Have Reached A Crossroad . . . .

In spite of a losing season we have reached a crossroad in football at Ohio Northern. The University has begun a program aimed at the improvement of athletic teams through the extension of leadership scholarships. This year's team was made up mostly of freshmen, many of them aided by these scholarships. The spirit of the Administration, Alumni and student body toward the program should help to return winning football to Northern.

Foreground: Keith Saeks. *Left to Right:* Doneta Fly, Pat Weller, Sally Allen, Nancy Allen.

Cheerleaders

Northern Faced 57-58 Season With But Few Upperclassmen Starters

League Standing

Wilmington	11- 1
Findlay	10- 2
Defiance	7- 5
Bluffton	5- 7
Ashland	4- 8
Northern	3- 9
Cedarville	2-10

Northern's 57-58 basketball team was made up largely of freshmen, seven in all. This inexperience coupled with a marked lack of height resulted in a constant shifting of players in search of the right combination. The team loses only one man through graduation and with this added year of experience should improve steadily in the future.

VARSITY BASKETBALL SQUAD. *First Row:* D. Franks, M. Castle, D. White, D. Wilshaw, B. Alexander. *Second Row:* Manager J. Anspach, J. Ricketts, J. Diebley, J. Herman, B. Gick, Coach Marv English. *Third Row:* Manager D. Schertzer, J. Miller, J. Seckman, A. Paris, Trainer Wayne Wachtel.

Coach "Marv" Views Season As a Building Effort . . .

For the ninth consecutive year Ohio Northern's varsity basketball team was under the tutorage of Marv English. The poor showing made by this year's team represents the first losing year Marv has had since the 1951 Campaign. This year's team was aggressive and well-conditioned in the manner of all English products but lacked the experience necessary to jell into a consistant winner.

Marv viewed the season as a building effort in which the team gained valuable experience and poise. These will contribute to the future success of Northern's team under Marv English.

Basketball coach Marv English.

. . . With Only One Graduating Senior This Year

Donn Wilshaw, of Rochester, New York was the only senior on this year's varsity basketball team. Donn earned his fourth letter this year and served as captain of the squad. As one of the team's most consistant scorers, Donn's trademark has been a long two-handed set shot. His best night this year was in a losing cause against Defiance in which he dropped in 30 points. His absence from the court will be greatly felt in the "tuff ones."

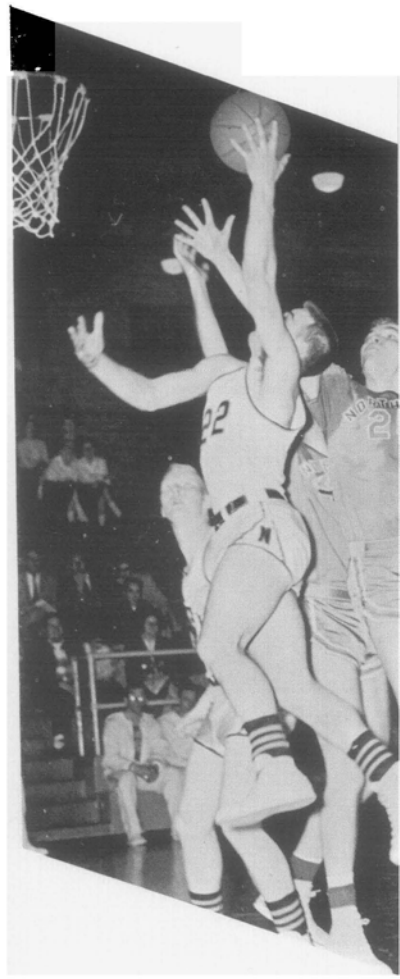

Left: Marv bids a "goodbye and thanks" to senior, Donn Wilshaw.

Jim Ricketts
Sophomore
Guard

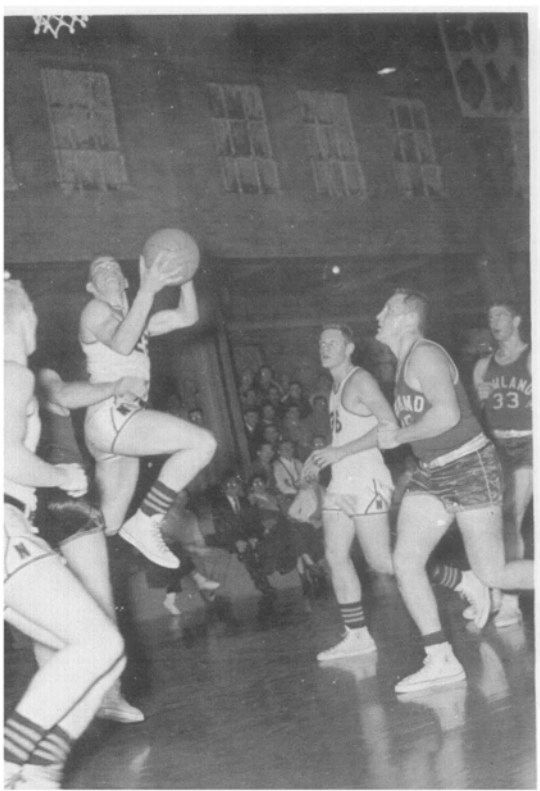

Ricketts Voted Most Valuable Player

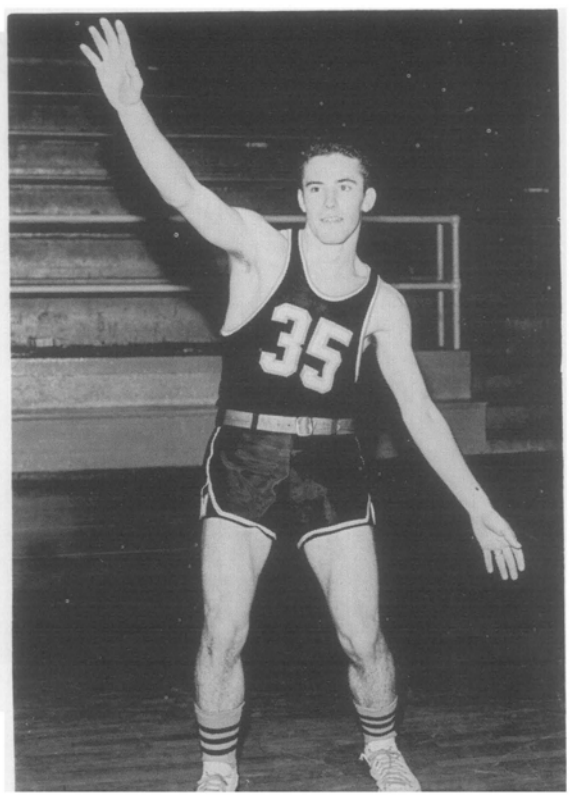

Jim Ricketts was voted by his teammates as the most valuable player of Northern's 1958 basketball team. Only a sophomore, Jim has led the team in nearly every phase of scoring both years. His 356 points this season led the team and gave him a two-year total of 699 points. Jim hit a higher percentage of his shots than any teammate, either from the floor or the foul line. He averaged just under 19 points a game and was high point man in 10 of the season's 19 games. His best game of the season was against Cedarville in which he scored 38 points. Jim played all but a few minutes of each game and always in an aggressive style.

This Year's Disadvantages Shall Re Nexf Year's

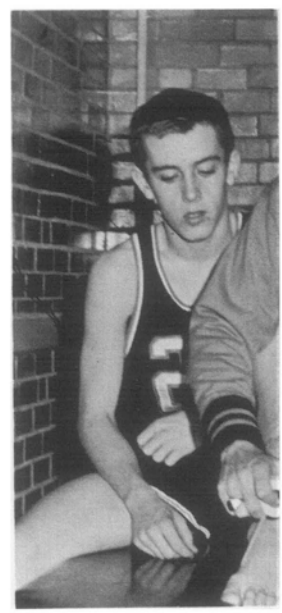

In 1957-58 Ohio Northern's Polar Bears suffered their worst basketball season since coming under the guidance of Coach Marv English. At the season's end the record Look showed a scant four wins against fifteen losses. Three of the year's wins came in Mid-Ohio-League competitions. The three wins and nine losses in circuit play placed Northern in sixth place, just a step above cellar-dwelling Cedarville.

From the opening game it became increasingly apparent that the team lacked the poise and smoothness that have marked Northern's teams of recent years. The Polar Bears broke even in the four pre-Christmas games, as they downed Cedarville and Hillsdale while losing to Wittenberg and Ashland. After returning from the holiday vacation the Bears went on their longest losing streak in recent history, six in a row without a win.

Advanfages As Underclassmen Gain Experience

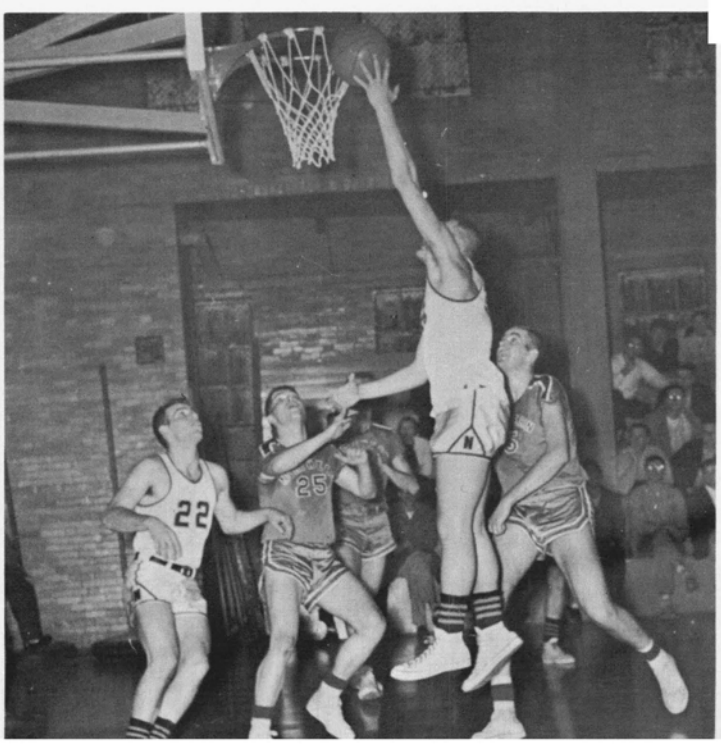

Cedarville, an earlier victim, proved cooperative again as Northern won its third of the year 120-108 and Jim Ricketts posted the highest individual mark of the year with 38 points. The Bears then went into a slump that wasn't broken until the final games of the year. They lost seven straight to "better" the earlier loss string. The lone bright spot of the period was Donn Wilshaw's brilliant performance against Defiance. Donn kept Northern in the game until the closing minutes by dropping in 30 points nearly all the product of his long two handed set shot.

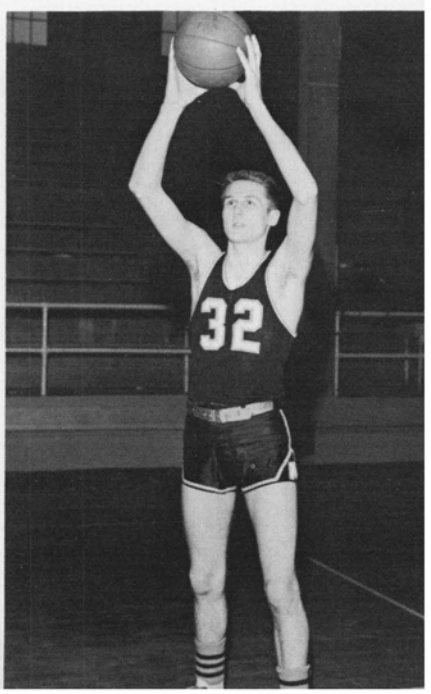

The season ended in an encouraging game. The Bears avenged an earlier loss by defeating Bluffton 67-71. Joe Bullis and Dennis White both freshmen, performed most of the team's rebounding work and contributed 165 and 129 respectively to the scoring effort. Jim Ricketts led the team with 356 points, followed by Merrill Castle with 243 points. Donn Wilshaw and Jim Seckman rounded out the regular squad.

Nettleton's J.V.'s Have Winning Season

John Nettleton coached Ohio Northern's Junior Varsity team to its second winning season. This is Mr. Nettleton's second year at Ohio Northern. In spite of a great turnover in playing personnel, the JV team played consistently good ball. The winning team was the product largely of long hours spent in conditioning and drill of the fundamentals of the game, both being administered by Coach Nettleton.

John Nettleton,
Junior Varsity Coach

J.V.'s Win 9 . . . Lose 5 . . .

The Ohio Northern Junior Varsity squad finished the 1957-58 basketball season with a good 9-5 record. The squad started the season with great promise, winning their first eight games. These first eight starts were won with some spectacular offensive hitting, paced by Bob Rodgers and Joe Miller. The team was handicapped by the loss of these two men at the end of the fall quarter as Bob left for spring baseball practice in Florida, and Joe moved up to the Varsity team.

The team as a whole shot an astonishing 52% from the field, making 367 out of 704; and 65% from the line, making 176 throws out of 268. The team leaders in these areas were: Dave Stoffer, 58% from the field and John Evans, 86% from the line. Gary Sagerman led in rebounds with 110. Sagerman also led the team in total number of points scored, 121, followed closely by Ed Fletcher, 116; and Roger Remlinger, 114.

TENNIS TEAM. *Left to Right:* Don Funk, Merrill Castle, Maurice Pfeifer, Donn Wilshaw, Dave Kastens.

For the first time in eight years O.N.U. failed to capture the M.O.L. team Crown. The team, led by player Coach Pfeifer, finished a respectable third behind Bluffton and Cedarville. Pfeifer scored a win in all his singles matches this year to run his win streak to **33.** In doing so he places first in the M.O.L. singles matches. The team's only regular season loss came at the hands of Cedarville. Pfeifer teamed with Dick Garden to represent O.N.U. in doubles competition.

Right: Dave Kastens.

Player coach Maurice Pfeifer instructs Dave Kastens in tennis techniques.

Weak Hiffing Hampers Baseball Team

Ohio Northern's weak hitting baseball team won three, lost eight, and tied one during this year's season. In spite of the rather dismal showing of the team on the diamond there were individual stars. Pitcher Smokey Stover posted a fine strike out record of **38** in **41** innings, while winning one and losing two. Stan Buehrer and Claude Stephens both posted one win to help out in the pitching department. Phil Buehrer lead the Polar Bears on the plate as he hit safely in 10 of the **12** games and compiled a **.293** batting average. Bill Morrison was the big gun of the team at the plate as he contributed three triples and a pair of doubles. Bill also led the team in the M.O.L. with a .324 batting average. Short stop Jim Miller was the teams defensive stand out. Miller was the team captain during this his senior year. Charley Brading, in completing his fourth year on the diamond for Northern, was again a great asset to the team.

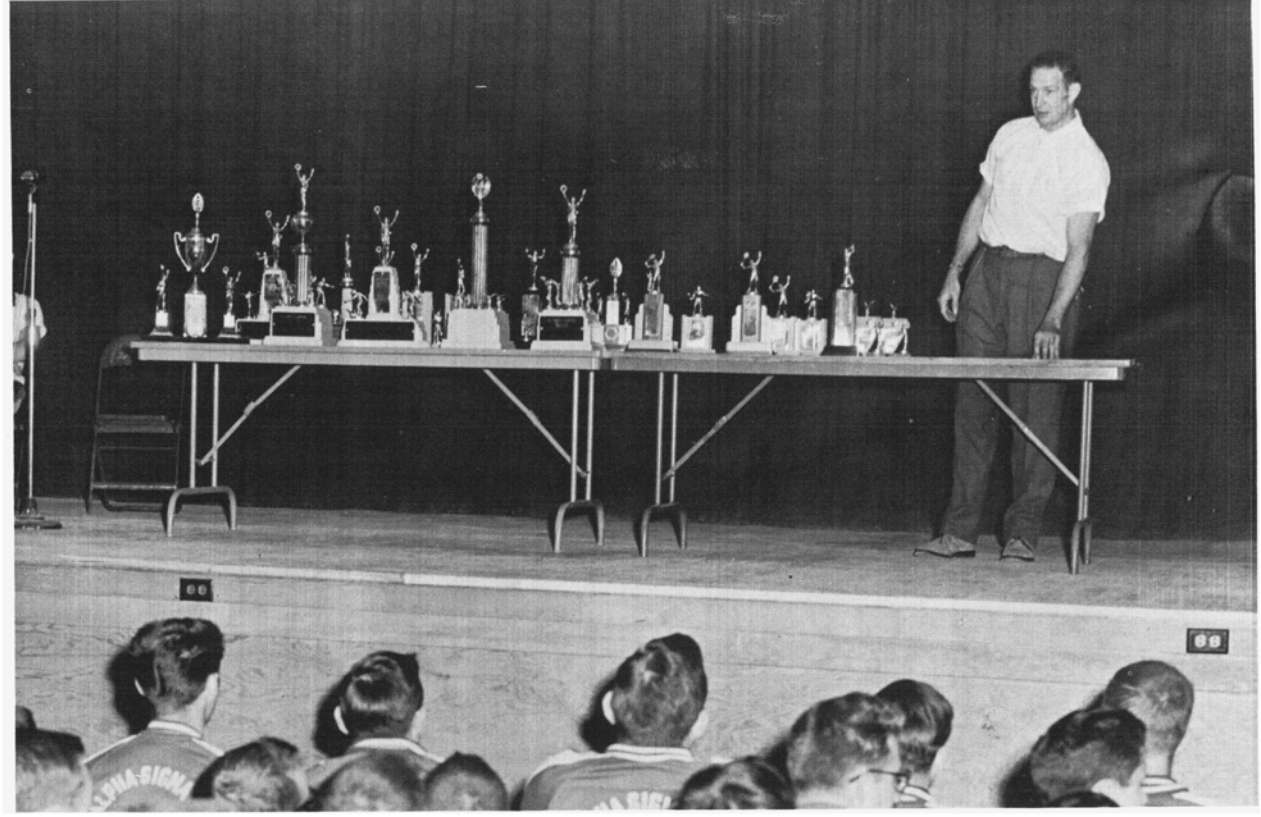

TRACK TEAM. *First* **Row:** C. McCormick, J. Deem, H. Miller, B. Gick, K. Woods. *Second* **Row:** N. Barry, B. Manhke, H. Protus, T. Tilton, Eibling. *Third* **Row:** Coach Nettleton, D. Hole, N. Brownell, C. Dilts, C. Frye.

Varsity Track Revived At Northern

During 1957, Ohio Northern University was represented in varsity track competition for the first time in fourteen years. The team, coached by John Nettleton, was made up largely of underclassmen. During the season the team won a single meet, from Defiance, and dropped two. The season ended at the M.O.L. meet in which Northern finished fourth. Consistent point gatherers for Northern were Herb Miller, pole-vaulter; Dave Johnson, discus; and Norb Barry, high hurdles.

Coach Nettleton, director of the intramural program is about to hand out the trophies to the champion intramural teams.

Greeks And Independents Vie For Inframural Trophies

The Intramural Program is supervised and planned by John Nettleton. The program consists of two separate leagues, the fraternity and the independent. In the fraternity league all the frats on campus are in competition with each other. The independent league is run in a similar manner. Play-offs are then held between the two league champs to determine the all-campus champions.

In most of the activities, rotating trophies are given to the fraternity champs, independent champs, and play-off champs.

Intramural play includes football, volleyball and baseball as major sports; with table tennis, badminton, horseshoes, tennis singles and doubles, and golf as minor sports. Points are awarded in the fraternity league for firsts and runners-up in each sport. The group with the greatest accumulation at the end of the year is awarded the coveted All-Sports Trophy.

Joe Green received the coveted "All-Sports". trophy for Alpha Sigma Phi from Coach Nettleton.

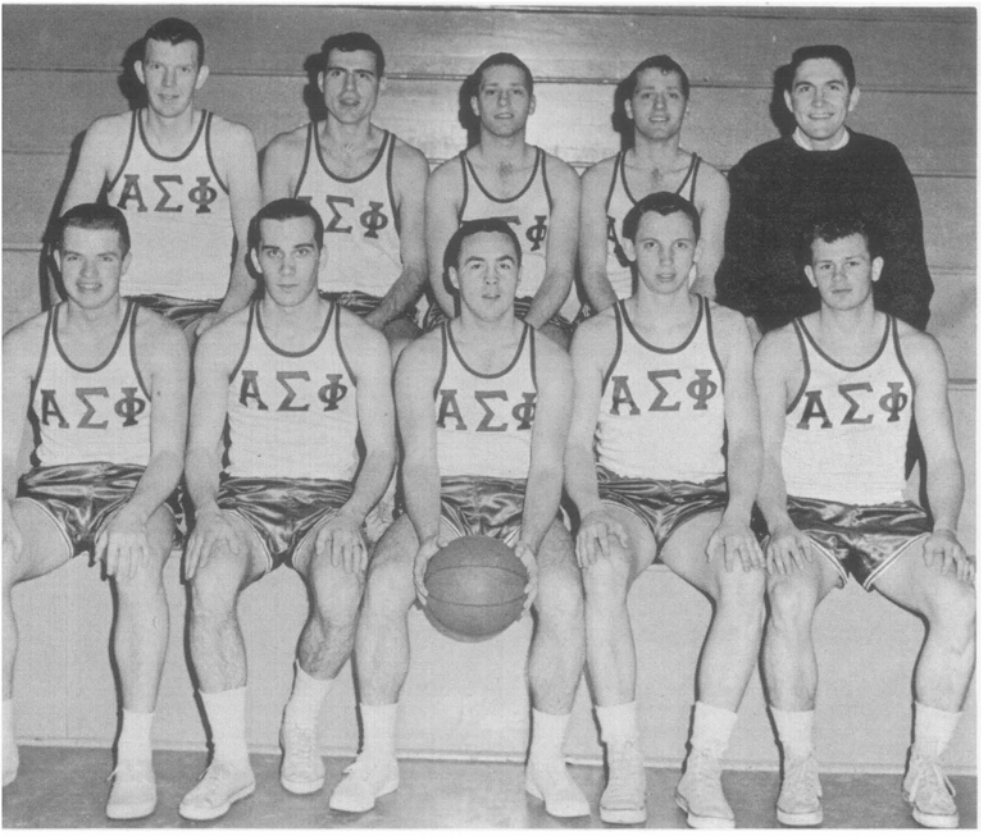

Independent Team Claimed Football Honors

The Tigers, winners of the independent football league defeated Alpha Sigma Phi Fraternity for the All Campus Championship. Both teams had gone undefeated during the regular season.

Varsity Basketball Team Won Two Lost One.

During the past years, the girls at Northern have enjoyed the opportunity of playing competitive basketball games with other colleges and universities. Although these games are played strictly on a social basis and are not organized league play, they bear all the characteristics and competitive skills on the basis of keen competition and quality sportsmanship.

This year as a result of various conditions, the team saw action in only three games. Two of these games were with Bluffton College, and each team won its home game. The other game, which we won, was with a grange team from Mt. Blanchard. Varsity basketball has become very popular with the girls, for enthusiasm runs high. Physically and socially, it has served as **a** needed diversion to the campus routine.

With but two seniors, Joan Ruggles, and Sherrill Andrews, graduating this year, the team is looking forward to a bigger and better schedule of intercollegiate games.

Sororifies Vie For Intramural Honors

The Girls' Intramural department, spurred on by a greater interest in women's athletics had a busy schedule for the year. The program which is planned and executed through the W.A.A., with the help of Mrs. Mozelle Pickering, consists of tournaments which are run each week in correlation with the numbers of groups interested. The sororities, independents, and freshmen form these groups which play as independent teams in an organized league.

Archery

A diversified program of competitive sports and games is the goal of W.A.A. when they determine the major and minor sports to be played in the intramural tournaments. There is recreation of some sort offered to fit the need of each and every girl.

The minor sports picked for this year were archery, shuffleboard, badminton, ping-pong, and tennis.

Freshman Week: A Beginning

A good beginning fortells a good ending . . . with this in mind an extensive program of orientation was provided for the new freshmen. Soon after Freshman Week had begun, beanies, signs, and handbooks appeared, and the freshmen assumed their status with appropriate style. In keeping with the orientation program the days were filled with many lectures, meetings, teas, and tests, but the nights brought a round of parties and dances.

As the week drew to a close the freshmen had truly had a taste of college life. Another freshman class was ushered into Ohio Northern, each to begin his journey on the road which could lead him to his ultimate goal in life.

Top: Nancy Heintz, a sophomore, explains the freshman traditions to some freshman girls.
Above Center: Freshman girls take a break between their scheduled activities for a coke at the snack bar.
Below-Center: Mrs. McIntosh talks with Fran Wharton, Janice Stahl, and Pat Whitmer at the tea in her home.
Bottom: Freshmen and upperclassmen become acquainted at a mixer in the Student Center.

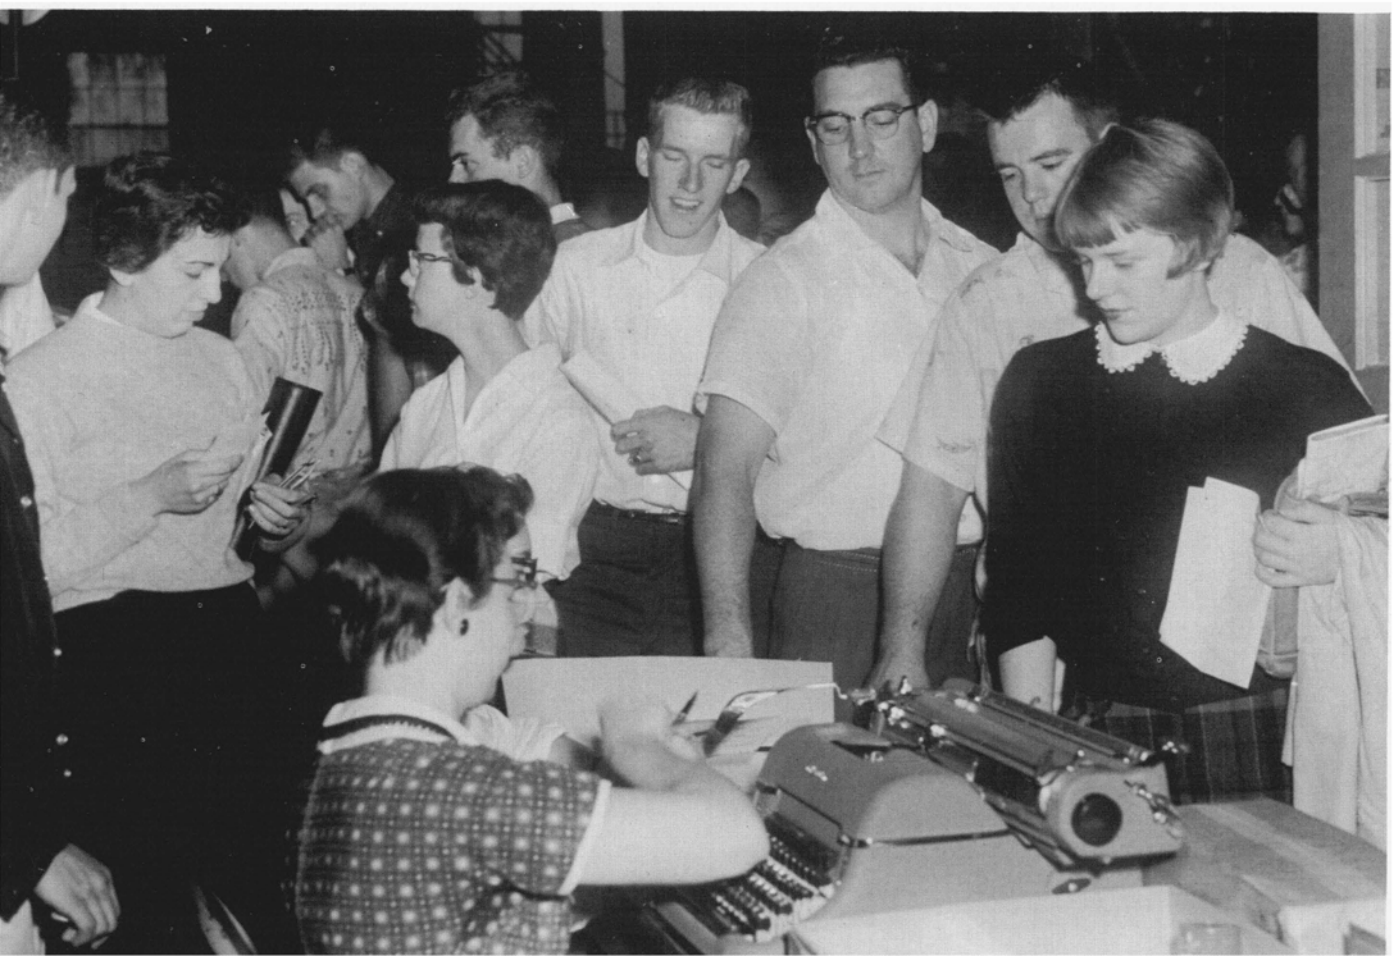

Waiting in line is the hardest part of registration.

The Trials of Registration

All day Friday and Saturday are devoted to registration — a new task for freshmen, but just another trial for upperclassmen who have accustomed themselves to this quarterly experience. At times the road seemed to be infinite, but finally each received his card. After a couple more hours of sectioning and scheduling the job was almost completed. Many weary students found their way to the business office, paid their fees, and gratefully called it a day.

The actual registration begins as students receive their cards.

Marilyn Elected Queen

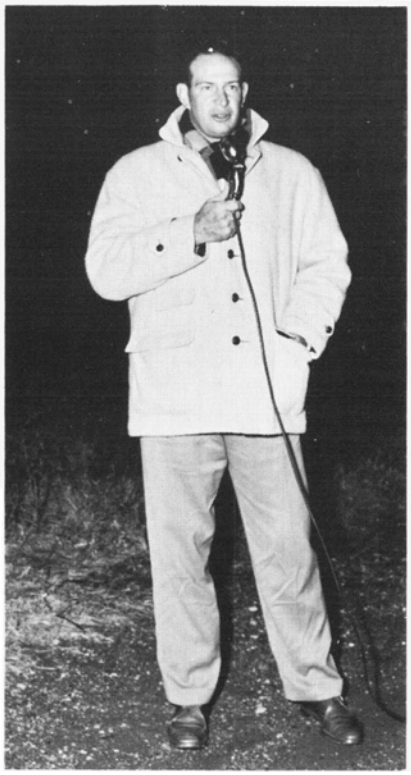

Marilyn Young, Phi Chi senior from Delphos, Ohio, was elected 1957 Homecoming Queen by the student body. Marilyn is an active member of chorus-choir as contralto soloist.

Right: The annual pep-rally bonfire the night before the big Homecoming game drew a record crowd. *Below:* The Cheerleaders led the rally which was held on the practice football field behind Lamont Hall.

Head football. coach John Nettleton promised the crowd a good game.

Pep Rally-Bonfire, Pushmobile Races, Began Big Homecoming Weekend.. .

Friday night of the big weekend the sororities, fraternities, and independent groups participated in a walking torch parade which ended at the pep rally bonfire and was followed by a snake dance around campus.

Homecoming morning the sororities and fraternities lined up for the annual pushmobile races. The Phi Chi's and the Alpha Sig's were first across the line in their respective divisions.

Saturday morning's festivities found the Phi Chi's (left) and the Alpha Sig's (above) winning the sorority and fraternity pushmobile races respectively.

Homecoming Continued With Judging Of House Decorations, Choir Entertainment, The Big Game . . .

Phi Mu Delta received top acclaim from the judges for their novel House decorations depicting their hopeful outcome of the game. A three-way tie for second place went to Alpha Sigma Phi, Delta Sigma Phi, and Sigma Phi Epsilon. To escape the rush of the morning's activities many an exhausted alumnus sought refuge in Lehr auditorium where Dr. Roider and his choir were entertaining. The good Professor invited former choir members in the crowd to join with the present choir in singing some familiar renditions. Game time found crowds wending their way to Memorial Stadium for the Homecoming football classic.

***Extreme** top:* For the third year straight year the Phi Mu Delta fraternity devised the winning Homecoming house decorations. *Above:* Dr. Roider and the choir entertained the alumni from the stage of Lehr Auditorium.

Then Came The Dance, And Homecoming 1957 Drew To A Close

The final activity of the Homecoming week-end was the annual dance sponsored by the Student Council in Taft Gymnasium. At intermission, the Queen and her court were again introduced and presented their respective trophies by Student Council president, Bill Lang. The trophies for House Decorations and fraternity and sorority pushmobile winners were also presented at this time. As the dance concluded, Homecoming 1957 was just another wonderful memory.

Below; Bill Lang, President of the Student Council, presented Queen Marilyn with her trophy during intermission at the dance.

Above; The Homecoming Dance in Taft Gymnasium ends the big weekend for alumni and students.

Alfred forgot himself for a moment because of the way Paul treated Marie Louise.

"MY THREE ANGELS"

"My Three Angels" is the story of three convicts in a French Penal Colony in South America. Two are lifters and the third is a twenty-year man. The amiable and benevolent rogues, Joseph (Gordon Sears), Jules (Don Funk), and Alfred (Ron Patton) have been put to work to mend the roof of a poor shopkeeper of the penal community. The tradesman and his family are in danger having no roof over their heads. On the way from France is a snarling, wealthy cousin, Henri Trochard (Richard Fisher), who is intent on ousting Papa Felix (Phil Tanner), and Mama Emilie (Pat Whitmer), from the shop that is losing money because of the gentle way they do business.

The three angels not only straighten out the family's financial problems, but they also solve the romantic problems of the young daughter, Mary Louise (Nancy Allen), who is about to be jilted by Paul (Ken Martin Jr.), the cold-blooded nephew of the wealthy cousin. A handsome young naval lieutenant (Tom Mitchel) who just happened to appear in the shop is pleasantly amazed when the convicts politely tell him that he is the new suitor of the charming Marie Louise.

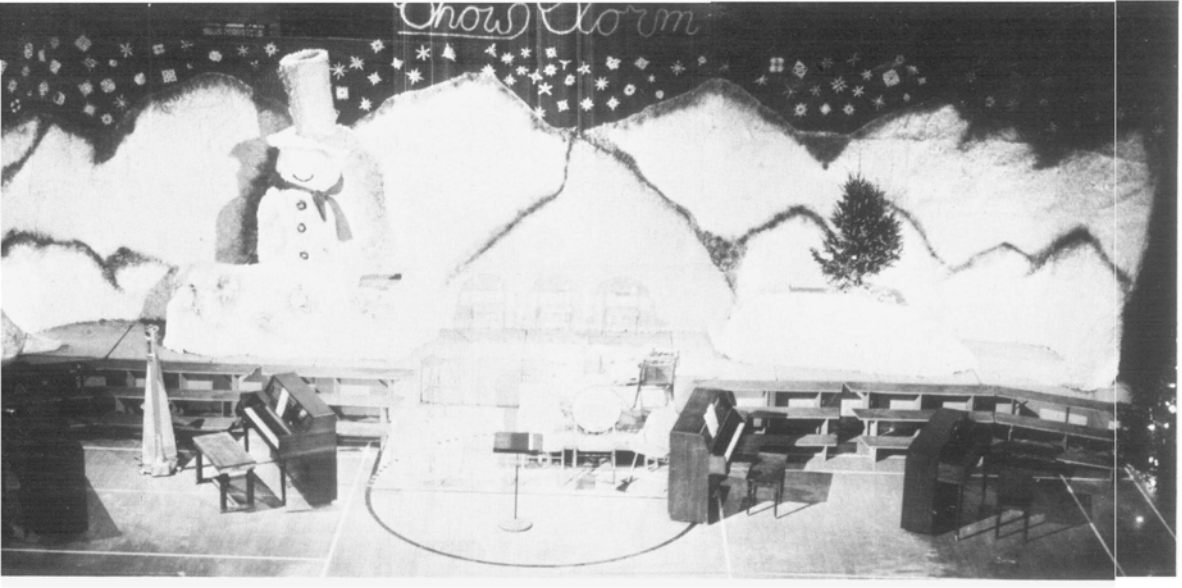

The disappearance of the "Angels" pet snake, Adolphe caused a great disturbance.

All ends happily as the family and their new friends make a Christmas toast.

One of the "Angels" convincing manner almost persuaded Felix to **juggle** the books.

The glittering background of the cabaret depicted a mountain scene with trees, sparkling snow flakes, and a ten foot snowman with shining blue eyes and a radiant red nose. The theme of the show, "Show Storm," was written in brightly illuminated lights.

"Show Storm" Set Winter

The annual Choral Cabaret was presented this year for the tenth time by the Ohio Northern University Choir under the direction of Dr. Karl A. Roider. The Cabaret was held on December 6 with the theme "Show Storm."

The evening's entertainment began with dancing featuring the music of the Northmen. At intermission the 100 voice choir began their program for the evening. The concert opened with the choir singing "March of the Toys" as they filed into the spotlight. Accompanying the choir were eight members of the chorus seated at four beautiful spinet pianos and three members playing trumpets. After the entire choir had assembled, the following songs were sung: "Gloria In Excelsis," "Gesu Bambino" featuring Mary Jo Basinger as soloist, and the "Calypso Song," a Latin American number, which featured Sherrill Andrews, Jerry Goodman, Lee Shapiro, Doneta Fly, Ron Patton and Saundra Disher dancing the "Cha-cha." Then the entire chorus sang "It's a Big Wide Wonderful World."

Nancy Towne, who was responsible for last year's backdrop, did another excellent job in designing the impressive backdrop for the tenth annual cabaret.

A pre-show rehearsal for the cabaret featuring soloists Marilyn Young, Ron Patton, and Mary Jo Basinger. Vicki Piper (not pictured) also was a featured soloist. Nancy Hammond's harp accompaniment, to solo numbers as well as choir selections, added a new flavor to the beautiful music sung by the choir. Judy Maxim and Vija Abele are practicing their piano-duet accompaniment.

The show was majestically opened with the 100 voices of the choir singing "March of the Toys". They were accompanied by three trumpets played by Ron Patton, Dale Smith, and Carol Opdycke; and four pianos played by Dale Hall and Nancy Allen; Margaret Deppner and Ann Jenkins; Vija Abele and Judy Maxim; and Mary M. Williams and Harrietellen White.

and Chrisfmas in Full View

Songs from "Pogo" were the next numbers. Vicki Piper and Ron Patton took the spotlight for their solos in this number. "Plymouth Rock" followed with Sherrill Andrews, Doneta Fly and Nancy Towne performing the dance steps. The old favorite "Sentimental Journey" was the next number on the program. Then, with Nancy Hammond accompanying on the harp, Marilyn Young sang, "Sweet Little Jesus Boy" with choral accompaniment in the background. "Winter Wonderland" a traditional Christmas number was enhanced by a special effect of falling snow.

The finale "Twas the Night Before Christmas" completed the concert for the evening in grand style.

The proceeds of the Choral Cabaret are used to finance the annual spring choir tour.

Dr. Karl Roider, Director, created the "Choral Cabaret," which is a Christmas Dance with an intermission of entertainment by the choir. Each year's show has been a little better and this year's tenth annual "Choral Cabaret" was no exception.

A touch of Rock 'n' Roll was added to the program when the choir accompanied the soloists Dale Smith, Sandra Fleming, Henry Schmitz, Harold Smith, and Dick Fisher in the singing of "The Plymouth Rock." During the singing Doneta Fly, Sherrill Andrews, and Nancy Towne performed the actions.

Clyde Lamb Elected To N.A.I.A. Gridiron Hall of Fame

Pictured with Clyde Lamb as he received his citation of election to the Helms Hall of Fame of the National Association of Intercollegiate Athletics is: (/&) Al Duer, executive secretary of the N.A.I.A. and *(right)* Dr. Ross Merrick, president of the N.A.I.A.

A Great Coach Is Recognized

Clyde Lamb was recognized by the National Association of Intercollegiate Athletics by being elected to the N.A.I.A. Gridiron Hall of Fame. His picture and citation is to be placed in the "Helms Hall of Fame" in Los Angeles, California. Coach Lamb was elected on the basis of his coaching record.

It is always difficult to measure the full impact of a great teacher, and to determine the extent of the widening circles of influence. After his 29 years at Ohio Northern, he is working with the second generation, coaching the sons of former students.

"The Chief," has worked at O.N.U. under most every kind of circumstance. He has seen both undefeated seasons and winless seasons at O.N.U. He has known both League Championship and cellar positions. Coach Lamb, who is now 58, was born in Boone, Iowa, where he attended high school and actively participated in all sports. Graduating in 1918 he joined the Navy. Upon being discharged he entered Coe College and graduated in 1923, having participated in football, basketball, and track. Until 1928, he coached at Nashua and Vinton High Schools. In 1928, granted a fellowship for his outstanding coaching record, he earned his Master's degree at Columbia, and came to O.N.U. in 1929. He has remained at Northern since that time except for one year when he took a leave of absence to teach physical education at Oregon State. It is a great honor for the students and faculty to be associated with such a great man.

Chuck Mather, *right,* now coach at Kansas University, is an outstanding example of one of the "Chief's" *(left)* "end products."

"Launching Of The First Sputnik" By Theta Kappa Phi

Greek Skit Night Finally Arrived

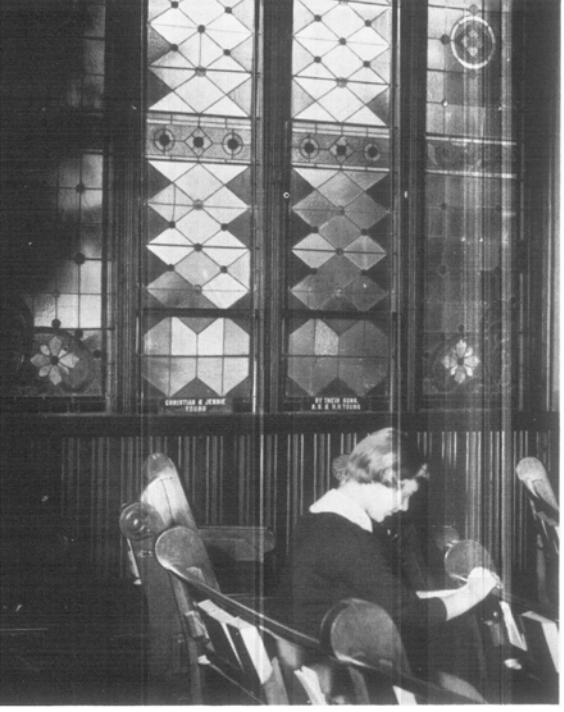

The trophies for Greek Skit were captured this year by the brothers of Theta Kappa Phi and the sisters of Theta Phi Delta. The skits were held in Lehr Auditorium on February 5th. This year's theme, chosen by the Interfraternity Council and Pan-Hellenic Council, was "Historical Events." "Launching of the First Sputnik" was cleverly given a top-notch performance by the Theta Kaps. For the second straight year the trophy in the sorority division was won by the Theta's. This year they gave their original interpretation of the Chicago Fire.

Master of Ceremonies for the evening was Jim Spahr, president of Interfraternity Council.

First Row: (fire dancers) M. Crosby, S. Stahl, S. Andrews, Chairman-director; M. Lewis, L. Fisher, N. Towne. *Second Row:* D. Fly, S. Disher, L. Farnholtz, J. Kaufman, F. Wharton. *Third Row:* P. Yehl, S. Franks, E. Ergh, R. Laman, M. Deppner, J. Freeders. *Fourth Row:* S. Kuaile, T. Spitzer, B. Hellwarth, M. Natale, D. Morrison, N. Johnson, B. Pancake.

"Chicago Fire" By Theta Phi Delta

Religious Emphasis Week Fullfills a Need . . .

"Have You Found The Way" Was The Appropriate Theme

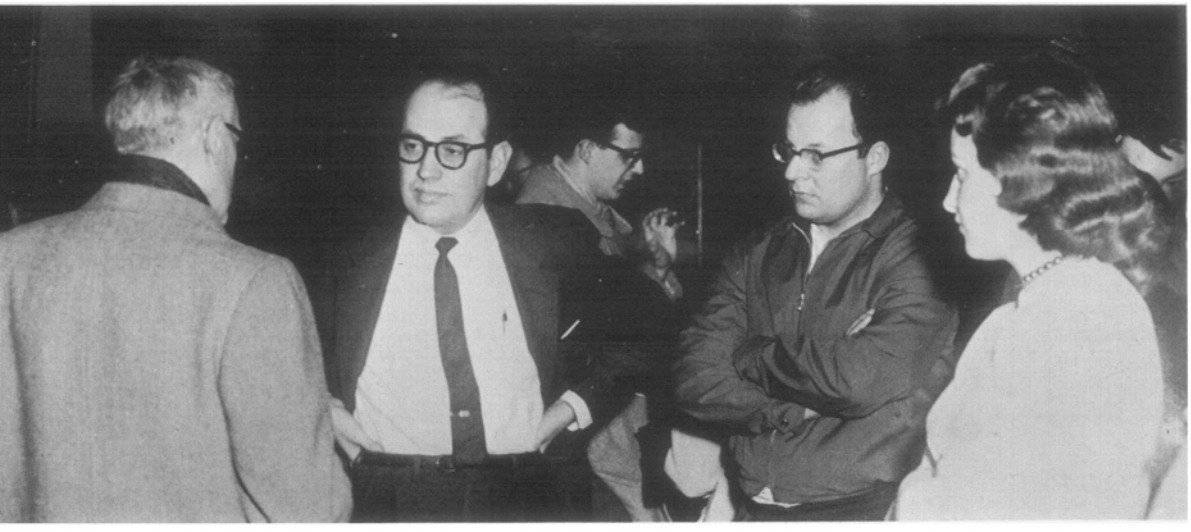

The Annual Religion In Life Week, a four-day chapel program featuring guest clergymen, individual conferences, group seminars, an abundance of literature, and classroom visitations was held February **2-6.**

The opening address was given by Rev. Richard R. Gay, director of religious activities and assistant professor of religion at Ohio Wesleyan University. "What It Means to be Human" was Dr. Gay's topic.

The second chapel service found Dr. Lawrence Webb, minister at N. Broadway Methodist Church in Columbus, presenting his topic on "Christ and Your Ambitions."

On the third day Rabbi Stephen Schafer, of Collingwood Temple in Toledo, spoke on "Judaism's Role in Finding the Way."

Dr. Gay returned on the last day to present the chapel topic, "The Christian Answer." He concluded the four day chapel program by stating that concern for others was his way of thanking God. This was his Christian answer.

Rev. Richard R. Gay (*middle*) had an informal discussion with faculty and students.

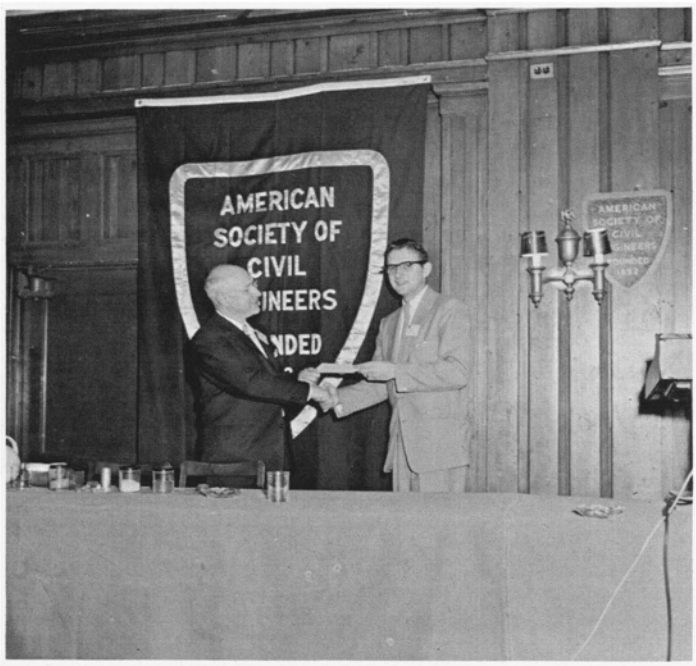

Dr. Lawrence Webb explained his conception of love as related to pinning, courtship, and marriage.

56th Annual Engineers' Week Observed At Northern

Although the agenda for this year's Engineers' Week was much more extensive, ONU engineers have been hearing guest speakers and performing extracurricular duties for about *56* years. Nationally, this observance of the week during which George Washington, who was a credited civil and military engineer, was born, has been recognized for half a dozen years.

Open House was held Tuesday, Feb. 17 at the engineer building. It was opened to visitors during the afternoon and evenings. Displays and demonstrations were set up and explained by engineering students acting as guides.

The agenda for the remainder of the week consisted of speakers, an engineering-student assembly, and field trips taken to Lima-Baldwin-Hamilton, Lima; to Willys Overland in Toledo; and to the Wright-Patterson Air Force Base in Dayton, by the ASCE, the ASME, and the AIEF .respectively. The week's activities were climaxed by a formal dinner-dance at Springbrook Gardens, north of Lima. Music was furnished by the Northmen.

R. H. McLean gives a $50 check to Clayton Stimmel at the A.S.C.E. Convention for his 1st place essay, "Is Professionalism and Unionism in Direct Conflict."

Top: Joe Werner, lower left, explains a tension test to a group of visitors at open house during Engineer's Week.
Middle: Civil and Mechanical students studying electric circuits in the electronics lab. Left to right are, **J.** Churchill, F. Fisher, D. Atkinson, T. Kaipainen, and **B.** Rebok.
Bottom: Professor Alden explains the purpose of a test that senior civils are running on a D.C. Generator. Left to right are, J. Hugus, Professor Alden, **B.** Morrison, W. Cover, and W. Hamilton.

The "Devil's Disciple" (Phil Gray) takes Rev. Anderson's place when Anderson is indicted for treason. Mrs. Anderson's (Nancy Johnson) fleeting emotions carried her along with the plan during the interrogation by General Burgoyne (Ron Powers).

"Devil's Disciple" by George Bernard Shaw

George Bernard Shaw's "Devil's Disciple" was stuffed with everything from the emotionalism of melodrama, reading of a will, heroic sacrifice, courtmartial, and gallows scene to an eleventh-hour reprieve.

Shaw wrote the play, which takes place in 1771, with an eye on both England and the United States. The "Devil's Disciple," tho a quite honest and straightforward melodrama, might easily be mistaken for a satire on melodrama.

The three major characters of "Devil's Disciple" were Judith Anderson, (Nancy Johnson) the pretty wife of the minister who married for love; Anthony Anderson, (Dick Fisher) the minister; Richard Dudgeon, (Philip Gray) the "Devil's Disciple," who completed the trio. The remainder of the cast included: Evelyn Hubner, who played Mrs. Dudgeon the bitterly righteous mother, Rebecca Pancake as Essie, the daughter of the late Peter Dudgeon. B. J. Foulkes played the wife of William Dudgeon. Mina Gerstenfeld portrayed Mrs. Titus Dudgeon. J. Ruel was seen as Christy, the youngest and none too bright son of Mrs. Dudgeon; Titus Dudgeon was played by Jack Moore. Lawyer Hawkins, a prominent townsman, was played by Glenn Solomon. The part of General Burgoyne, the suave and sophisticated military leader, was played by Ron Powers. Marlin Rosencrans was the conscientious Major Swindon. Tom Mitchell played the sergeant. Don Kear was Chaplain Burdenell.

The play was concerned with the British attempt to suppress the American Revolution, and the efforts of the colonials to maintain their independence.

Don Nelsch enjoys the costumes of Jim Reuf and Dr. Hastings.

"Shakespeare Without Tears"

"Shakespeare without Tears" brought to Ohio Northern, on March 11, a picture of an Elizabethan evening—one such as Shakespeare himself might have enjoyed. The Shakespeare class, under the direction of Dr. Louise Hastings, presented this evening of food, music, and fun in "Boarshead Tavern." The set featured family coats-of-arms, murals of life of that period, typical inn furnishings, a map of the 16th Century world, and relics pertaining to Stratford's famous playwright and actor.

Fresh fruits, bread dipped in honey, and tarts defied the use of eating utensils, while nearly-authentic mugs held cranberry punch. Following the fanfare of a trumpet, was the parade of the whole roast pig, which highlighted the evening.

Spontaneity was the evenings' keynote. Easy conversation was supplemented by a variety of entertainment. Anoted Shakespearean authority and editor of "The Shakespeare Newsletter," Dr. Marder, traveled from Kent State University to speak on Shakespeare's reputation through the ages. Harp music, a Punch and Judy puppet show, a scene from "The Merchant of Venice," vocal quartette music, and a fencing exhibition completed the evening's program.

Above: One of the guests samples this tasty treat.
The host, Donald Funk, is seen here welcoming the guests and introducing Dr. Louis Marder, the evening's speaker.

I.F.C. Ball

Features Ralph Marterie

The annual I.F.C. Ball, was held April 18 in Taft Gymnasium. This year, through the conservative measures of last year's council, the council was able to hire a name-band, Ralph Marterie. A committee composed of members of each fraternity decorated the gym for the occasion.

Sweethearts

This year for the first time a trophy was awarded to each sweetheart. A larger trophy was presented to the Queen chosen from the sweethearts by Ralph Marterie himself. Because of the late date of the ball, after the yearbook has gone to print, the Queen is not known at the time of this writing.

First ***Row:*** N. Hummon, R. Washburn, J. Vlad, L. Hung, L. Webb, J. Maxim and L. Lacy, directors, J. Smith, L. Wright, J. Wolfe, B. Hopkins, C. Decker, N. Heintz. ***Second Row:*** A. James, E. Bumbaugh, G. Donatone, R. Horak, D. Oberer.

Independent organizations contributed to the drive by sponsoring carnival-type booths. *Left:* Mary Shafferand Don Remick pose for the photographer as Joe Verini stands by. *Middle:* Larry Lehman tries his luck at a golf game. *Right:* Anne Larocco gets her profile drawn by Burin Wongsanguan.

All-Campus= Chest-Night Netted Over $1,100 For World University Service

Joe Valore, one of the co-chairman of the drive assists the auctioneer, Mr. Taylor, as Greeks and independents offer their services for auction.

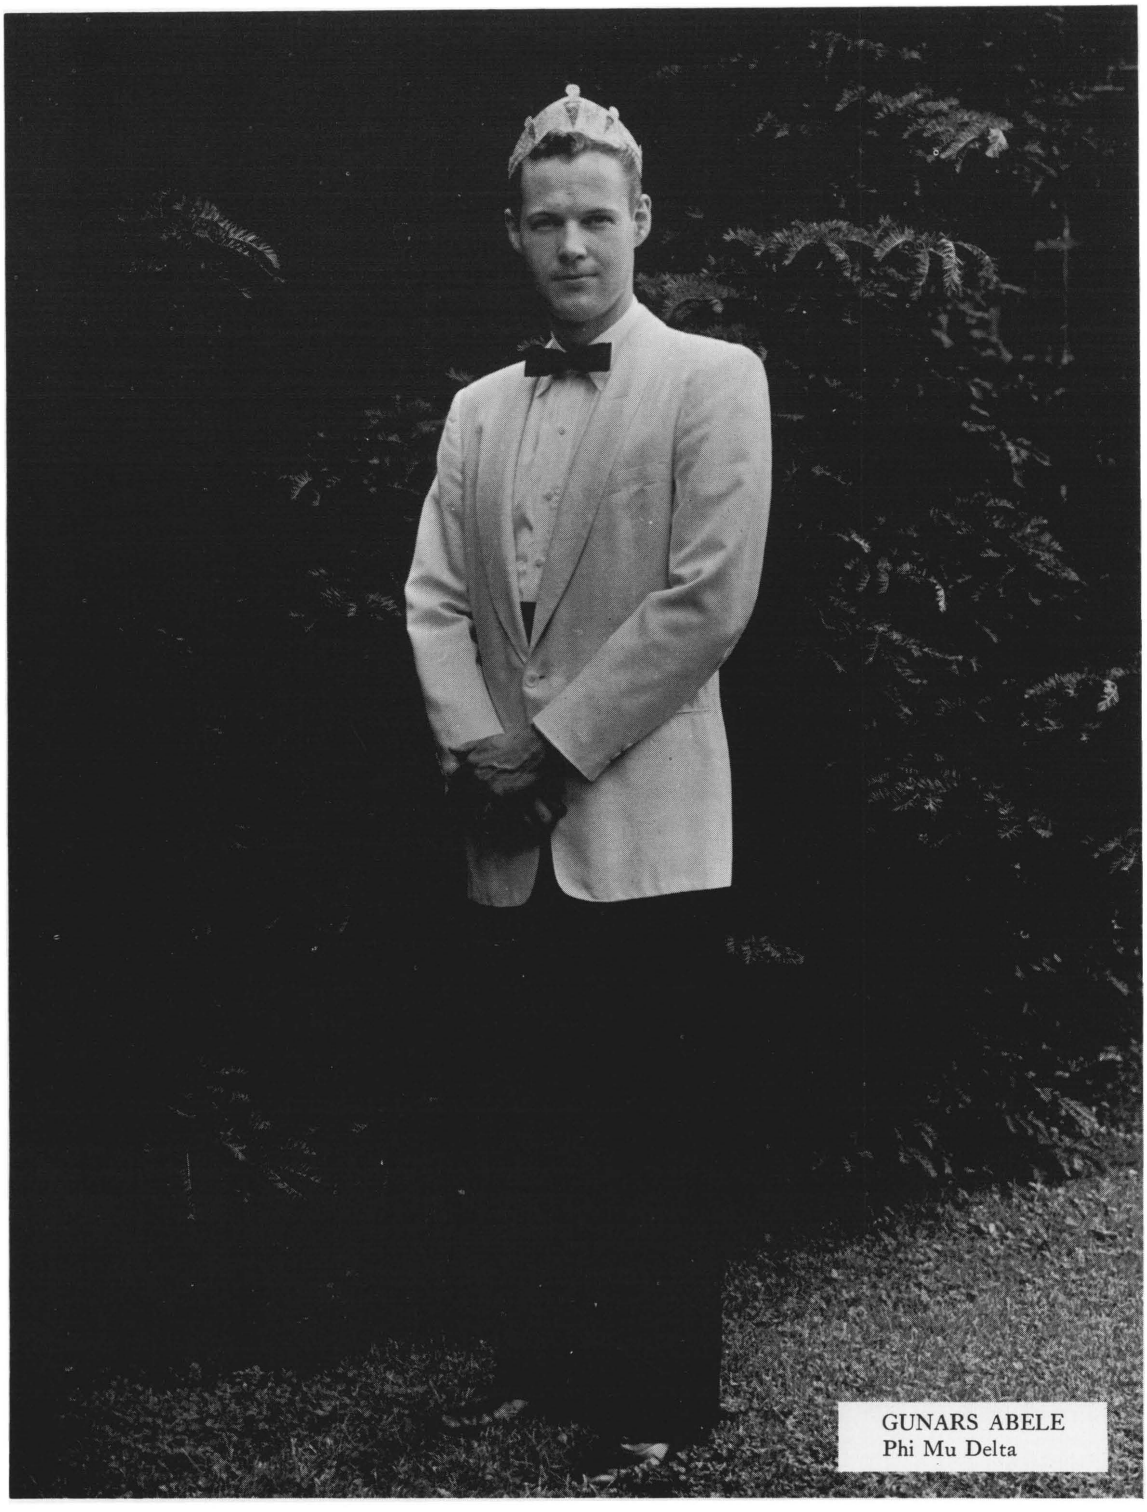

The Thetas stand by and listen as two fraternities bid for their service. The Phi Mus won the bid for $192 and also won the stove for being the highest bidder of the entire auction.

1957 MAY DAY QUEEN . . .

Theta Phi Delta candidate, Bette Jeanne "BJ" Weintz, from Geneva, Ohio, was awarded the title of 1957 May Queen through student election. "BJ" was Editor-in-Chief of the 1957 NORTHERN, Head Varsity Cheerleader, Treasurer of four campus organizations and was elected to the Adelphian Society, and Who's Who Among Students in American Colleges and Universities. She received her Bachelor of Arts degree in Business Administrations.

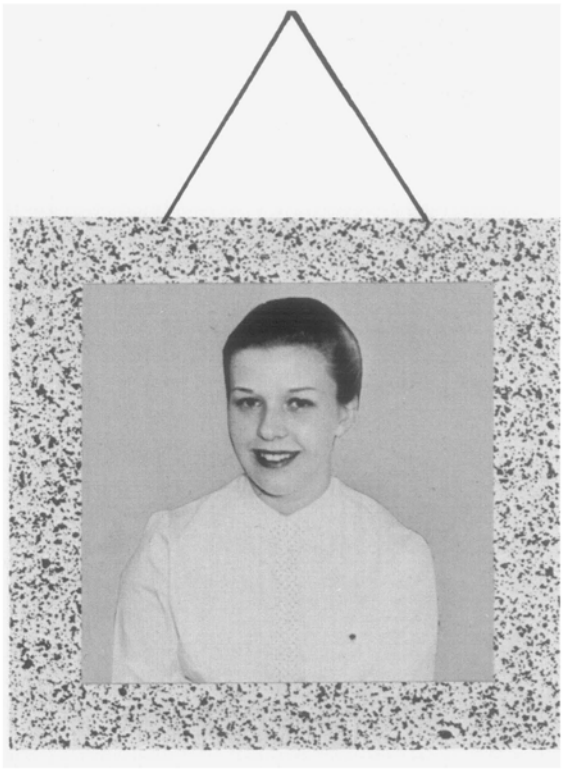

1957 MAY DAY KING . . .

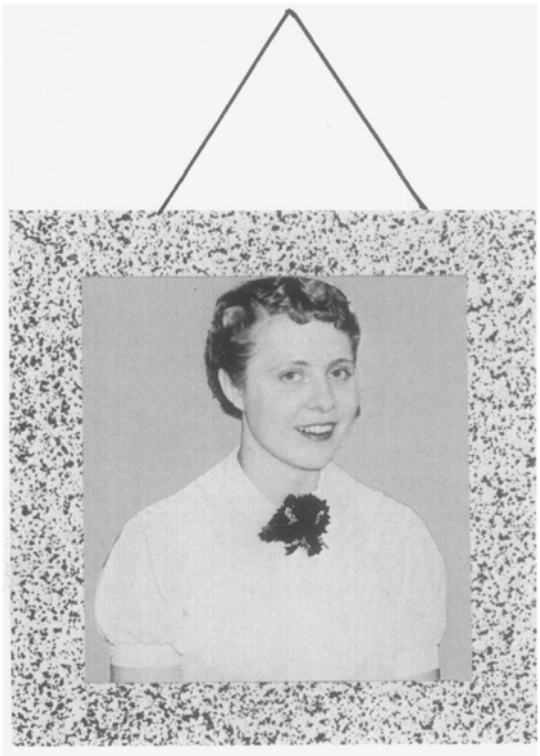

GUNARS ABELE
Phi Mu Delta

Gunars "Chuck" Abele, representing Phi Mu Delta fraternity, was elected 1957 May Day King by the student body. "Chuck" originally from Latvia, now of Ada, Ohio was a member of A.S.C.E., Nu Theta Kappa, O.S.P.E., a soloist for the Chorus-Choir, and was elected to Who's Who Among Students in American Colleges and Universities. He received his Bachelor of Science degree in Civil Engineering.

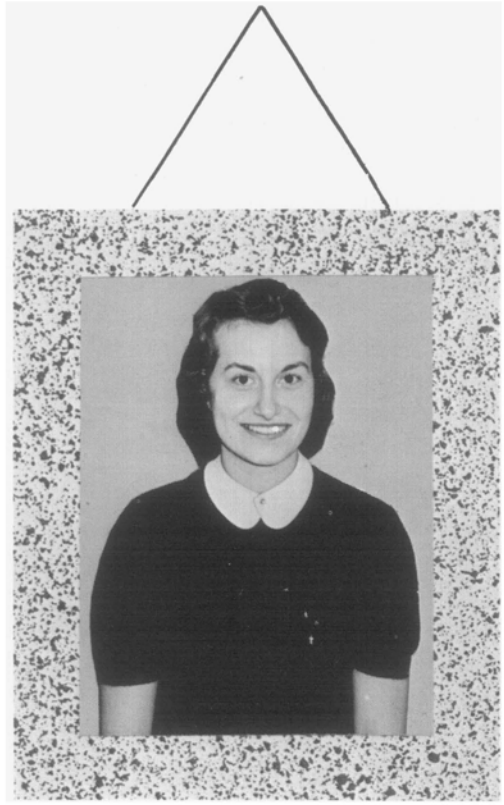

Attendants Selected By The Underclasses

Theta Phi Delta candidate, Saundra Disher, from Rockford, Ohio was elected to the honor of Junior attendant to the May Queen by her class. Saundra, a junior in Elementary Education, was pledgemistress of her sorority, secretary-treasurer of Alpha Phi Gamma, and a member of the Chorus-Choir.

Tau Kappa Kappa representative, Nancy Heintz, a Freshman in Elementary Education was chosen by the Freshman Class as their attendant to the Queen. Nancy, from Maplewood, Ohio was treasurer of the Freshman Class, a junior varsity cheerleader, and a member of the Chorus-Choir.

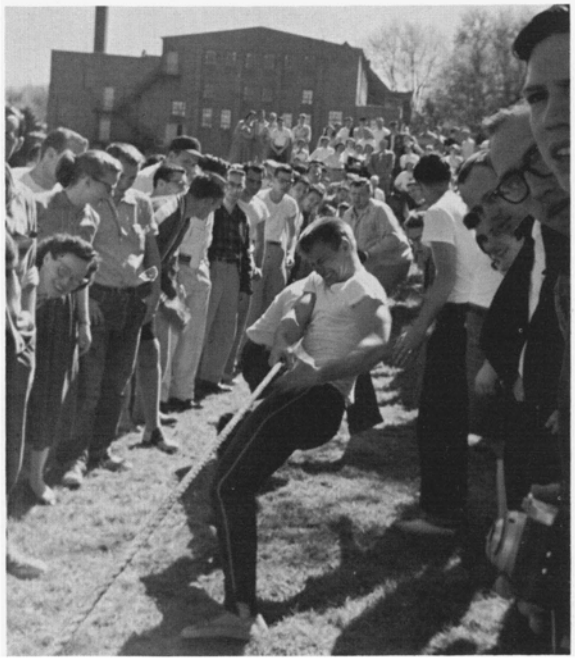

Sally Allen, Tau Kappa Kappa selection as **sophomore** candidate, was elected attendant by her class. Sally, a sophomore in Elementary Education from Ada, Ohio was an active member of Northern Players and O.S.E.A.

The College Inn furnished the Royal Breakfast. Left to right; Junior Attendant, Saundra Disher; May King Chuck Abele, May Queen, Bette Jeanne Weintz, Sophomore Attendant, Sally Allen; and Freshman Attendant, Nancy Heintz.

After Breakfast, The Court Wafched The Tug Of War, And Sigolympics.

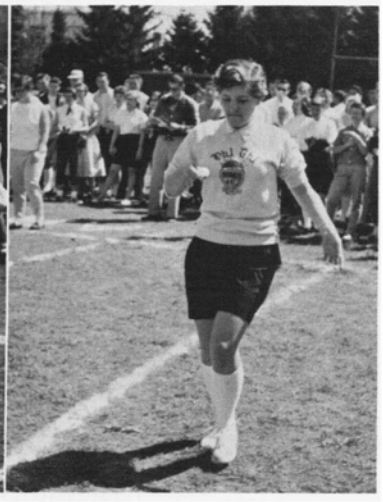

The Alpha Sigs became tug-of-war champions by out pulling their fraternity competition and the winners of the Independent tug team.

Tau Kappa Kappa won the three legged race of the Sigolympics.

Sharon Stahl, represented the Theta's in the rolling pin toss and, won that competition.

Mimi Brysacz competing for the Phi Chi's won the egg carrying contest.

The most enjoyable of the various competitions for the crowd was the pie-eating contest which was won by Roberta Mirman, Independent.

Winner in the sorority division was "Peter Pan", the Theta Phi Delta's entry.

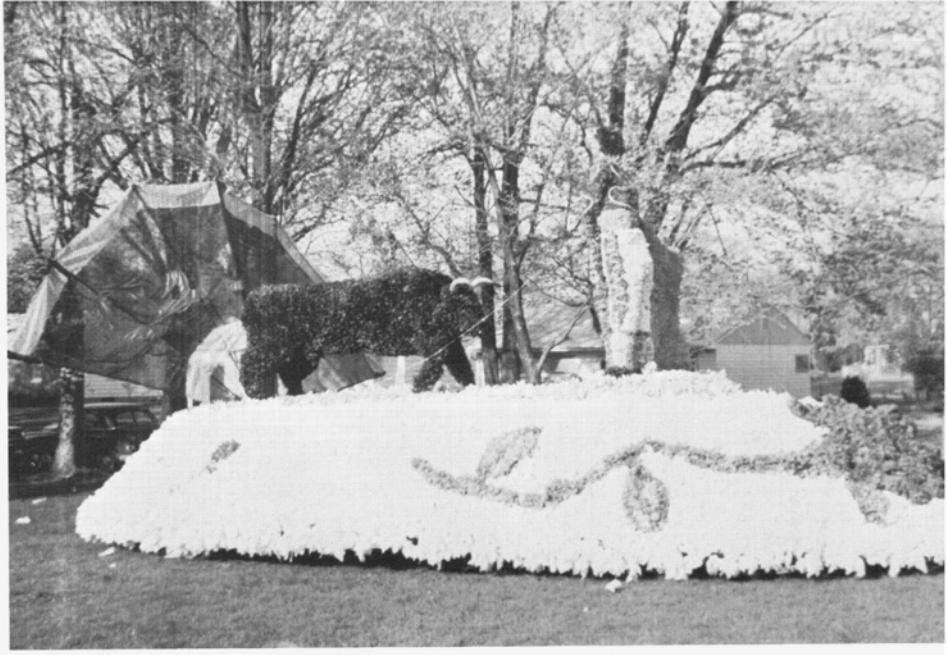

The Parade Begins, The Tape Is Cut .... The Winners Are

The May Day Court led the parade in an elaborate float built by the Independent men.

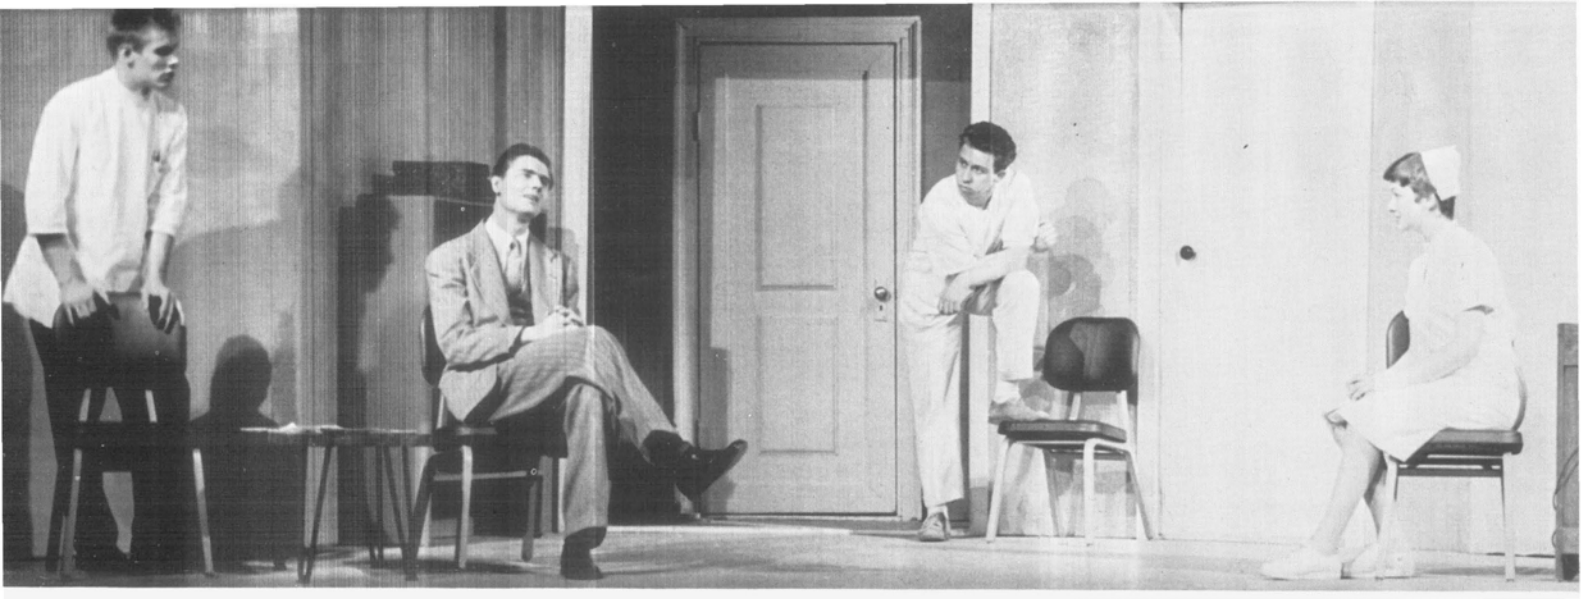

Winner in the fraternity division was "Carmen", the Sigma Phi Epsilon's entry.

Announced . . . And At Night, The Dance

Bill Lang, President of the Student Council, presented the trophies at the dance.

Elwood explains his companionship with Harvey, while the bewildered employees of Chumley's Rest Home listen.

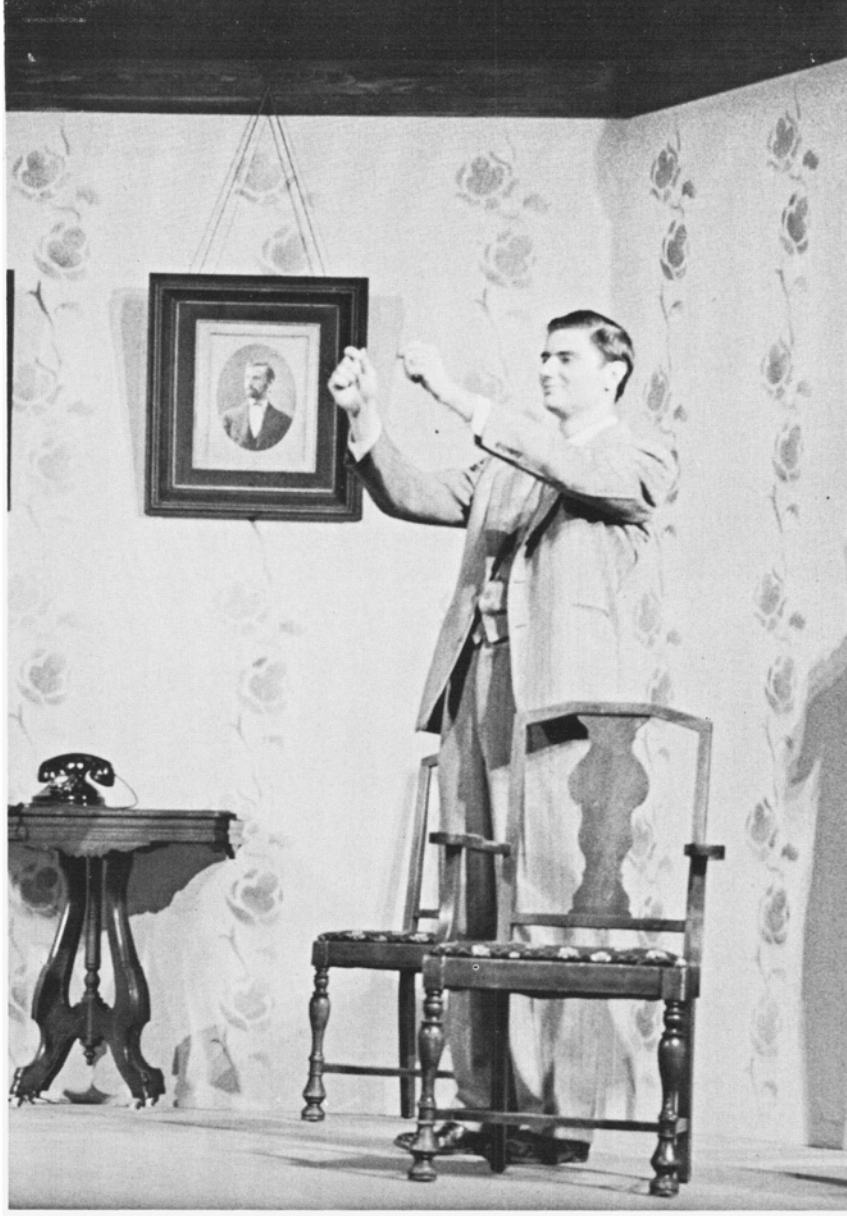

Elwood introduces Harvey to the guests, at a tea given by his sister.

"HARVEY"

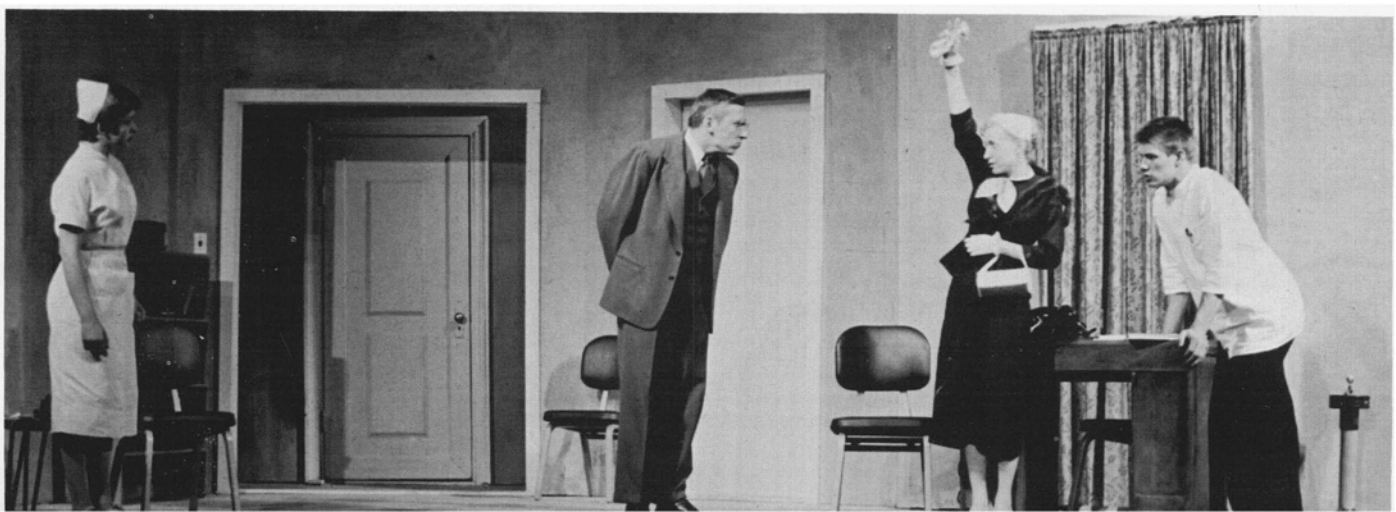

Elwood P. Dowd (Don Funk) brings an invisible white rabbit named Harvey home to live with him and his sister, Vita Louise Simmons (Barb Garris). When Elwood begins to introduce Harvey to their friends at an afternoon tea, Veta decides it is time to have him commited to a rest home run by Dr. Chumley (Gerry Guthrie). While explaining the situation to Dr. Sanderson, (Maurice Pfeifer) a psychiatrist at the rest home, Veta is thought to be the one suffering from hallucenations and is committed as the patient.

Elwood comes to the rest home looking for Hal;-vey and describes him to Mrs. Chumley (Joyce Hawes), asking her to let him know if she sees Harvey. When Mrs. Chumley explains this to her husband, they discover what a terrible mistake has been made and Veta is released. Elwood, seeing all the trouble he has caused, agrees to have a shot which will make him unable to see Harvey. But when the cab driver (Dick Mohn) explains to Veta that Elwood will be a perfectly normal human being after this, she decides she likes him the way he is, and calls him out of the office. She said she didn't want him to have the shot and if they wanted to live with Harvey it was their business.

Elwood straightens Harvey's tie before meeting the guests at the tea.

Mrs. Chumley demonstrates for her husband how tall Elwood said Harvey is.

President McIntosh crowns the reigning royalty, Nancy Makin and her escort Gary Plate, at the Freshmen "Plantation Ball."

Jim Cramer acted as "Master of Ceremonies" for the evening.

Freshmen End Year With "Plantation Ball"

When the Freshmen lost the flagpole rush to the sophomores last fall, they decided that they would not be topped again. The result was their decision to sponsor an all-campus formal dance. "Plantation Ball," as it turned out after hours of detailed planning and decorating, was remembered as one of the most successful dances of the year. Highlighting the dance was the selection and crowning of a freshman princess and prince, Nancy Makin and Gary Plate, to reign over the freshman ball.

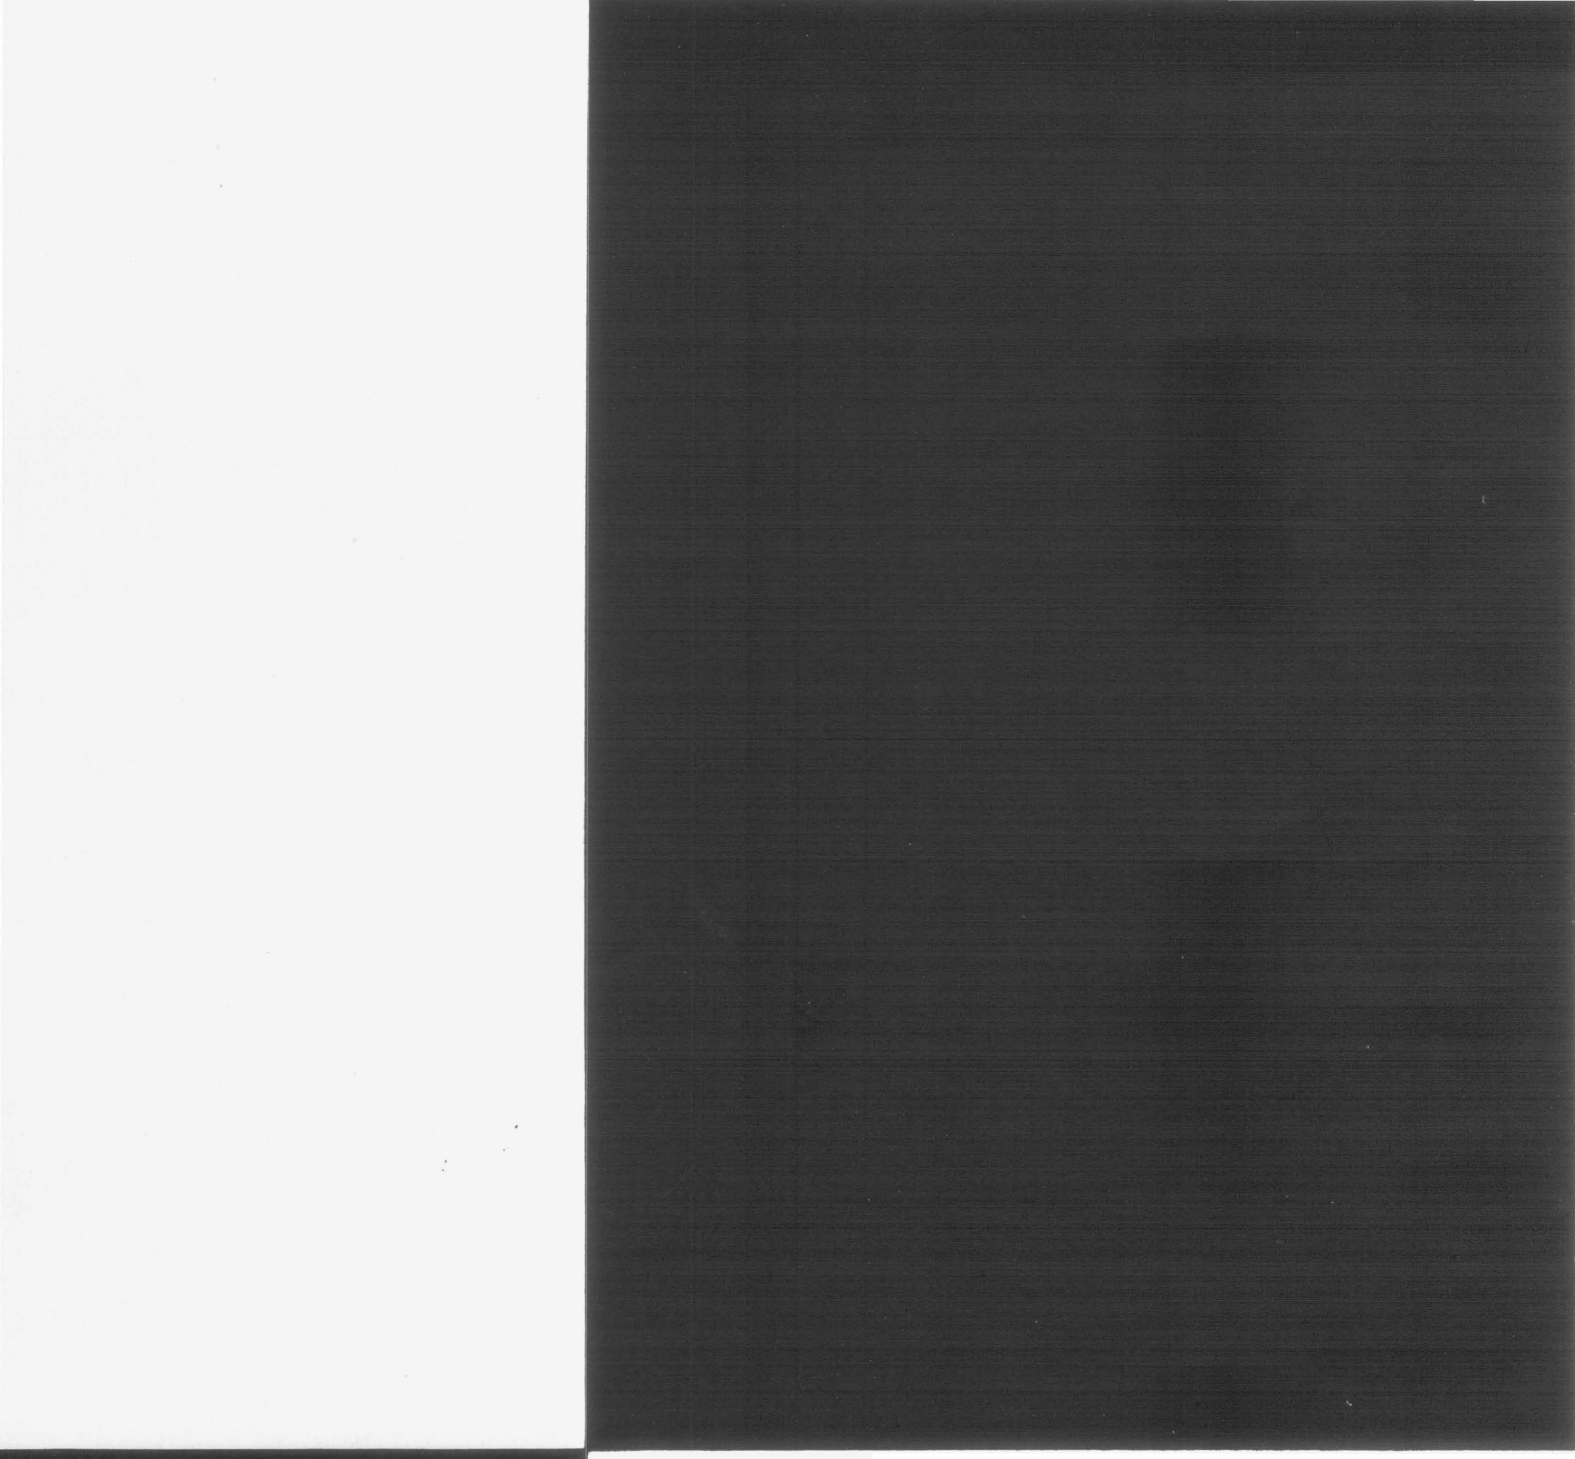

Members of the University administration and their wives chat informally during an intermission.

Couples enjoyed dancing to the music of Ernie Duffield and his orchestra.

Highlights Of Another Year End With Graduation . . .

Congratulations, graduates!

The Alumni Assn. **of** Ohio Northern University is YOUR service agency for:

1. *Dates and Programs* for homecoming, commencement, class reunions, and campus events.

2. *Addresses* of classmates and students since 1871.

3. *News* of classmates, college and University through the
"Northern Alumnus"
published and mailed quarterly
to Alumni and former students.

To receive these services be certain YOUR address is ALWAYS correct in the Alumni office.

The entire program is financed by the voluntary contributions of the .Alumni, through the Annual Alumni Loyalty Fund Enrollment.
